beFree Sound BFS-5.1 Surround Sound Speaker System

beFree Sound BFS-5.1 5.1 Channel Bluetooth Surround Sound Speaker System Instruction Manual

INTRODUCTION

This manual provides detailed instructions for the setup, operation, and maintenance of your beFree Sound BFS-5.1 5.1 Channel Bluetooth Surround Sound Speaker System. Please read this manual thoroughly before using the product to ensure proper function and to maximize your listening experience. Keep this manual for future reference.

PACKAGE CONTENTS

Carefully unpack all components and ensure the following items are included:

- One 5.25" Amplifier (Subwoofer)
- Five 3" Satellite Speakers
- One Remote Control (requires 2 AAA batteries, not included)
- One Audio Cable
- One FM Antenna
- Three DVD Connection Cables

WIRED SPEAKERS WIRELESS STREAMING

BATTERIES NOT INCLUDED

Image: The included remote control and various connection cables (audio, FM antenna, DVD connection cables).

PRODUCT OVERVIEW

Subwoofer (Amplifier Unit)

The subwoofer unit houses the main amplifier, control panel, and various input/output ports. It features a 5.25-inch woofer for deep bass.

Image: Front view of the subwoofer unit with approximate dimensions (11.5" depth, 6.5" width, 12.75" height).

Satellite Speakers

The system includes five 3-inch satellite speakers for surround sound. These speakers connect to the subwoofer unit.

Image: A single satellite speaker with approximate dimensions (3" depth, 4" width, 8.25" height).

Remote Control

The included remote control allows for convenient operation of all system functions from a distance. It requires two AAA batteries (not included).

SETUP

1. Speaker Placement

- Place the **subwoofer** in a central location, preferably on the floor, to optimize bass distribution.
- Position the **center speaker** directly above or below your TV/monitor.
- Place the **front left and right speakers** equidistant from your listening position, to the left and right of

your TV.

- Position the **rear left and right speakers** behind your listening position, facing towards you, to create an immersive surround sound experience.

2. Connections

Refer to the rear panel diagram for correct connections.

Image: Rear panel of the subwoofer showing power switch, AC IN, AUX Audio Input, FM Antenna port, DVD Audio Input, and Audio Output for satellite speakers.

1. **Connect Satellite Speakers:** Connect the five satellite speakers to the corresponding **AUDIO OUTPUT** ports on the rear of the subwoofer unit. Ensure correct polarity (red to red, black to black).
2. **Connect Audio Source (AUX):** For general audio devices (e.g., smartphone, tablet, PC), connect the included 3.5mm to RCA audio cable from your device's audio output to the **AUX AUDIO INPUT** (L/R) ports on the subwoofer.
3. **Connect DVD Player (5.1 Channel):** For a 5.1 channel DVD player or similar device, use the three

included DVD connection cables to connect the corresponding outputs from your DVD player to the **DVD AUDIO INPUT** ports (FL, FR, CEN, SW, SL, SR) on the subwoofer. Match the colors and labels carefully.

4. **Connect FM Antenna:** Insert the FM antenna into the **FM ANT** port on the rear panel. Extend the antenna for better reception.
5. **Power Connection:** Ensure the power switch on the rear panel is in the **OFF** position. Connect the power cord to the **AC IN** port and then plug it into a standard wall outlet.

OPERATING INSTRUCTIONS

1. Power On/Off

- Flip the **POWER SWITCH** on the rear panel to the **ON** position.
- Press the **STANDBY** button on the front panel or the remote control to turn the system on or off.

2. Input Selection

Press the **INPUT** button on the front panel or the remote control repeatedly to cycle through available input modes: **Bluetooth (BT)**, **USB**, **SD**, **FM**, **AUX**, **DVD**.

3. Bluetooth Pairing

1. Select **BT** mode using the **INPUT** button. The display will show "BT" and flash, indicating it's in pairing mode.
2. On your mobile device, enable Bluetooth and search for available devices.
3. Select "BFS-5.1" (or similar) from the list. Once paired, the system will confirm with an audible tone, and "BT" will stop flashing.
4. You can now play audio from your device through the speaker system.

