HONEY JOY 12V Off-Road Ride On Truck

HONEY JOY 2 Seat 12V Off-Road Ride On Truck Instruction Manual

Model: 12V Off-Road Ride On Truck

INTRODUCTION

Thank you for choosing the HONEY JOY 2 Seat 12V Off-Road Ride On Truck. This manual provides essential information for the safe assembly, operation, and maintenance of your new electric vehicle. Please read it thoroughly before use and retain it for future reference.

IMPORTANT SAFETY INFORMATION

- **Adult Supervision Required:** This product is intended for children aged 36 months to 8 years and must always be operated under direct adult supervision.
- **Weight Limit:** Do not exceed the maximum weight capacity of 110 lbs (50 kg).
- **Safety Belts:** Always ensure children are securely fastened with the provided safety belts.
- **Operating Environment:** Use on flat, dry surfaces away from roads, pools, steep inclines, or other hazardous areas. Avoid operating in wet conditions.
- **Protective Gear:** Encourage children to wear appropriate protective gear, such as helmets, when operating the vehicle.
- **Braking:** The vehicle features a slow start and stop technology to prevent sudden acceleration and abrupt braking.

PRODUCT OVERVIEW

The HONEY JOY 2 Seat 12V Off-Road Ride On Truck is designed for two children, offering a realistic driving experience with various features for enjoyment and safety.

- **Dual Seating:** Accommodates two children with individual safety belts.
- **Dual Driving Modes:** Children can drive manually, or parents can control via remote.
- **Slow Start Technology:** Ensures smooth acceleration and braking for enhanced safety.
- **Spring Suspension:** Provides a comfortable ride on various terrains.
- **Entertainment Features:** Includes LED lights, music, and storytelling functions.
- **Storage:** Features an openable hood for toy storage.

Video 2: Detailed assembly instructions for the HONEY JOY 2 Seater Ride On Car. This video demonstrates each step of putting the vehicle together, from attaching the wheels to connecting the electrical components.

Step-by-Step Assembly (Refer to video for visual details)

1. **Unpack Components:** Carefully remove all parts from the packaging and verify against the parts list in the manual.
2. **Install Front Bumper:** Attach the front bumper assembly to the main body of the truck using the provided screws. Ensure all connections are secure.
3. **Attach Rear Bumper:** Secure the rear bumper to the back of the vehicle.

4. **Connect Steering Column:** Insert the steering column into its designated slot and secure it.
5. **Wheel Assembly:** Attach the wheels to the axles, ensuring all washers and nuts are correctly placed and tightened.
6. **Electrical Connections:** Connect the battery terminals and other electrical wiring as indicated in the diagram. Pay close attention to polarity.
7. **Install Seats and Roll Bar:** Place the seats into position and secure them. Attach the roll bar and any additional decorative elements.
8. **Windshield and Mirrors:** Install the windshield and side mirrors.
9. **Final Checks:** Before first use, perform a thorough check to ensure all parts are correctly assembled and tightened.

OPERATING INSTRUCTIONS

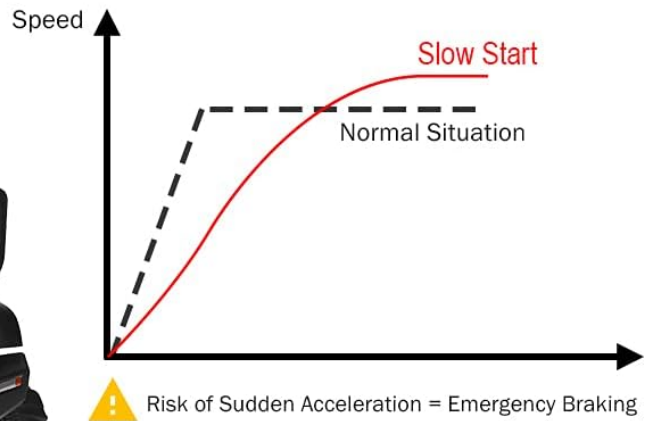

1. Charging the Battery

- Locate the charging port, typically found near the battery compartment.
- Connect the charger to the port and plug it into a standard electrical outlet.
- The charging indicator light will show the charging status. Charge for 8-12 hours before first use, and 8-12 hours for subsequent charges. Do not overcharge.

2. Driving Modes

2.4G Remote Control

Optional Remote Control / Battery Operate Mode

3 Variable speeds in R/C mode
2 Forward & 2 reverse speeds in B/O mode

Figure 5: Illustration of the 2.4G remote control and the slow start feature, showing speed progression and control options.

• Manual Mode (Child Operated):

- Turn on the vehicle using the power button on the dashboard.
- Select "Manual" mode using the switch.
- Children can control the vehicle using the steering wheel and foot pedal.
- Adjust speed using the High/Low speed switch.

• Remote Control Mode (Parent Operated):

- Ensure the vehicle is powered on.
- Select "R/C" mode using the switch on the dashboard.
- Parents can control steering, forward/reverse, and speed (3 changeable speeds) using the remote control.
- The remote control also features an emergency stop button for immediate halting of the vehicle.

Multi Functions for Endless Driving Fun

3. Multimedia Functions

- **Music and Storytelling:** The vehicle comes with pre-programmed music and storytelling functions. Use the dedicated buttons on the dashboard to activate and cycle through them.
- **External Media:** Connect external devices via the AUX port, USB slot, or TF card slot to play your own audio.
- **LED Lights:** Turn the LED headlights and other lights on/off using the light switch on the dashboard.

MAINTENANCE

- **Battery Care:**
 - Always fully charge the battery after each use.
 - If storing for extended periods, charge the battery at least once a month to prolong its lifespan.
 - Do not attempt to replace the battery with non-approved alternatives.

- **Cleaning:** Wipe the vehicle with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** Store the vehicle in a dry, cool place away from direct sunlight and moisture.
- **Inspections:** Regularly check all screws, connections, and moving parts for tightness and wear. Replace any damaged parts immediately.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Vehicle does not move.	Low battery; loose electrical connection; blown fuse.	Charge battery; check all connections; replace fuse if necessary.
Remote control not working.	Remote batteries dead; not paired correctly; vehicle not in R/C mode.	Replace remote batteries; re-pair remote; switch vehicle to R/C mode.
Short battery life.	Undercharged battery; old battery; heavy load.	Ensure full charge; consider battery replacement if old; reduce load.
Unusual noises during operation.	Loose parts; debris in wheels/motor.	Inspect and tighten loose parts; clear any debris.

SPECIFICATIONS

Feature	Detail
Product Dimensions	48.5 x 31.5 x 31.5 inches
Item Weight	48 pounds
Manufacturer Recommended Age	36 months - 8 years
Maximum Weight Capacity	110 lbs
Battery	12V
Speed	3-6 km/h (approx. 2-4 mph)
Material	Iron and PP material
