COGO 3730

COGO MAN 2 in 1 Construction Trucks Building Set User Manual

Brand: COGO | **Model:** 3730

1. PRODUCT OVERVIEW

The COGO MAN 2 in 1 Construction Trucks Building Set provides an engaging and educational experience for children aged 6-12. This versatile set allows for the construction of two distinct vehicles: a robust single drum roller or a detailed cement mixer truck. With 369 high-quality, non-toxic ABS building blocks, children can explore engineering principles, enhance problem-solving skills, and foster creativity through hands-on play. The finished models feature realistic details and movable parts, offering dynamic play scenarios.

2. PACKAGE CONTENTS

Please verify that all components listed below are present in your package:

- Instruction Manual
- 369 Building Blocks Pieces
- Brick Separator
- Decoration Sticker Sheet

3. ASSEMBLY INSTRUCTIONS

This building set offers the flexibility to construct either a single drum roller or a cement mixer truck. Please refer to the detailed, step-by-step instructions provided in the included paper manual for precise assembly guidance. Ensure all pieces are correctly connected to ensure structural integrity and functionality of the model.

Image: A visual representation of the two distinct models that can be built from the set: the road roller and the cement mixer truck.

Important Note: Only one vehicle can be built at a time using the provided pieces. To build the other model, you must disassemble the current one.

4. OPERATING INSTRUCTIONS

Once assembled, your construction trucks are ready for imaginative play. Both the single drum roller and the cement mixer truck feature functional elements designed to enhance the play experience.

- **Rotatable Wheels:** All wheels on both models are designed to rotate smoothly, allowing for easy movement across various surfaces.
- **360-Degree Spin Operation:** The mixing tank on the cement mixer truck and the drum on the single drum roller can be manually rotated 360 degrees, simulating real-world construction vehicle operations.
- **Movable Parts:** Explore other intricate details such as the adjustable ramp on the cement mixer and the articulated parts on the roller, adding to the realism and playability.

Image: Detailed views highlighting the 360-degree rotation feature of both the cement mixer's drum and the road roller's drum, along with the movable ramp on the cement mixer.

5. CARE AND MAINTENANCE

To ensure the longevity and cleanliness of your COGO MAN building set, follow these simple care instructions:

- **Cleaning:** Wipe the building blocks and assembled models with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the plastic.
- **Storage:** Store the blocks in a clean, dry place away from direct sunlight and extreme temperatures to prevent warping or discoloration.
- **Handling:** While durable, avoid excessive force when assembling or disassembling pieces to prevent breakage.

6. TROUBLESHOOTING

If you encounter any issues with your building set, please refer to the following common solutions:

- **Missing Pieces:** Carefully check all packaging materials. If a piece is genuinely missing, please contact customer support as detailed in Section 8.
- **Difficulty Assembling:** Ensure you are following the instruction manual step-by-step. Sometimes, a piece may appear similar to another; double-check the shape and size. If a piece is too tight, ensure it is correctly aligned before applying gentle pressure.
- **Model Instability:** Re-examine the connections of the main structural components. Loose connections can lead to an unstable model.

7. PRODUCT SPECIFICATIONS

Attribute	Detail
Product Dimensions	15.35 x 2.56 x 10.24 inches
Item Weight	1.27 pounds
Item Model Number	3730
Manufacturer Recommended Age	6 - 12 years
Number of Pieces	369
Material	High-quality ABS Plastic

8. SAFETY INFORMATION

Your safety and the safety of the user are paramount. Please adhere to the following guidelines:

- **Age Recommendation:** This product is recommended for children aged 6-12 years. It contains small parts that may pose a choking hazard for younger children.
- **Material Safety:** The building blocks are crafted from high-quality, non-toxic ABS material, meeting crucial CPSIA/ASTM safety standards.
- **Supervision:** Adult supervision is recommended during assembly and play, especially for younger children within the recommended age range.
- **Intended Use:** This toy is designed for recreational building and play. Do not use it for purposes other than its intended design.

9. WARRANTY AND SUPPORT

COGO is committed to providing high-quality products and excellent customer service. If you have any questions, concerns, or require assistance, please do not hesitate to contact us.

- **Lost Manual:** If you lose your paper instruction manual, an electronic guide can be provided upon request.
- **Product Issues:** Each product undergoes inspection. Should you encounter any problems with your set, such as missing pieces or manufacturing defects, please contact our customer service team directly. We are dedicated to resolving any issues to your satisfaction.

For support, please refer to the contact information provided on the product packaging or the official COGO website.
