## GorFanty GF-6610

# GorFanty Steam Mop User Manual

Model: GF-6610

## INTRODUCTION

The GorFanty 10-in-1 MultiPurpose Handheld Steam Cleaner is designed to provide a powerful and chemical-free cleaning solution for various surfaces in your home. This versatile device transforms from a floor steamer to a handheld unit, making it ideal for deep cleaning hardwood, tile, laminate, sealed stone, and carpeted floors, as well as hard-to-reach areas like kitchen surfaces, windows, and grout lines.

## SAFETY INFORMATION

Please read all instructions carefully before using the appliance. Failure to follow these instructions may result in electric shock, fire, or serious personal injury. Keep this manual for future reference.

- Always use distilled or demineralized water to prevent mineral buildup.
- Do not add cleaning solutions, perfumes, or other chemicals to the water tank.
- Ensure the appliance is unplugged before filling or emptying the water tank, or performing any maintenance.

- Keep hands and face away from the steam nozzle when operating. Steam is hot and can cause burns.
- Do not use on unsealed hardwood floors or surfaces that are sensitive to heat and moisture.
- Keep out of reach of children and pets.

## OPERATING INSTRUCTIONS

---

1. **Power On:** Plug the 23 ft ultra-long power cord into a suitable electrical outlet. Press the power button. The unit heats up in just 20 seconds, indicated by a change in light.
2. **Adjust Steam Level:** The steam mop features 3 adjustable modes to suit different cleaning needs:
  - **1-level steam:** Recommended for daily cleaning.
  - **2-level steam:** Ideal for deep cleaning.
  - **3-level steam: For stubborn stains.**
3. **Floor Cleaning:** For hardwood, tile, laminate, sealed stone, and marble floors, simply glide the mop head over the surface. The steam will clean and eliminate 99.9% of stubborn stains without chemicals. For carpets, attach the carpet glider before use.
4. **Handheld Use:** Detach the main steam unit from the handle and mop head. Attach the desired accessory (e.g., angle nozzle, brass brush, flat brush, ironing brush, window cleaning tool, scraping tool) for targeted cleaning of various surfaces like kitchen counters, windows, furniture, toys, grout lines, and shower tracks.
