GravaStar Sirius Pro P9

GravaStar Sirius Pro P9 True Wireless Earbuds User Manual

Model: Sirius Pro P9

1. INTRODUCTION

The GravaStar Sirius Pro P9 True Wireless Earbuds offer a unique design combined with advanced audio technology. This manual provides essential information for setting up, operating, maintaining, and troubleshooting your earbuds to ensure optimal performance.

2. PACKAGE CONTENTS

Verify that all items listed below are included in your package:

- GravaStar Sirius Pro P9 Earbuds (Left x1, Right x1)
- Charging Case
- Ear Tips x 3 pairs (Small, Medium, Large)
- USB-C Charging Cable
- HipHop Necklace (for carrying the case)

3. PRODUCT OVERVIEW

The Sirius Pro P9 earbuds feature a distinctive sci-fi inspired design with a durable zinc alloy charging case. The earbuds are equipped with Knowles balanced armatures and 7.2mm dynamic drivers for clear audio. The case includes a physical button and a laser-engraved touch panel, along with customizable RGB lighting.

4. SETUP

4.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and charging case. Connect the provided USB-C cable to the charging port on the case and to a power source. The case's LED light strip will indicate charging status and color. A full charge takes approximately 3 hours for the case.

4.2 Bluetooth Pairing

To pair your earbuds with a device:

1. Ensure the earbuds are in the charging case and the case is open.
2. Enable Bluetooth on your smartphone, tablet, or other compatible device.
3. Select "Gravastar Sirius Pro" from the list of available Bluetooth devices.
4. The earbuds will automatically connect.

5. OPERATING INSTRUCTIONS

5.1 Wearing the Earbuds

Choose the ear tips that provide the most comfortable and secure fit for your ears. Gently insert the earbuds into your ear canals. The flexible and soft ear hooks are designed to ensure a stable fit.

Figure 5.1: Proper placement of the earbud in the ear.

5.2 Touch Controls

The earbuds feature sensitive touch controls for managing music, calls, and modes:

- **Single Tap:** Play/Pause music, Answer/End call.
- **Double Tap:** Skip to next track (Right earbud), Go to previous track (Left earbud), Reject call.
- **Triple Tap:** Switch between Gaming, Music, and Movie modes.
- **Long Press (1.5 seconds):** Increase volume (Right earbud), Decrease volume (Left earbud), Activate voice assistant.

5.3 Sound Modes

The Sirius Pro P9 earbuds offer three distinct sound modes:

- **Gaming Mode:** Provides ultra-low latency (65ms) for synchronized audio and visuals during gaming.
- **Music Mode:** Optimized for high-fidelity sound quality with Knowles balanced armatures and 7.2mm dynamic drivers.

- **Movie Mode:** Enhances multi-channel stereo sound for an immersive viewing experience.

Figure 5.2: Overview of available sound modes.

5.4 In-Ear Detection

The earbuds feature in-ear detection. Music playback will automatically pause when an earbud is removed from your ear and resume when re-inserted.

6. Maintenance

6.1 Cleaning

Regularly clean your earbuds and charging case with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials. Remove ear tips and clean them separately with mild soap and water, ensuring they are completely dry before reattaching.

6.2 Water Resistance

The earbuds are IPX5 water resistant, meaning they are protected against low-pressure water jets from any direction. This makes them suitable for use during workouts or in light rain. The charging case is not water resistant; avoid exposing it to liquids.

7. Troubleshooting

- **Earbuds not charging:** Ensure the charging cable is securely connected to both the case and the power source. Check that the earbuds are correctly seated in the charging case. Clean the charging contacts on both the earbuds and the case.

- **Earbuds not pairing:** Ensure Bluetooth is enabled on your device and the earbuds are in pairing mode (usually indicated by a flashing light). Try resetting the earbuds by long-pressing the button on the charging case.

- **Poor sound quality:** Ensure the ear tips provide a good seal in your ear. Try different sized ear tips. Check your device's audio settings and ensure the earbuds are within Bluetooth range.

- **Touch controls unresponsive:** Ensure your fingers are clean and dry. Try restarting the earbuds by placing them in the case and closing it, then reopening.

- **Difficulty removing earbuds from case:** The earbuds are held securely by magnets. Grip them firmly and pull upwards.

8. Specifications

Feature	Specification
Model Name	Sirius Pro P9
