## SETUP AND FIRST USE

Your Nautica Crew Socks are ready for immediate use. For optimal comfort and hygiene, it is recommended to wash them before the first wear.

### Unpackaging

- Carefully remove the socks from their packaging.
- Remove any plastic tags or fasteners that may be securing the socks together. Exercise caution to avoid damaging the fabric.

## WEARING INSTRUCTIONS

These crew socks are designed to provide a secure and comfortable fit for various activities.

## Proper Fit

- Ensure the heel of the sock is properly aligned with your heel for maximum cushioning and support.
- The mid-calf design provides coverage and helps prevent slipping or bunching during wear.
- These socks are suitable for US shoe sizes 6-12.5. Refer to the size guide for detailed information.

## MAINTENANCE AND CARE

To ensure the longevity and performance of your Nautica Crew Socks, follow these care instructions:

### Washing Instructions

- **Machine Wash:** Wash socks in cold water with similar colors.
- **Detergent:** Use a mild detergent. Avoid using bleach or harsh chemicals, as these can damage the fabric and affect moisture-wicking properties.
- **Drying:** Tumble dry on low heat or air dry to preserve elasticity and prevent shrinking. High heat can degrade the spandex and rubber components.
- **Ironing:** Do not iron.

## TROUBLESHOOTING COMMON ISSUES

Addressing potential concerns to maintain sock quality.

### Shrinking or Loss of Elasticity

- **Cause:** Often due to washing in hot water or drying on high heat.
- **Solution:** Always follow the recommended care instructions: machine wash cold and tumble dry low or air dry.

### Pilling

- **Cause:** Friction during washing or wearing.
- **Solution:** Wash socks inside out to reduce surface friction. Consider using a fabric shaver to remove existing pills.
