## OPPO 6671370

# OPPO Enco Buds User Manual

Model: 6671370

## INTRODUCTION

---

This manual provides comprehensive instructions for the safe and effective use of your OPPO Enco Buds. Please read this manual thoroughly before operating the device and retain it for future reference.

## PRODUCT OVERVIEW

---

The OPPO Enco Buds are wireless in-ear headphones designed for a stable audio experience with extended battery life and intelligent features. They offer clear sound, low-latency gaming mode, and call noise cancellation.

Image: OPPO Enco Buds in their open charging case, displaying the earbuds ready for use. A small green LED indicates charging status.

Image: A close-up view of the two individual OPPO Enco Buds, highlighting their compact and ergonomic design for comfortable wear.

## SETUP

### Initial Pairing

1. Ensure the charging case is sufficiently charged.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your device (smartphone, tablet, laptop), enable Bluetooth.
4. Search for "OPPO Enco Buds" in the list of available Bluetooth devices.

5. Select "OPPO Enco Buds" to complete the pairing process. A confirmation sound will indicate successful connection.

## Automatic Connection

Once paired, the OPPO Enco Buds will automatically connect to your last paired device when you open the charging case, provided Bluetooth is enabled on the device.

## OPERATING INSTRUCTIONS

---

### Touch Controls

The OPPO Enco Buds feature customizable smart touch controls. You can configure these controls using the HeyMelody app.

- **Play/Pause:** Single tap (default, may vary based on customization).
- **Next Track:** Double tap (default, may vary based on customization).
- **Previous Track:** Triple tap (default, may vary based on customization).
- **Answer/End Call:** Single tap.
- **Reject Call:** Press and hold.
- **Activate Game Mode:** Triple tap (default, may vary based on customization).

*Note: For full customization of touch controls, download and install the HeyMelody app from the Google Play Store.*

### Game Mode

Triple tap your OPPO Enco Buds to activate the 80ms Super Low Latency Game Mode. This mode provides enhanced audio-visual synchronization, ideal for gaming and video playback.

### Call Noise Cancellation

The intelligent DNN model-based algorithm precisely extracts your voice from ambient noise during calls, ensuring clearer conversations even in noisy environments.

## MAINTENANCE

---

### Cleaning

- Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth.
- Remove ear tips and clean them separately with mild soap and water if necessary. Ensure they are completely dry before reattaching.
- Do not use abrasive cleaners or solvents.

### Charging

Place the earbuds back into the charging case to charge them. The case itself can be charged via a USB-C cable. A 15-minute charge provides approximately one hour of playback.

### Water and Dust Resistance

The OPPO Enco Buds are IP54 certified for dust and water resistance. This means they are protected against limited dust ingress and water splashes from any direction. They are suitable for use during exercise and in light rain, but should not be submerged in water.

## TROUBLESHOOTING

---

- **Earbuds not connecting:** Ensure Bluetooth is enabled on your device and the earbuds are charged. Try placing them back in the case, closing it, and reopening it.
- **Sound issues (low volume, distortion):** Check the volume settings on your device. Ensure earbuds are clean and properly seated in your ears.
- **One earbud not working:** Place both earbuds back in the case, close it for a few seconds, then reopen. Re-pair if necessary.
- **Touch controls unresponsive:** Ensure earbuds are clean. Check HeyMelody app for any custom settings that might be interfering.
- **Battery draining quickly:** Ensure earbuds are fully charged. Reduce usage of high-drain features like Game Mode if not needed.

If issues persist, refer to the official OPPO support website or contact customer service.

## SPECIFICATIONS

Feature	Detail
Model Name	OPPO Enco Buds
Model Number	6671370
Connectivity	Bluetooth 5.2
Driver Size	8 mm Dynamic Driver
Audio Encoding	AAC
Battery Life (Earbuds + Case)	Up to 24 hours
Quick Charge	15 minutes for 1 hour playback
