## SETUP

---

The Ronton Pop Its Fidget Toys Pack 4 requires no assembly or batteries. They are ready for use directly out of the packaging.

## OPERATING INSTRUCTIONS

---

These fidget toys are designed for simple, intuitive use.

### Basic Use

- To activate the sensory experience, press down on any of the bubbles on the toy.
- The bubble will invert and produce a soft "POP" sound.
- Flip the toy over to press the bubbles back to their original position, allowing for continuous play.

## Game Introduction

The Pop Its can be used for a simple two-player game:

1. Players take turns pressing down any number of bubbles in a single row.
2. Each player can press 1 or more connected pieces at a time (only press bubbles in the same line).
3. The player who presses the last bubble loses the round.
