WLIVE ASNG100DK2

WLIVE ASNG100DK2 8-Drawer Fabric Dresser Instruction Manual

MODEL: ASNG100DK2

Brand: WLIVE

1. Introduction

Thank you for choosing the WLIVE ASNG100DK2 8-Drawer Fabric Dresser. This manual provides essential information for the safe assembly, operation, and maintenance of your new storage unit. Please read these instructions carefully before beginning assembly and retain them for future reference.

2. Important Safety Information

To ensure safe use of this product, please observe the following warnings:

- **Anti-Tipping Device:** Always install the included anti-tipping accessories to secure the dresser to a wall. This prevents accidental tipping, especially in households with children or pets.
- **Weight Limits:** Do not exceed the recommended weight capacity for each drawer (6.6 lbs) or the tabletop (35 lbs). Overloading can compromise stability and cause damage.
- **Children Safety:** Do not allow children to climb on or play with the dresser. Keep small parts and assembly tools out of reach of children.
- **Placement:** Place the dresser on a flat, level surface. Adjust the feet as necessary to ensure stability.
- **Assembly:** Ensure all parts are correctly assembled and tightened before use. Do not use power tools for assembly unless specifically instructed, as this may overtighten and damage components.

3. Package Contents

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Steel Frame Components
- Wooden Top Panel
- 8 Fabric Drawers with Handles

- Adjustable Feet (4)
- Anti-Tipping Hardware
- Assembly Tools (e.g., Allen wrench)
- Instruction Manual

4. Assembly Instructions

Assembly of the WLIVE ASNG100DK2 dresser is designed to be straightforward. Follow the detailed instructions provided in the separate assembly guide included with your package. Generally, the steps involve:

1. **Unpack and Identify:** Carefully unpack all components and lay them out. Identify each part using the provided parts list.
2. **Assemble the Frame:** Connect the steel frame components according to the diagrams. Ensure all screws are securely tightened.
3. **Attach Top Panel:** Secure the wooden top panel to the assembled frame.
4. **Install Adjustable Feet:** Screw the adjustable feet into the base of the frame. Adjust them to level the dresser on uneven surfaces.
5. **Prepare Drawers:** Unfold each fabric drawer and insert the bottom support panel. Attach the handles.
6. **Insert Drawers:** Place the assembled fabric drawers into their respective compartments in the frame.
7. **Install Anti-Tipping Device:** Secure the dresser to the wall using the anti-tipping hardware as per the instructions. This is a critical safety step.

5. Operating Instructions

The WLIVE ASNG100DK2 dresser is designed for convenient storage in various rooms.

- **Drawer Use:** The fabric drawers feature elegant arc handles for easy pulling and pushing. They are deep and spacious, suitable for organizing clothing, accessories, linens, or other household items.
- **Top Surface:** The wooden top provides a stable surface for placing frequently used items, decorative pieces, or small electronics. Ensure items placed on top do not exceed the 35 lbs weight limit.
- **Adjustable Feet:** The adjustable feet allow for minor height adjustments to ensure the dresser remains level and protects your floor from scratches.

6. Maintenance and Care

Proper care will extend the life and appearance of your dresser:

- **Cleaning the Frame and Top:** Wipe the steel frame and wooden top with a dry cloth to remove dust and spills. Avoid using harsh chemicals or abrasive cleaners.

- **Cleaning Fabric Drawers:** For light cleaning, use a lint roller or a soft brush to remove dust and debris from the fabric drawers. For stains, spot clean with a damp cloth and mild soap, then air dry completely. Do not machine wash the fabric drawers.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Avoid Overstuffing:** Do not overstuff the drawers, as this can cause them to bulge and potentially damage the fabric or frame.

7. Troubleshooting

Here are solutions to common issues you might encounter:

- **Dresser is Wobbly:** Ensure the dresser is on a level surface. Adjust the four adjustable feet at the bottom until the unit is stable. If wobbling persists, verify that all frame connections are securely tightened and the anti-tipping device is properly installed.
- **Drawers Do Not Slide Smoothly:** Check that the drawers are correctly inserted into their compartments and are not overfilled. Ensure no foreign objects are obstructing the drawer's movement.
- **Damaged Handles:** If a handle becomes detached, it can typically be reattached. Refer to the assembly instructions for proper handle installation. If the handle is broken, contact customer support for a replacement.
- **Drawers Bulging:** This indicates that the drawer is overfilled. Reduce the contents of the drawer to prevent damage to the fabric and maintain the dresser's appearance.

8. Specifications

Feature	Detail
Brand	WLIVE
Model Name	ASNG100DK2
Product Dimensions	31.7" L x 11.7" W x 38.6" H
Color	Charcoal Black Wood Grain Print