4. USB/SD Playback

1. Insert a USB flash drive or SD card (with MP3 audio files) into the corresponding port on the front panel.
2. Select **USB** or **SD** mode using the **INPUT** button. The system will automatically begin playing audio files.
3. Use the remote control's playback buttons (Play/Pause, Next, Previous) to control playback.

5. FM Radio Operation

1. Select **FM** mode using the **INPUT** button.
2. Press the **AUTO** button on the remote control to automatically scan and save available FM stations.
3. Use the **CH-** / **CH+** buttons to navigate through saved stations.
4. Use the **TUNE-** / **TUNE+** buttons for manual tuning.

6. Volume Control

- Use the **VOL+** / **VOL-** buttons on the front panel or remote control to adjust the master volume.
- The remote control also provides individual volume adjustments for the subwoofer (SW), center (CEN), front left (FL), front right (FR), surround left (SL), and surround right (SR) channels.

7. Remote Control Functions

The remote control provides comprehensive control over the system:

- **Power:** Turns the system on/off (standby).

- **Input Selection:** BT, USB, SD, FM, AUX, DVD.
- **Volume Control:** Master volume and individual channel volume.
- **Playback Controls:** Play/Pause, Next, Previous, Repeat.
- **FM Functions:** Auto scan, Channel selection, Manual tuning.
- **EQ:** Equalizer presets.
- **DISP:** Display brightness/mode.
- **SLEEP:** Sleep timer function.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the surfaces of the speakers and subwoofer. Do not use liquid cleaners or abrasive materials.
- **Ventilation:** Ensure adequate ventilation around the subwoofer unit to prevent overheating. Do not block any ventilation openings.
- **Environment:** Avoid exposing the system to extreme temperatures, humidity, direct sunlight, or dusty environments.
- **Power Off:** When not in use for extended periods, switch off the main power on the rear panel and unplug the system from the wall outlet.

TROUBLESHOOTING

Problem	Possible Cause	Solution
No power	Power cord not connected; Power switch off; Outlet not working	Check power cord connection; Turn power switch ON; Test outlet with another device
No sound	Incorrect input selected; Volume too low; Audio cables loose/incorrectly connected; Source device not playing	Select correct input; Increase volume; Check all audio cable connections; Ensure source device is playing audio
Bluetooth not pairing	System not in BT mode; Device too far; Device already paired to another system	Select BT input; Move device closer (within 10 meters); Disconnect from other devices and try again
Poor FM reception	Antenna not extended; Weak signal	Extend FM antenna fully; Reposition antenna for better signal
Remote control not working	Batteries dead/incorrectly inserted; Obstruction between remote and system	Replace batteries (2x AAA); Ensure correct polarity; Remove obstructions; Point remote directly at the subwoofer's sensor

SPECIFICATIONS

Feature	Specification
Model Name	BFS-5.1 Surround Sound Speaker System

Feature	Specification
Surround Sound Channel Configuration	5.1
Output Power	30W Sub-woofer, 10W per speaker x 5 (80W total)
Frequency Response	40Hz-20KHz
Separation	>50dB
Signal-to-Noise Ratio	75 dB
Subwoofer Diameter	5.25 Inches
Speaker Size (Satellites)	3 Inches
Connectivity Technology	Bluetooth, USB, SD, FM Radio, AUX, DVD
Bluetooth Range	10 Meters
Control Method	Remote
Material	Plastic, Metal
Item Weight	15.45 Pounds
Product Dimensions	11 x 23.5 x 21 inches (overall package)
Power Source	AC Power (Battery Powered for remote)

WARRANTY AND SUPPORT

This product comes with a limited warranty. For specific details regarding warranty coverage, please refer to the documentation included with your purchase or contact beFree Sound customer support.

For technical assistance or further inquiries, please visit the official beFree Sound website or contact their customer service department.
