## HARDWARE OVERVIEW

---

The Life Q35 headphones feature a durable plastic construction with a metal adjustable headband for a comfortable fit. The earcups and headband are padded with soft foam and covered in synthetic leather.

### Left Earcup Controls:

- **Noise Cancellation (NC) Button:** Toggles noise cancellation modes.
- **Power Button:** Turns headphones on/off and initiates Bluetooth pairing.
- **USB-C Charging Port:** For charging the headphones.

### Right Earcup Controls:

- **Playback Controls:** Play/pause, skip track, volume up/down.
- **3.5mm Audio Jack:** For wired connection.
- **Touch Sensor:** Enables Transparency Mode and NFC pairing.

## SETUP

---

### Bluetooth Pairing:

1. Ensure the headphones are powered off.
2. Press and hold the Power button for 5 seconds until the LED indicator flashes blue, indicating pairing mode.

3. On your device, navigate to Bluetooth settings and search for "Soundcore Life Q35".
4. Select the headphones from the list to connect.

### NFC Pairing:

1. Ensure NFC is enabled on your smartphone.
2. Power on the Soundcore Life Q35 headphones.
3. Tap your smartphone to the NFC area on the right earcup of the headphones.
4. Confirm the pairing request on your smartphone.

### Soundcore App Setup:

Download the Soundcore app from your device's app store to unlock full customization options and features.

- **Equalizer (EQ):** Choose from pre-configured EQ profiles or create custom sound settings.
- **Ambient Sound Modes:** Switch between Noise Cancellation (Transport, Indoor, Outdoor), Transparency Mode, and Normal.
- **Sleep Mode:** Mix ambient sounds and set a countdown timer to aid sleep.
- **Smart Wearing Detection:** Enable or disable automatic pause/play when headphones are removed/worn.

## OPERATING INSTRUCTIONS

### Power On/Off:

Press and hold the Power button on the left earcup to turn the headphones on or off.

### Playback Controls:

Use the buttons on the right earcup to control music playback (play, pause, skip tracks) and adjust volume.

### Active Noise Cancellation (ANC):

Press the NC button on the left earcup to cycle through noise cancellation modes: Transport, Indoor, and Outdoor. Each mode is optimized to reduce specific types of ambient noise.

### Transparency Mode:

Tap the touch sensor on the right earcup to activate Transparency Mode, allowing you to hear your surroundings without removing the headphones.

## AUTO-PAUSE AUDIO

A sensor detects when the headphones are removed from your ears.

### Smart Wearing Detection:

The headphones feature a built-in sensor that automatically pauses audio when removed from your ears and resumes playback when put back on. This feature can be toggled in the Soundcore app.

### **Multi-point Connection:**

The Life Q35 supports connecting to two Bluetooth devices simultaneously, allowing seamless switching between them.

### **AI-Enhanced Calls:**

Beamforming microphones with an AI algorithm ensure your voice is picked up with incredible accuracy, providing crisp, clear, and noise-free calls.

### **SOUND & COMFORT**

---

The Soundcore Life Q35 delivers Hi-Res Audio and Hi-Res Audio Wireless certified sound thanks to custom silk-diaphragm drivers and LDAC technology, which transmits three times more data than standard Bluetooth codecs. This results in a rich, detailed, and distortion-free listening experience with deep bass and crisp highs.

# THE GOLD STANDARD OF SOUND

Via 40mm silk-diaphragm drivers.

## BATTERY & CHARGING

The Soundcore Life Q35 offers up to 40 hours of playtime on a single charge with ANC off. For quick power-ups, a 5-minute charge provides an additional 4 hours of listening.

## BLUETOOTH & LATENCY

Equipped with Bluetooth 5.0, the Life Q35 provides a stable wireless connection with a range of up to 15 meters. The LDAC codec ensures minimal audio latency (150 milliseconds), making it suitable for watching videos and gaming without noticeable sync issues.

## SPECIFICATIONS

Feature	Detail
Model Name	Q35
Connectivity Technology	Wireless (Bluetooth 5.0)
Audio Driver Type	Dynamic Driver
Frequency Range	20 Hz - 20,000 Hz
Battery Life	40 Hours
Charging Time	5 minutes for 4 hours playtime
Noise Control	Active Noise Cancellation (Multi-Mode)
Item Weight	9.6 ounces
Product Dimensions	6.5 x 3.35 x 7.4 inches
Item Model Number	A3027
UPC	194644084264

## TROUBLESHOOTING

### Pairing Issues:

- Ensure headphones are in pairing mode (flashing blue LED).
- Disable and re-enable Bluetooth on your device.

- Forget the device from your Bluetooth list and try pairing again.
- Restart both the headphones and your device.

### Sound Quality Issues:

- Check the EQ settings in the Soundcore app.
- Ensure LDAC is enabled in your device's Bluetooth settings for high-quality audio.
- Adjust the volume on both the headphones and your connected device.

### Charging Problems:

- Use the provided USB-C cable.
- Ensure the charging port is clean and free of debris.
- Try a different USB power adapter.

## MAINTENANCE

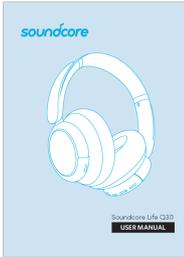

- Clean the earcups and headband regularly with a soft, dry cloth.
- Avoid exposing the headphones to extreme temperatures or humidity.
- Store the headphones in their carrying case when not in use to protect them from dust and damage.
- Do not attempt to disassemble or modify the headphones.

## WARRANTY & SUPPORT

Soundcore products typically come with a limited warranty. For detailed warranty information, product registration, and customer support, please visit the official Soundcore website or contact their customer service team.
