USAGE INSTRUCTIONS

To apply the ARMAF Club De Nuit Woman Eau de Parfum, follow these guidelines for optimal fragrance diffusion and longevity:

1. **Preparation:** Ensure your skin is clean and moisturized. Fragrance adheres better to hydrated skin.
2. **Application Points:** Apply a few drops directly to your pulse points. These areas generate heat, which helps to diffuse the fragrance throughout the day. Common pulse points include:
 - Wrists
 - Neck (behind the ears or at the base of the throat)
 - Inner elbows
 - Behind the knees
3. **Quantity:** For Eau de Parfum concentrations, a moderate amount is sufficient. Typically, 1-2 sprays per pulse point is adequate. Avoid over-application.
4. **Do Not Rub:** After applying, do not rub your wrists together. This can break down the fragrance molecules and alter the scent. Allow the perfume to air dry naturally.

CARE AND STORAGE

Proper care and storage will help preserve the quality and longevity of your ARMAF Club De Nuit Woman Eau de Parfum:

- **Store in a Cool, Dark Place:** Keep the perfume away from direct sunlight, extreme temperatures, and humidity. Heat and light can degrade the fragrance over time. A drawer or closet is ideal.
- **Keep the Cap On:** Always replace the cap tightly after each use to prevent evaporation and exposure to air, which can oxidize the fragrance.
- **Original Packaging:** Storing the bottle in its original box can provide an extra layer of protection from light and temperature fluctuations.
