TaoHFE Pink Wooden Play Kitchen Playset Instruction Manual

MODEL: REGULAR STYLE

1. Introduction

This manual provides essential information for the assembly, operation, and maintenance of your TaoHFE Pink Wooden Play Kitchen Playset. Please read these instructions carefully before assembly and use to ensure safe and proper functionality.

This playset is designed for children aged 36 months to 8 years, offering an interactive and imaginative play experience.

2. Safety Information

- **Adult Assembly Required:** This product contains small parts and requires adult assembly. Keep small parts away from children before and during assembly.
- **Choking Hazard:** Small parts may be present. Not suitable for children under 36 months.
- **Supervision:** Always supervise children during play.
- **Stability:** Ensure the playset is placed on a flat, stable surface. Consider securing the playset to a wall using appropriate hardware (not included) to prevent tipping, especially if children tend to climb or lean on furniture.
- **Material Safety:** The playset is constructed from MDF and ABS plastic. Ensure all screws are tightened securely to maintain structural integrity.
- **Electrical Components:** The playset includes battery-operated lights and sounds. Ensure batteries are installed correctly and replaced by an adult. Keep batteries out of reach of small children.

3. Parts List

Before beginning assembly, verify that all components listed in the assembly video are present and undamaged. Refer to the detailed parts diagram at the beginning of the assembly video for visual identification.

4. Setup and Assembly

Follow the steps outlined below and refer to the 'Latest Installation Video' for visual guidance. Ensure all screws are tightened firmly but do not overtighten.

1. **Prepare Components:** Unpack all parts and lay them out on a clean, soft surface to prevent scratches. Identify each part using the labels provided in the parts list.
2. **Assemble Refrigerator Door:** Attach handles and hinges to the refrigerator door (#7) as shown in the video.
3. **Install Water Dispenser:** Secure the water dispenser unit (#30) to the refrigerator side panel (#8) using the specified screws. Attach the handle and hinges.
4. **Assemble Oven Door:** Attach hinges and handle to the oven door (#9) with the heart-shaped window.
5. **Assemble Microwave Door:** Attach hinges and handle to the microwave door (#10).
6. **Construct Base Frame:** Connect the base panels (#1, #28) and internal dividers (#4, #11, #14) using screws and wooden dowels. Attach the feet (#19) to the bottom panel.
7. **Install Stove and Sink Unit:** Place the main countertop (#21) onto the base frame. Secure it with screws. Install the faucet (#23) and stove burners (#27) into their designated openings.
8. **Attach Side Panels and Shelves:** Connect the side panels (#3, #12) and internal shelves (#15, #16, #17, #18) to form the upper structure of the kitchen.
9. **Mount Doors:** Attach the refrigerator door (#7), water dispenser panel (#8), oven door (#9), and microwave door (#10) to their respective sections using the pre-installed hinges.
10. **Final Touches:** Install the telephone (#26) and hanging hooks (#25) for utensils.
