

## ANRAN S02

# ANRAN S02 Outdoor Security Camera User Manual

Model: S02

## INTRODUCTION

This manual provides comprehensive instructions for the installation, operation, and maintenance of your ANRAN S02 Outdoor Security Camera. Please read this manual carefully before using the product to ensure proper functionality and safety.

The ANRAN S02 is a 2K wireless outdoor security camera featuring a built-in high-capacity battery and a 3W solar panel for continuous power. It offers a 180° horizontal rotation for a 270° wide field of view, PIR human motion detection, two-way audio, and clear night vision up to 20 meters. Its IP65 weatherproof design ensures reliable performance in various outdoor conditions.

## PACKAGE CONTENTS

Before you begin, please verify that all components are present in your package:

## What's in the Box?

**Image:** The image displays the ANRAN S02 camera, a solar panel, a wall mount, a USB charging cable, mounting screws, wall anchors, and a quick start guide, illustrating all items included in the product box.

- ANRAN S02 Security Camera
- Solar Panel (3W)
- Mounting Bracket and Screws
- USB Charging Cable
- User Manual (this document)

## 1. Initial Charging

The camera comes with a built-in high-capacity battery. For optimal performance, fully charge the camera using the provided USB cable before the first use. The solar panel will then provide continuous power, reducing the need for frequent manual recharging.

# 365-Day Non-stop Power

**Image:** This image shows the ANRAN S02 camera installed outdoors with its accompanying solar panel, highlighting its capability for 365-day non-stop power through both battery and solar charging.

## 2. App Installation and Account Setup

Download the official ANRAN app (or CloudEdge app, as supported) from your device's app store. Create an account and follow the in-app instructions to add your camera. Ensure your mobile device is connected to a 2.4 GHz Wi-Fi network during setup (5 GHz Wi-Fi is not supported).

**Image:** This image displays logos for compatibility with Alexa, Google Home, the ANRAN App, and CloudEdge App, along with icons for Google Play and the App Store, indicating where to download the necessary application for camera control.

## 3. Mounting the Camera

Select a suitable outdoor location for installation, ensuring good Wi-Fi signal strength and optimal sunlight exposure for the solar panel. Use the provided mounting bracket and screws to securely attach the camera to a wall or other stable surface. Position the solar panel to receive maximum direct sunlight throughout the day.

**Image:** A detailed view of the ANRAN S02 outdoor security camera, showing its main unit with two antennas and a separate solar panel, both mounted on a white surface, ready for outdoor surveillance.

## OPERATING INSTRUCTIONS

---

### 1. Live View and Pan Rotation

Access the live feed of your camera through the ANRAN app. The camera supports 180° horizontal rotation, allowing you to adjust the viewing angle to cover a 270° super wide field of view. Use the controls within the app to pan the camera as needed.

# Pan Rotation 180°

## 270° Super Wide Field of View

**Image:** This image illustrates the ANRAN S02 camera's 180° pan rotation capability, which expands its coverage to a 270° super wide field of view, depicted with a panoramic scene of a residential neighborhood.

### 2. Smart PIR Human Detection

The camera utilizes PIR (Passive Infrared) motion sensor technology to detect human thermal signatures, minimizing false alarms from pets or inanimate objects. When human motion is detected, the camera will send an immediate alert to your app and record the event. You can adjust sensitivity and customize alarm zones in the app.

# Smart PIR Human Detection

**Image:** An illustration demonstrating the camera's Smart PIR Human Detection feature, showing that it will not trigger an alarm for a dog but will detect and alert for a human presence.

## 3. Night Vision

The ANRAN S02 camera provides clear 2K HD video quality even in complete darkness, with a night vision range of up to 20 meters (65 feet). This ensures continuous monitoring and security around the clock.

