Toogel Hook-On High Chair with Removable Dining Tray

Model: HCT21BK - Instruction Manual

1. INTRODUCTION

Thank you for choosing the Toogel Hook-On High Chair. This portable and convenient high chair is designed to provide a safe and comfortable seating solution for your baby during meal times, whether at home or on the go. Please read this manual thoroughly before assembly and use to ensure proper operation and safety for your child.

This high chair is suitable for babies aged 6-36 months and supports a maximum weight of 36 lbs (approximately 16.3 kg). It is designed to fit most tables with a thickness between 0.79 inches (20mm) and 4.72 inches (120mm).

2. IMPORTANT SAFETY INFORMATION

WARNING: Failure to follow these warnings and instructions could result in serious injury or death.

- Always secure your child in the high chair with the 3-point harness.
- Never leave your child unattended in the high chair.
- Ensure the high chair is securely attached to a stable table before placing your child in it. Verify the clamps are tightened properly.
- Do not use on glass tables, tables with loose tops, or tables with a single pedestal base.
- Do not use on tables with a thickness outside the specified range of 0.79" (20mm) to 4.72" (120mm).
- Regularly inspect the high chair for any signs of wear, damage, or loose parts. Discontinue use if any part is worn, cracked, or broken.
- Keep children away from moving parts during assembly and adjustment.
- Do not use this product if your child can push off the table or stand up in the seat.
- This product is free of regulated BPA, lead, and phthalates.

3. PRODUCT COMPONENTS

4. ASSEMBLY AND INSTALLATION

The Toogel Hook-On High Chair features a one-step installation process for quick setup.

1. **Unfold the Chair:** Remove the chair from its carry bag. Unfold the fabric seat and extend the metal

support frame.

2. **Attach to Table:** Position the high chair so the non-slip handrails are on top of the table surface and the clamping mechanisms are underneath.
3. **Secure the Clamps:** Twist the knobs on the clamping mechanisms to tighten them against the underside of the table. Ensure the chair is firmly fixed and does not wobble. The chair is designed for tables between 0.79" (20mm) and 4.72" (120mm) thick.
4. **Install Dining Tray (Optional):** If using, align the dining tray with the armrests and snap it securely into place.
