WLIVE 6-Drawer Fabric Dresser Instruction Manual

1. INTRODUCTION AND OVERVIEW

Thank you for choosing the WLIVE 6-Drawer Fabric Dresser. This manual provides essential information for the safe assembly, operation, and maintenance of your new storage unit. Please read these instructions carefully before beginning assembly and retain them for future reference.

This versatile dresser, featuring a rustic brown wood grain print, is designed to provide ample storage in various settings such as bedrooms, closets, entryways, dorms, and living rooms. Its sturdy construction and thoughtful design ensure durability and ease of use.

2. SAFETY INFORMATION

WARNING: To prevent serious injury, this product must be securely attached to the wall using the anti-tipping accessories provided. Children can be seriously injured by furniture tipping over. Always use tip-over restraints.

- Do not allow children to climb on or play with the dresser.
- Ensure all screws and fasteners are tightened securely before use.

- Do not overload drawers beyond their stated capacity (6.6 lbs per drawer).
- Place the dresser on a flat, level surface. Use the adjustable feet to ensure stability.

3. PACKAGE CONTENTS

Please verify that all parts are present before beginning assembly. If any parts are missing or damaged, please contact WLIVE customer support.

- Top Wood Board (1)
- Steel Frame Components (various pieces)
- Fabric Drawers (6)
- Drawer Handles (6)
- Adjustable Feet (4)
- Anti-Tipping Kit (wall anchor, strap, screws)
- Assembly Hardware (screws, Allen wrench)

- Instruction Manual (this document)

4. SETUP AND ASSEMBLY

Assembly is required for this product. It is recommended to have two people for easier assembly. Please follow the steps below carefully.

Step 4.1: Assemble the Steel Frame

Connect the steel frame components according to the diagrams in the included assembly guide. Ensure all connections are secure. The frame provides the main support structure for the dresser.

Image 4.1: Illustration of the steel frame assembly process.

Step 4.2: Attach Drawer Handles

Attach the handles to each fabric drawer. Some users find it helpful to pre-thread the screws into the handle holes before attaching them to the drawers to ensure a smoother fit and prevent stripping.

Image 4.2: Detailed view of handle attachment to a fabric drawer.

Step 4.3: Insert Fabric Drawers

Once the frame is assembled and handles are attached, carefully slide each fabric drawer into its designated slot within the steel frame. Ensure they slide smoothly.

Image 4.3: Guide for inserting the fabric drawers into the dresser frame.

Step 4.4: Install Adjustable Feet

Screw the adjustable feet into the bottom of the dresser frame. These feet help protect your floor from scratches and allow you to level the dresser on uneven surfaces.

Image 4.4: Illustration of the adjustable feet and their function.

Step 4.5: Secure with Anti-Tipping Device

For safety, attach the anti-tipping device to the back of the dresser and securely fasten it to a wall stud. This step is critical to prevent accidental tipping.

5. OPERATING INSTRUCTIONS

The WLIVE 6-Drawer Fabric Dresser is designed for easy and efficient storage.

5.1 Using the Drawers

Each fabric drawer is designed to hold up to 6.6 pounds of items. Gently pull the arch handles to open and push to close. Avoid forcing drawers if they feel stuck; check for obstructions.

6.6lbs
each drawer capacity

LARGE STORAGE CAPACITY

5.2 Top Surface Usage

The water-resistant wood top board can support decorative items, lamps, or other lightweight objects. Do not place excessively heavy items on the top surface to avoid damage or instability.

6. MAINTENANCE

To ensure the longevity and appearance of your WLIVE dresser, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the wood top and steel frame with a dry, soft cloth. For the fabric drawers, spot clean with a damp cloth and mild detergent if necessary, then air dry completely. Do not use harsh chemicals or abrasive cleaners.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if needed.
- **Drawer Care:** Avoid overfilling drawers, as this can strain the fabric and affect their shape.

SUPERIOR FABRIC

Wear-resistant

Non-deforming

Easy to clean

7. TROUBLESHOOTING

If you encounter any issues with your dresser, refer to the common problems and solutions below:

Problem	Possible Cause	Solution
Dresser is wobbly/unstable.	Uneven floor; loose connections.	Adjust the leveling feet at the bottom of the frame. Ensure all frame screws are tightened.
Drawers do not slide in/out smoothly.	Drawer is overfilled; fabric is misaligned; frame is not level.	Reduce contents in the drawer. Gently reshape the fabric drawer. Check dresser level using adjustable feet.
Difficulty attaching drawer handles.	Screw holes in handles are too tight.	Before final attachment, use an extra screw and pliers to pre-thread and slightly enlarge the handle screw holes.

Problem	Possible Cause	Solution
New product odor.	Common with new fabric products.	Allow the dresser to air out in a well-ventilated area for a few days. You may use fabric fresheners.

8. SPECIFICATIONS

Feature	Detail
Brand	WLIVE
Model Name	ASNG064 Fabric 6 Drawer Storage Cabinet / DHS2
Product Dimensions	11.8"D x 31.5"W x 30.91"H