# See Clearly In Darkness

**1536P**

*Full HD*

**65ft**

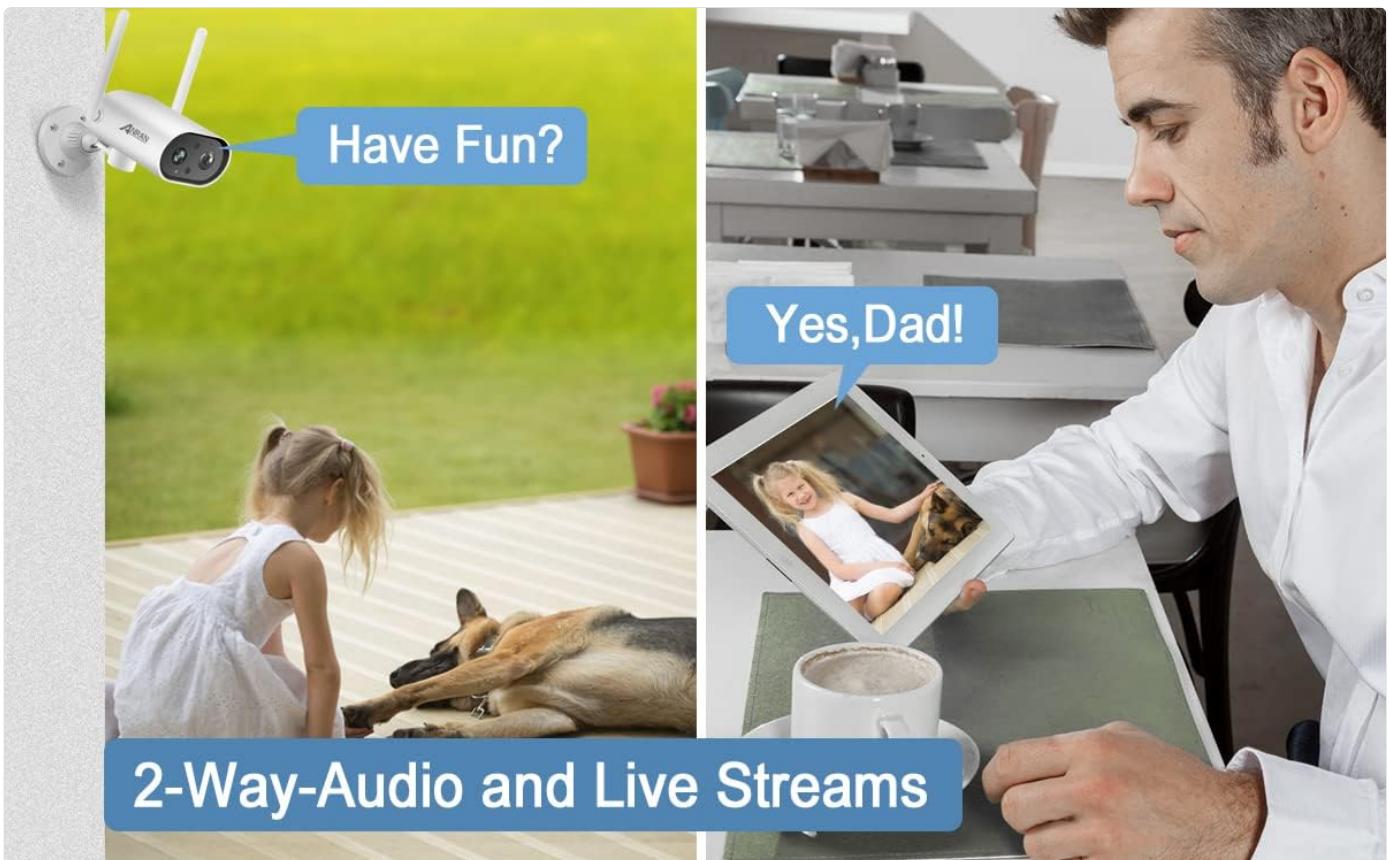

*Night Vision*

**Image:** This image demonstrates the ANRAN S02 camera's night vision capabilities, providing a clear, full HD 1536P view of a house and its surroundings in complete darkness, with a stated range of 65 feet.

## 4. Two-Way Audio and Multi-User Sharing

Communicate with visitors or deter unwanted guests using the built-in microphone and speaker for two-way audio. The app also allows you to share camera access with up to 8 family members simultaneously, enabling collaborative monitoring of your property.

2-Way-Audio and Live Streams

8 Users Live View Simultaneously

**Image:** This image illustrates the ANRAN S02 camera's two-way audio feature, showing a person interacting with a child and dog, and its multi-user live view capability, with up to 8 users simultaneously viewing the camera feed on their devices.

## 5. Storage Options

The camera supports local storage via a Micro SD card (up to 128GB, not included). Additionally, a 7-day free trial for cloud storage is available, providing a secure backup for your recorded footage without hidden costs.

