Follow the step-by-step instructions provided in the included manual to construct the Minecraft scene. Begin by sorting the pieces and identifying the baseplates. The set is designed for intuitive building, allowing for a smooth and engaging experience.

OPERATING (PLAY FEATURES)

Once assembled, the Creeper Ambush set offers several interactive play features:

- **Exploding Creeper:** Position the red Exploding Creeper figure on its designated spot. A special detonation block can be pressed to launch the Creeper into the air, simulating an explosion.
- **Character Interaction:** Engage Steve in battles against the Creeper using his sword. Care for the baby pig and baby chicken figures in their environment.
- **Resource Gathering:** Utilize the crafting table and iron ore block to simulate resource collection and crafting activities from the Minecraft game.
- **Environmental Play:** Interact with the sugarcane crop and poppy flowers to create diverse scenarios within the plains biome setting.

MAINTENANCE

To ensure the longevity and cleanliness of your LEGO Minecraft set, follow these maintenance guidelines:

- **Cleaning:** Use a soft brush or a damp cloth with mild soap to gently clean the LEGO bricks. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the set in a cool, dry place away from direct sunlight to prevent discoloration and damage. Keep small pieces in a container to avoid loss.
- **Handling:** Handle the assembled model with care to prevent pieces from detaching.

TROUBLESHOOTING

If you encounter any issues during assembly or play, consider the following:

- **Missing Pieces:** Double-check all packaging and sorting areas. If a piece is genuinely missing, contact LEGO Customer Service for replacements.
- **Assembly Difficulties:** Refer back to the instruction manual, paying close attention to the visual steps. Ensure all pieces are correctly oriented and firmly connected.
- **Play Feature Malfunction:** Verify that all movable parts are correctly assembled and not obstructed. For the Exploding Creeper, ensure the trigger mechanism is clear and properly aligned.
