## TecTecTec ULT-G

# TecTecTec ULT-G Ultra-Light Golf GPS Handheld

Instruction Manual - Model: ULT-G

### 1. PRODUCT OVERVIEW

The TecTecTec ULT-G Ultra-Light Golf GPS Handheld is designed to be a perfect companion for golfers seeking essential course information without added bulk. Weighing just 1.09 oz (31 grams), it provides key distances and features to enhance your game.

- **Ultra-Lightweight Design:** Weighing only 1.09 oz (31 grams), it's designed for minimal impact during play.
- **Essential Distance Measurements:** Provides distances to the front, back, and middle of the green, along with hazard distances.
- **Shot Distance Measurement:** Track the distance of your individual shots.
- **Automatic Hole Progression:** The device automatically advances to the next hole as you play.
- **Preloaded Courses:** Access information for over 38,000 courses worldwide.
- **Integrated Clock:** Includes a clock function for timekeeping during your round.
- **Durable and Resistant:** Features a water and dust resistant design for reliability in various conditions.
- **Long Battery Life:** Provides up to 2.5 rounds of battery life on a single charge.

### 2. SETUP AND INITIAL USE

Setting up your ULT-G device is straightforward, designed for quick integration into your golf routine.

#### 2.1 Unboxing and Charging

Upon unboxing, ensure all components are present. The device comes with a charger. Fully charge the device before its first use to ensure optimal battery performance.

Image: A close-up of the ULT-G device's menu screen, showing options like 'PLAY', 'BLUETOOTH', and 'BATTERY'.

## 2.2 Initial Power-On and Course Connection

The ULT-G features a simple five-button navigation system. After initial setup, the device will automatically connect to satellites and display course information with the touch of a button.

Image: The ULT-G device conveniently clipped to a golfer's belt, demonstrating its portability.

### 3. OPERATING INSTRUCTIONS

---

#### 3.1 Distance Measurement

The device provides accurate distances to the front, center, and back of the green. It also displays distances to various hazards on the course.

Image: The ULT-G display showing distances to hazards, labeled as RFB and LFB.

### 3.2 Automatic Hole Progression

The ULT-G automatically recognizes your location and progresses to the next hole as you move through the course, ensuring continuous and seamless information display.

### 3.3 Shot Tracking

Measure the distance of your shots directly on the device to track your performance and improve your game strategy.

## 4. MAINTENANCE AND CARE

To ensure the longevity and optimal performance of your ULT-G device, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to clean the device. Avoid abrasive materials or harsh chemicals.
- **Water and Dust Resistance:** While resistant, avoid submerging the device in water. Ensure the charging port cover is securely closed when not in use.
- **Battery Care:** Charge the device regularly, especially if it will be stored for an extended period.

Avoid fully depleting the battery frequently.

- **Storage:** Store the device in a cool, dry place away from direct sunlight and extreme temperatures.

## 5. TROUBLESHOOTING

If you encounter any issues with your ULT-G device, refer to the following common troubleshooting steps:

- **Device Not Powering On:** Ensure the device is fully charged. Connect it to the charger and wait a few minutes before attempting to power it on again.
- **GPS Signal Issues:** Ensure you are in an open area with a clear view of the sky. Allow the device sufficient time to acquire a satellite signal.
- **Incorrect Distances:** Verify that the device has correctly identified the course and hole you are playing. Ensure the course data is up-to-date.
- **Battery Draining Quickly:** Ensure the device is fully charged before each round. Reduce screen brightness if possible.
- **Device Unresponsive:** Attempt a soft reset by holding down the power button for an extended period (e.g., 10-15 seconds) until the device restarts.

For persistent issues, please contact TecTecTec customer support.

## 6. SPECIFICATIONS

Feature	Detail
Brand	TecTecTec
Model Name	ULT G
Item Weight	4.3 ounces (31 grams)
Package Dimensions	5.08 x 3.98 x 2.91 inches
Batteries	1 Lithium Polymer battery required
Battery Life	Up to 10 Hours (approx. 2.5 rounds)
Connectivity Technology	Bluetooth (wireless)
Screen Size	2 inches
Human Interface Input	Buttons
Color	Green
Map Type	Worldwide (38,000+ courses preloaded)
Included Components	Charger

Manufacturer	TecTecTec
Country of Origin	China
Water Resistance	Yes (Water and dust resistant)
