Devoko 2-Piece Patio Furniture Sofa Set User Manual

Model: 1AS0-01

1. INTRODUCTION

Thank you for choosing the Devoko 2-Piece Patio Furniture Sofa Set. This manual provides essential information for the safe assembly, operation, and maintenance of your new outdoor furniture. Please read these instructions carefully before assembly and retain them for future reference.

2. SAFETY INFORMATION

To ensure safe use and longevity of your patio furniture, please observe the following safety guidelines:

- Always assemble the furniture on a flat, stable surface.
- Ensure all bolts and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not exceed the weight capacity of the furniture.
- Keep children and pets supervised around the furniture to prevent entrapment or injury.
- Cover the sofa during rain, snow, or harsh weather conditions to protect the materials.
- Store cushions indoors when not in use to prevent damage from moisture and prolonged sun exposure.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components are present:

- 1 x Corner Sofa Unit
- 1 x Armless Sofa Unit
- Seat and Back Cushions (Red)
- Assembly Hardware (bolts, washers, Allen wrench)
- Installation Instruction Manual (this document)

If any parts are missing or damaged, please contact Devoko customer service for assistance.

4. ASSEMBLY AND SETUP

Assembly of your Devoko patio furniture is designed to be straightforward. An installation manual is included with your purchase. For detailed visual instructions, please refer to the PDF manual available online: [Installation Manual \(PDF\)](#).

Assembly Steps:

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify the frame pieces for the corner sofa and armless sofa.
3. Attach the frame sections using the provided bolts and Allen wrench. **Important:** Do not fully tighten bolts until all pieces are loosely assembled. This allows for proper alignment.
4. Once all frame pieces are in place and aligned, gradually tighten all bolts securely.
5. Place the seat and back cushions onto the assembled sofa units.

Configuration:

The 2-piece set includes a corner sofa and an armless sofa, allowing for flexible arrangement to suit your outdoor space. These units can be positioned together to form a small sectional or used separately.

5. OPERATING INSTRUCTIONS

Your Devoko patio sofa set is designed for comfortable outdoor lounging. The modular design allows for various configurations:

- **Sectional Arrangement:** Combine the corner sofa and armless sofa to create an L-shaped sectional, ideal for corner spaces or defining seating areas.
- **Separate Seating:** Use the corner sofa and armless sofa as individual seating units, providing flexibility for different social settings or smaller spaces.

The cushions are designed for comfort. While the seat cushions may feature anchors to prevent sliding, back cushions may require occasional adjustment.

6. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your Devoko patio furniture:

- **Frame Cleaning:** Wipe the rattan and metal frame with a damp cloth and mild soap. Rinse thoroughly

and dry completely to prevent water spots or rust on metal components.

- **Cushion Care:** The cushions are designed for outdoor use but are not fully waterproof. It is recommended to bring cushions indoors during inclement weather or when not in use for extended periods. Spot clean cushions with a mild detergent and water. Allow to air dry completely before storing or replacing on the furniture.
- **Weather Protection:** Use a furniture cover during heavy rain, snow, or prolonged periods of direct sunlight to protect the materials from fading and wear.
- **Seasonal Storage:** For off-season storage, clean the furniture thoroughly, ensure it is dry, and store it in a cool, dry place, ideally covered.

7. TROUBLESHOOTING

This section addresses common issues you might encounter with your patio furniture.

- **Wobbly Frame:** If the frame feels unstable after assembly, ensure all bolts are fully tightened. Loosen all bolts slightly, gently rock the furniture to settle it, then re-tighten all bolts evenly.
- **Cushions Sliding:** While seat cushions may have anchors, back cushions might shift. Adjust them as needed. Consider adding non-slip mats under the cushions if sliding is persistent.
- **Rattan Damage:** Minor fraying of the PE rattan can sometimes occur. Carefully trim any loose strands with scissors. For significant damage, contact customer service.
