Dmora Jesse TV Stand Instruction Manual

Model: 8052773606219

INTRODUCTION

This manual provides essential information for the assembly, use, and maintenance of your Dmora Jesse TV Stand. Please read these instructions carefully before beginning assembly or use to ensure proper installation and safe operation. Keep this manual for future reference.

PRODUCT OVERVIEW

The Dmora Jesse TV Stand is a low living room sideboard designed to support your television and provide storage. It features a minimalist design with two hinged doors, one flap door, and an open compartment. The internal compartments are suitable for organizing various items, while the open section is ideal for media devices. The doors are equipped with durable metal hinges. The structure is primarily maple-colored with slate-colored details on the front panels of the doors. The top surface is designed to accommodate your TV or decorative items.

This product is 100% Made in Italy, ensuring high quality and attention to detail in its manufacturing processes. It is constructed from FSC-certified laminated melamine wood panels, making it resistant to impacts, scratches, durable over time, and waterproof.

SAFETY INFORMATION

WARNING:

- Always follow the installation instructions carefully.
- Exercise caution with sharp edges during assembly and use to prevent injury.
- Ensure the TV stand is placed on a stable, level surface to prevent tipping.
- Do not overload the TV stand or its compartments beyond recommended weight limits.

SETUP AND ASSEMBLY

The Dmora Jesse TV Stand is supplied disassembled with an assembly kit and a detailed instruction booklet. Please refer to the separate assembly manual included in the packaging for step-by-step instructions. It is recommended to have two people for assembly due to the size and weight of the components.

Before starting assembly:

1. Unpack all components and verify against the parts list in the assembly manual.
2. Ensure you have all necessary tools as specified in the manual.
3. Assemble the unit on a soft, clean surface to prevent scratches.
4. Follow the numbered steps precisely as outlined in the provided assembly booklet.

OPERATING INSTRUCTIONS

Once assembled, position the TV stand in your desired location, ensuring it is on a flat and stable surface. Place your television centrally on the top surface. Utilize the two hinged compartments and the central flap-door compartment for storing media accessories, remote controls, or other items. The open shelf is suitable for devices requiring ventilation, such as a soundbar or gaming console.

MAINTENANCE

The Dmora Jesse TV Stand is made from laminated melamine wood panels, which are easy to clean. For general cleaning, wipe the surfaces with a soft, damp cloth. Avoid using abrasive cleaners or harsh chemicals, as these can damage the finish. Promptly wipe up any spills to prevent staining or water damage.

TROUBLESHOOTING

Most issues related to furniture are assembly-related. If you encounter difficulties during assembly, refer to the detailed assembly manual provided with the product. Ensure all screws and fittings are tightened correctly, but do not overtighten.

- **Wobbly Stand:** Check that all connections are securely fastened and that the stand is on a level surface. Adjust floor glides if present.
- **Doors Not Aligning:** Review the hinge installation steps in the assembly manual. Hinges often have adjustment screws for alignment.
- **Scratches/Damage:** For minor scratches, furniture repair kits or markers matching the wood finish may be used. For significant damage, contact customer support.
