LEGO 71765

LEGO NINJAGO Ninja Ultra Combo Mech 4-in-1 Set 71765 Instruction Manual

Model: 71765 | Brand: LEGO

1. Product Overview

The LEGO NINJAGO Ninja Ultra Combo Mech (Set 71765) is a versatile 4-in-1 building set designed for ages 9 and up. This set allows for the construction of a large, ultimate fighting machine that can also be separated into four distinct vehicles: a mech, a car, a tank, and a jet. It includes 7 LEGO NINJAGO minifigures: Kai, Jay, Zane, Cole, Wu Bot, Cobra Mechanic, and Boa Destructor, enabling diverse play scenarios.
Key features include:

- **4-in-1 Design:** Construct a large mech or four separate vehicles (mech, car, tank, jet).
- **Minifigure Collection:** Includes 7 LEGO NINJAGO characters for expanded play.
- **Collectible Banner:** Earn a Teamwork mission banner upon completion.
- **Articulation:** The combined mech features articulated joints for dynamic posing.

2. Assembly and Setup

The LEGO NINJAGO Ninja Ultra Combo Mech set contains 1104 pieces. Follow the included step-by-step building instructions to construct the individual vehicles and then combine them into the ultimate mech. The set is designed for builders aged 9 and above, but younger builders may enjoy it with adult assistance.

2.1 Individual Vehicle Construction

The set allows for the construction of four primary components that form the Ultra Combo Mech:

1. **Kai's Mech:** Forms the core body of the Ultra Combo Mech.
2. **Zane's Snow Tank:** Becomes the legs of the Ultra Combo Mech.

3. **Cole's Drill Machine:** Transforms into the arms of the Ultra Combo Mech.
4. **Jay's Jet:** Forms the wings and upper back of the Ultra Combo Mech.

Figure 2: The four individual vehicles that combine to form the Ultra Combo Mech.

2.2 Combining the Mech

Once the individual vehicles are built, they can be combined to form the larger Ninja Ultra Combo Mech. Refer to the detailed instructions provided in the box for the specific steps to connect each component securely. Ensure all connection points are firmly attached to maintain the mech's stability.

3. Operating the Product

The Ninja Ultra Combo Mech and its individual components are designed for imaginative play. Each vehicle can be used separately, or they can be combined for an enhanced play experience.

3.1 Mech Articulation

The fully assembled Ultra Combo Mech features multiple points of articulation, allowing for various poses and dynamic action scenes. The arms, legs, and other sections can be adjusted to recreate battles and adventures from the NINJAGO universe.

3.2 Minifigure Interaction

The 7 included minifigures can be placed within the cockpits of the individual vehicles or positioned around the Ultra Combo Mech to enhance storytelling and role-playing. Each minifigure comes with unique accessories to complement their character.

4. Maintenance

To ensure the longevity and enjoyment of your LEGO NINJAGO set, follow these simple maintenance guidelines:

- **Cleaning:** Clean LEGO bricks with a mild soap solution and lukewarm water. Rinse thoroughly and air dry. Avoid hot water or harsh chemicals, as these can damage the plastic.
- **Storage:** Store LEGO pieces in a dry, cool place away from direct sunlight to prevent discoloration and warping. Keep small pieces in designated containers to avoid loss.
- **Handling:** Handle assembled models with care, especially when converting between mech and individual vehicle forms, to prevent pieces from detaching.

5. Troubleshooting

While LEGO sets are designed for robust play, minor issues may arise. Here are some common troubleshooting tips:

- **Pieces Detaching During Conversion:** When transforming the Ultra Combo Mech into its individual vehicles or vice-versa, some smaller pieces may occasionally come loose. Re-attach them firmly. Ensure all connections are secure before and after conversion.
- **Missing Pieces:** If you discover a missing piece during assembly, please refer to the LEGO customer service website for replacement parts.
- **Difficulty with Assembly:** If you encounter difficulty following the instructions, double-check each step and ensure all pieces are correctly oriented. Online building guides and community forums can also provide assistance.

6. Specifications

Feature	Detail
Brand	LEGO
Model Name	Ninja Ultra Combo Mech 71765
Model Number	6379132
UPC	673419353830
Number of Pieces	1104
Recommended Age	9+ years (Manufacturer Minimum Age: 108 months)
Material Type	Plastic
Item Dimensions	14.88 x 13.94 x 3.7 inches
Educational Objective	Creative Thinking

7. Warranty and Support

LEGO products are manufactured to high-quality standards. For information regarding product warranty, missing parts, or customer support, please visit the official LEGO website or contact their customer service directly. Keep your purchase receipt as proof of purchase.
