

Costzon B09FLFGQF1

Costzon Toy Storage Organizer for Kids Instruction Manual

Brand: Costzon | **Model:** B09FLFGQF1

INTRODUCTION

The Costzon Toy Storage Organizer is a versatile and durable solution designed to help children organize their belongings. Featuring a kid-friendly design and robust construction, this organizer is suitable for various environments including kids' rooms, playrooms, bedrooms, classrooms, nurseries, and daycares. Its thoughtful design promotes independence in children by keeping items within easy reach.

This organizer is crafted from selected engineered boards, ensuring it is safe, odorless, and built to last. The smooth and waterproof surface allows for effortless cleaning, making maintenance simple for busy parents and educators.

PRODUCT FEATURES

- **Spacious Cubes for Storage:** Designed with 5 cubes of 2 sizes, providing ample space for cartoon books, toys, snacks, clothes, and school supplies. The wide top with elevated edges can display knick-knacks.
- **Kids-Friendly Design for Safety:** Smoothly rounded edges and corners prevent splinters. The bottom is raised by 4 inches to protect items on the lower shelf from dirt. The overall height of 24 inches and inner depth of 11 inches ensure items are within children's reach, fostering organizational habits.
- **Sturdy Construction & Premium Material:** Made of safe, odorless, and durable engineered

boards. The top can bear up to 132 lbs, and each cube up to 44 lbs. Equipped with reinforced back buckles and anti-slip pads for enhanced stability.

- **Multipurpose Cabinet:** Ideal for kids' rooms, playrooms, and bedrooms as a bookcase or storage shelf. Also suitable as Montessori shelves and for teacher organization in classrooms and daycares.
- **Easy Installation & Maintenance:** Comes with detailed, illustrated instructions and labeled boards for quick assembly. The smooth, waterproof surface is easy to clean with a wet cloth.

SETUP AND ASSEMBLY

The Costzon Toy Storage Organizer is designed for straightforward assembly. All necessary parts and hardware are included, along with a detailed instruction manual. Please follow the steps carefully to ensure proper and secure construction.

Before beginning assembly, ensure all components are present and undamaged. Refer to the included parts list and diagrams. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

OPERATING INSTRUCTIONS

The Costzon Toy Storage Organizer is designed for intuitive use by children. Encourage your child to utilize the various compartments to sort and store their books, toys, and other belongings. The accessible height allows children to easily reach and put away items, promoting a sense of responsibility and order.

Utilize the larger cubes for bulkier items like stuffed animals or larger toy sets, and the smaller compartments for books, puzzles, or smaller toys. The open design allows for easy visibility of contents, encouraging children to choose and return items independently.

MAINTENANCE

To maintain the appearance and longevity of your Costzon Toy Storage Organizer, follow these simple care instructions:

- **Cleaning:** Wipe the surface with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish.
- **Spills:** Promptly wipe up any spills to prevent staining or water damage to the wood.

- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Tighten if necessary to maintain stability.

TROUBLESHOOTING

While the Costzon Toy Storage Organizer is designed for durability and ease of use, occasional issues may arise. Here are some general troubleshooting tips:

- **Wobbling/Instability:** Ensure all cam locks and screws are fully tightened. Check that the unit is placed on a flat, level surface. If included, ensure anti-tip hardware is properly installed and secured to the wall.
- **Damaged Parts:** If any part arrives damaged or becomes damaged during assembly/use, please contact Costzon customer support for assistance. Do not attempt to force damaged parts together.
- **Missing Hardware:** If any hardware is missing, refer to the parts list in your manual and contact Costzon customer support to request replacements.

SPECIFICATIONS
