

## Nerf E9485

# Nerf Elite 2.0 Commander RD-6 Blaster Instruction Manual

Model: E9485

## 1. INTRODUCTION

---

Welcome to the world of Nerf Elite 2.0! This manual provides essential information for the safe and effective operation of your Nerf Elite 2.0 Commander RD-6 Blaster. Please read all instructions carefully before use to ensure a fun and safe experience.

## 2. SAFETY INFORMATION

---

- **WARNING:** Do not aim at eyes or face. Use of eyewear is recommended for players and people within range. Use only official Nerf darts. Other darts may not meet safety standards. Do not modify darts or blaster.
- **CHOKING HAZARD:** Small parts. Not for children under 3 years. Recommended for ages 8 and up.
- Always ensure a clear firing path and be aware of your surroundings.

## 3. WHAT'S IN THE BOX

---

Your Nerf Elite 2.0 Commander RD-6 Blaster package includes:

- 1 x Nerf Elite 2.0 Commander RD-6 Blaster
- 12 x Nerf Elite Darts

Image: The Nerf Elite 2.0 Commander RD-6 Blaster and its included 12 darts, shown in their retail packaging.

#### 4. SETUP: LOADING DARTS

---

1. **Load Darts:** Insert one Nerf Elite dart into each of the 6 openings in the rotating drum. Push the darts in firmly until they are fully seated.

Image: A person demonstrating how to load darts into the rotating drum of the Nerf Elite 2.0 Commander RD-6 Blaster.

Keep the remaining 6 darts nearby for quick reloads during play.

## 5. OPERATING THE BLASTER

---

### 5.1 Single-Shot Firing

1. **Prime the Blaster:** Grasp the black priming slide located on top of the blaster. Pull the slide all the way back towards you, then push it all the way forward until it clicks into place.
2. **Aim:** Point the blaster at your target, ensuring no one is in the line of fire.
3. **Fire:** Pull the trigger to launch one dart. The drum will automatically rotate to the next dart.

## 5.2 Slam-Fire Action

For rapid-fire action, the Commander RD-6 features a slam-fire mode:

1. **Prime the Blaster:** Prime the blaster as described in step 1 of Single-Shot Firing.
2. **Engage Slam-Fire:** Hold down the trigger.
3. **Rapid Fire:** While holding the trigger, repeatedly pull the priming slide back and forth to unleash all 6 darts in quick succession.

## 6. CUSTOMIZATION

---

The Nerf Elite 2.0 Commander RD-6 Blaster is designed for customization, featuring:

- **Tactical Rails:** Two tactical rails are located on the top and bottom of the blaster. These allow you to attach compatible Nerf accessories (sold separately) such as scopes, lights, or other gear to enhance your play.
- **Attachment Points:** The blaster also includes attachment points for a stock and a barrel extension (accessories sold separately), allowing you to modify the blaster's appearance and functionality.

## 7. MAINTENANCE

---

- **Cleaning:** Wipe the blaster with a damp cloth to remove dirt and dust. Do not submerge the blaster in water.
- **Dart Care:** Store darts in a clean, dry place. Avoid bending or crushing darts, as this can affect performance.
- **Storage:** Store the blaster in a cool, dry place away from direct sunlight when not in use.

## 8. TROUBLESHOOTING

---

- **Darts not firing or jamming:**
  - Ensure darts are fully inserted into the drum.
  - Check if the blaster is fully primed by pulling the slide all the way back and then forward until it clicks.
  - Inspect darts for damage (bends, tears). Replace damaged darts with new official Nerf Elite darts.

- **Reduced firing distance:**

- Ensure darts are in good condition and are official Nerf Elite darts.
- Verify the blaster is fully primed before firing.

## 9. SPECIFICATIONS

---
