The packaging also shows several Rainbocorn characters and a warning about small parts.

2. SETUP INSTRUCTIONS

Follow these steps to prepare your Rainbocorns for play:

1. Carefully remove the entire 4-pack product from its outer packaging.
2. Each Rainbocorns Itzy Glitzy Surprise is contained within an individual egg. Gently open each egg to reveal the surprise contents, which typically include a Rainbocorn figure, accessories, and a gem heart.

This image shows the complete contents of the 4-pack after opening. It includes four pink surprise eggs, four distinct Rainbocorn figures, and a variety of accessories such as rings, hair clips, and other small decorative items, demonstrating the range of

3. OPERATING INSTRUCTIONS

Once the contents are unboxed, you can begin interacting with your Itzy Glitzy Rainbocorns:

- **Assemble Figures:** Attach any included accessories to your Rainbocorn figures as desired.
- **Pop & Swap Gem Hearts:** The gem hearts can be gently popped out from the figures and swapped with other gem hearts from your collection to customize their appearance.
- **Activate Color Change:** For accessories with color-change features, expose them to varying temperatures. For example, immerse them in warm water to see one color, then cold water to see another.

4. MAINTENANCE

To ensure the longevity of your Rainbocorns:

- **Cleaning:** Wipe figures and accessories with a soft, damp cloth. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store all figures and accessories in a dry, cool place away from direct sunlight to prevent discoloration or material degradation.

5. TROUBLESHOOTING

Common issues and their solutions:

Issue	Solution
Accessories do not change color.	Ensure the accessories are exposed to a sufficient temperature difference (e.g., warm water vs. cold water) for the color-change effect to activate.
Received duplicate figures in a 4-pack.	As these are surprise toys with random assortments, receiving duplicate figures is a possibility and is not considered a product defect.