## No Hidden Cost

**Image:** This image highlights the ANRAN S02 camera's storage options, including support for up to a 128GB Micro SD card (not included) and a 7-day free trial for cloud storage, emphasizing no hidden costs.

### Maintenance

Regular maintenance ensures the longevity and optimal performance of your ANRAN S02 camera.

- **Cleaning:** Periodically wipe the camera lens and solar panel with a soft, damp cloth to remove dust, dirt, or debris

that may obstruct vision or reduce charging efficiency. Avoid abrasive cleaners.

- **Weather Protection:** The camera is IP65 weatherproof, designed to withstand extreme weather conditions. However, ensure the charging port cover is securely closed to prevent water ingress.

**IP65 Water-Proof**

**Image:** The image shows the ANRAN S02 camera with water droplets on its surface, visually representing its IP65 waterproof rating and ability to withstand outdoor elements.

- **Battery Health:** While the solar panel provides continuous charging, ensure the camera receives adequate sunlight. If the camera is installed in a shaded area, occasional manual charging may be required to maintain battery health.

## TROUBLESHOOTING

---

If you encounter issues with your ANRAN S02 camera, refer to the following common problems and solutions:

- **Camera Offline:**

- Ensure the camera is within range of your 2.4 GHz Wi-Fi network.
- Check your Wi-Fi router and internet connection.
- Restart the camera and your router.
- If the Wi-Fi signal is weak, consider using a Wi-Fi extender.

- **No Motion Detection/False Alarms:**

- Adjust the PIR sensitivity settings in the app.
- Customize detection zones to focus on areas of interest and exclude busy areas.
- Ensure the camera lens is clean and unobstructed.

- **Poor Night Vision Quality:**

- Clean the camera lens.
- Ensure there are no reflective surfaces close to the camera that might interfere with infrared illumination.

- **Battery Not Charging:**

- Ensure the solar panel is clean and free from obstructions.
- Verify the solar panel is positioned to receive direct sunlight for several hours daily.
- Check the connection between the solar panel and the camera.

- **Cannot Connect to App:**

- Verify you are connecting to a 2.4 GHz Wi-Fi network.
- Ensure the app is updated to the latest version.
- Reset the camera and attempt the pairing process again.

## SPECIFICATIONS

---

Feature	Detail
Model Number	S02
Brand	ANRAN
Connectivity Technology	Wireless (Wi-Fi 2.4 GHz)
Power Source	Battery Powered, Solar Powered
Video Recording Resolution	2K (1536P)
Viewing Angle	180° (Pan Rotation for 270° coverage)
Special Features	Night Vision, PIR Human Detection, Two-Way Audio
Weather Resistance	IP65
Storage	Micro SD (up to 128GB), Cloud Storage

Feature	Detail
Material	Plastic
Dimensions (L x W x H)	25.4 x 5.08 x 6.86 cm
Weight	790 grams

## WARRANTY AND SUPPORT

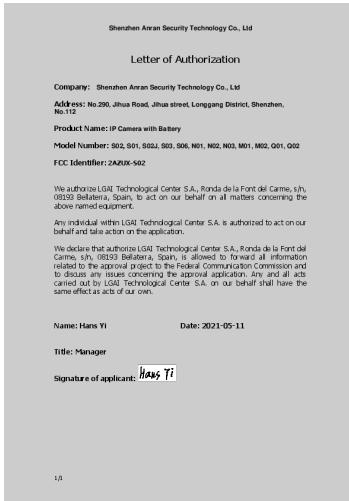

ANRAN is committed to providing excellent customer service and product support.

**Image:** This image features three icons: a shield for a 2-Year Warranty, a headset for Lifetime Tech-support, and a clock for 7x24 Hours Online Service, highlighting ANRAN's commitment to customer support.

- **Warranty:** Your ANRAN S02 camera comes with a 2-year warranty.
- **Technical Support:** ANRAN offers lifetime technical support for its products.
- **Customer Service:** Professional support is available 7 days a week, 24 hours a day. For any installation or operational issues, please contact ANRAN customer service via phone or email. Email responses are typically provided within 24 hours.
- For further assistance, please refer to the contact information provided with your product packaging or visit the official ANRAN website.
