## PURPLE LEAF B09GBC727Q

# PURPLE LEAF Outdoor Chaise Lounge Chairs Instruction Manual

Model: B09GBC727Q

## INTRODUCTION

---

Thank you for choosing the PURPLE LEAF Outdoor Chaise Lounge Chairs. This manual provides essential information for the safe assembly, operation, and maintenance of your new lounge chairs. Please read these instructions carefully before use and retain them for future reference.

These outdoor chaise lounge chairs are designed for comfort and durability, featuring a powder-coated aluminum frame and eco-friendly seaweed wicker. They are equipped with an adjustable backrest and wheeled feet for easy repositioning.

## SETUP AND ASSEMBLY

---

Your PURPLE LEAF Outdoor Chaise Lounge Chairs require assembly. Illustrated instructions and all necessary tools are included in the package. For optimal results and ease of assembly, we recommend the following:

1. **Unpack and Verify:** Carefully unpack all components and compare them against the parts list provided in the instruction manual. Ensure all pieces are present and undamaged.
2. **Prepare Workspace:** Choose a clean, flat, and spacious area for assembly. Lay out a protective sheet to prevent scratches to the furniture or your floor.
3. **Review Instructions:** Read the entire instruction manual thoroughly before beginning. Pay close attention to diagrams and part orientations. Some users have found the instructions challenging, so careful review is crucial.
4. **Team Assembly Recommended:** While possible to assemble alone, having a second person can significantly ease the process, especially when aligning parts and tightening fasteners.

5. **Fastener Caution:** Do not fully tighten all screws until the entire unit is assembled and stable. This allows for minor adjustments to ensure proper alignment.

## OPERATING INSTRUCTIONS

---

The PURPLE LEAF Outdoor Chaise Lounge Chairs are designed for user-friendly operation.

### Adjusting the Backrest

The backrest offers 4 reclining positions to suit your comfort needs, whether you are reading, relaxing, or sunbathing. To adjust the backrest:

1. Gently lift the backrest to disengage it from its current position.
2. Move the backrest to your desired angle.
3. Ensure the support bar securely locks into one of the four notches on the frame.

## Moving the Chaise Lounge

The lounge chairs feature wheeled metal feet for convenient mobility.

- To move the chair, slightly lift the front end and roll it to your desired location using the wheels at the back.
- The lightweight aluminum frame also contributes to easy repositioning.

## CARE AND MAINTENANCE

---

Proper care will extend the life and appearance of your PURPLE LEAF Outdoor Chaise Lounge Chairs.

### Cleaning

- **Frame:** Clean the powder-coated aluminum frame with a soft cloth, mild soap, and water. Rinse thoroughly and dry completely to prevent water spots.
- **Wicker:** The eco-friendly seaweed wicker can be cleaned with a soft brush or cloth, mild soap, and water. Rinse well to remove any soap residue.
- **Quick-Dry Sponge Padding:** The integrated quick-dry sponge padding is designed to dry quickly. For cleaning, gently blot any spills and allow to air dry. Avoid harsh chemicals.

## Weather Protection

- Although the materials are weather-resistant, prolonged exposure to extreme weather conditions (heavy rain, snow, intense sun) can affect durability.
- Consider using outdoor furniture covers or storing the chairs in a sheltered area during off-seasons or severe weather to protect the materials and extend their lifespan.

## TROUBLESHOOTING

---

Here are solutions to common issues you might encounter:

- **Difficulty during Assembly:** If you encounter issues with parts not aligning or screws not fitting, re-check the instruction manual diagrams carefully. Ensure you are using the correct fasteners for each step and that components are oriented correctly. Loosen previously tightened screws to allow for adjustment, then re-tighten once everything is aligned.
- **Wicker or Fabric Wear:** Over time, outdoor furniture can show signs of wear, especially if exposed to harsh elements continuously. Refer to the 'Care and Maintenance' section for tips on protecting your chairs. If

significant wear occurs, contact customer support for potential solutions or replacement parts.

- **Chair Instability:** Ensure all fasteners are securely tightened. Check that the adjustable backrest mechanism is fully engaged in one of the locking positions. The triangular structure is designed for stability up to 330 lbs.
