Gillette Labs Rapid Foaming Shaving Gel User Manual

Model: 80364057

1. PRODUCT OVERVIEW

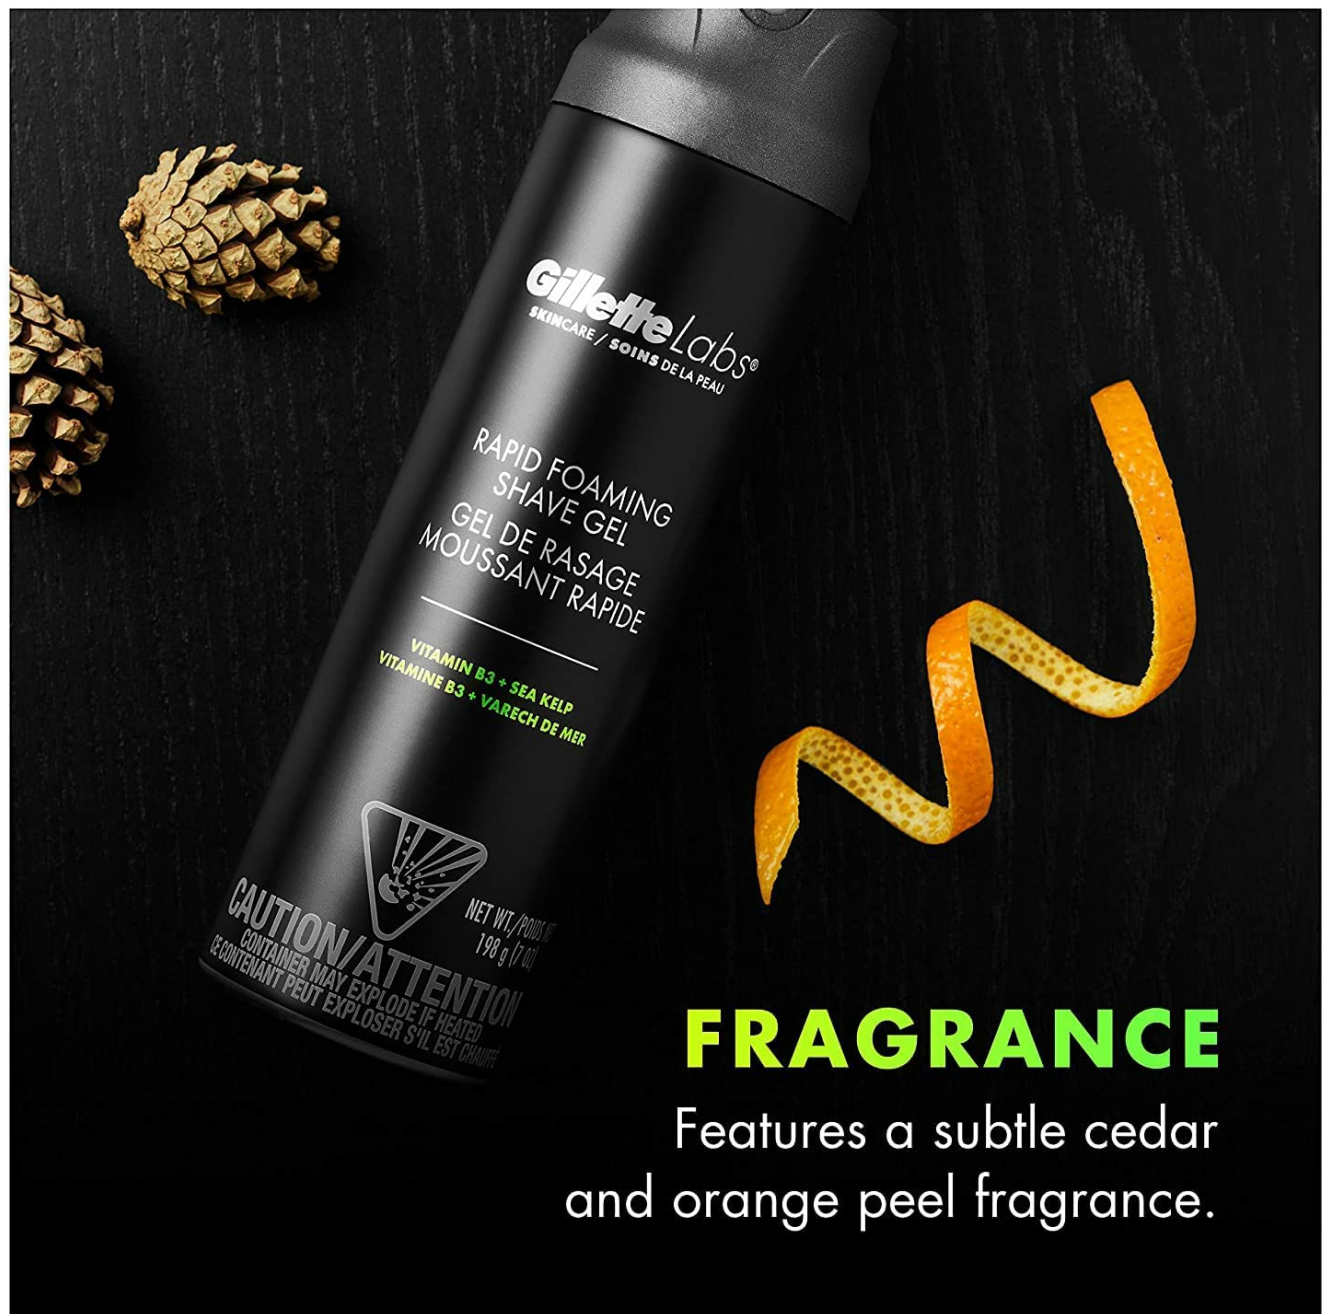

The Gillette Labs Rapid Foaming Shaving Gel is designed for men's shaving needs. This gel cools and soothes the skin, helping to protect against shaving irritation. It is formulated without alcohol, dyes, or parabens, and includes Vitamin B3 and Sea Kelp.

Key Features:

- **Rapid Foaming:** Quickly creates a rich lather and rinses off easily without leaving sticky residue.
- **Skin Comfort:** Cools and soothes skin, formulated with sea kelp, Vitamin B3, and free from alcohol, dyes, and parabens.
- **Skin Protection:** Facilitates seamless razor glide to help protect skin from irritation during shaving.
- **Refreshing Fragrance:** Features a light scent of cedar wood and orange peel.

Image 1: Front view of the Gillette Labs Rapid Foaming Shaving Gel can.

FRAGRANCE

Features a subtle cedar
and orange peel fragrance.

Image 2: The shaving gel can surrounded by pinecones and an orange peel, highlighting its cedarwood and orange peel fragrance.

Sea kelp

Vitamin B3

SKIN COMFORT

Cools to help soothe the skin
and is made without dyes or alcohol.

Image 3: A man gently applying the shaving gel to his cheek, emphasizing the skin comfort benefits with icons for Sea Kelp and Vitamin B3.

**DISCOVER
THE NEXT
GENERATION
OF SHAVING**

Image 4: A Gillette Labs razor and the rapid foaming shaving gel displayed on a modern countertop, representing the next generation of shaving.

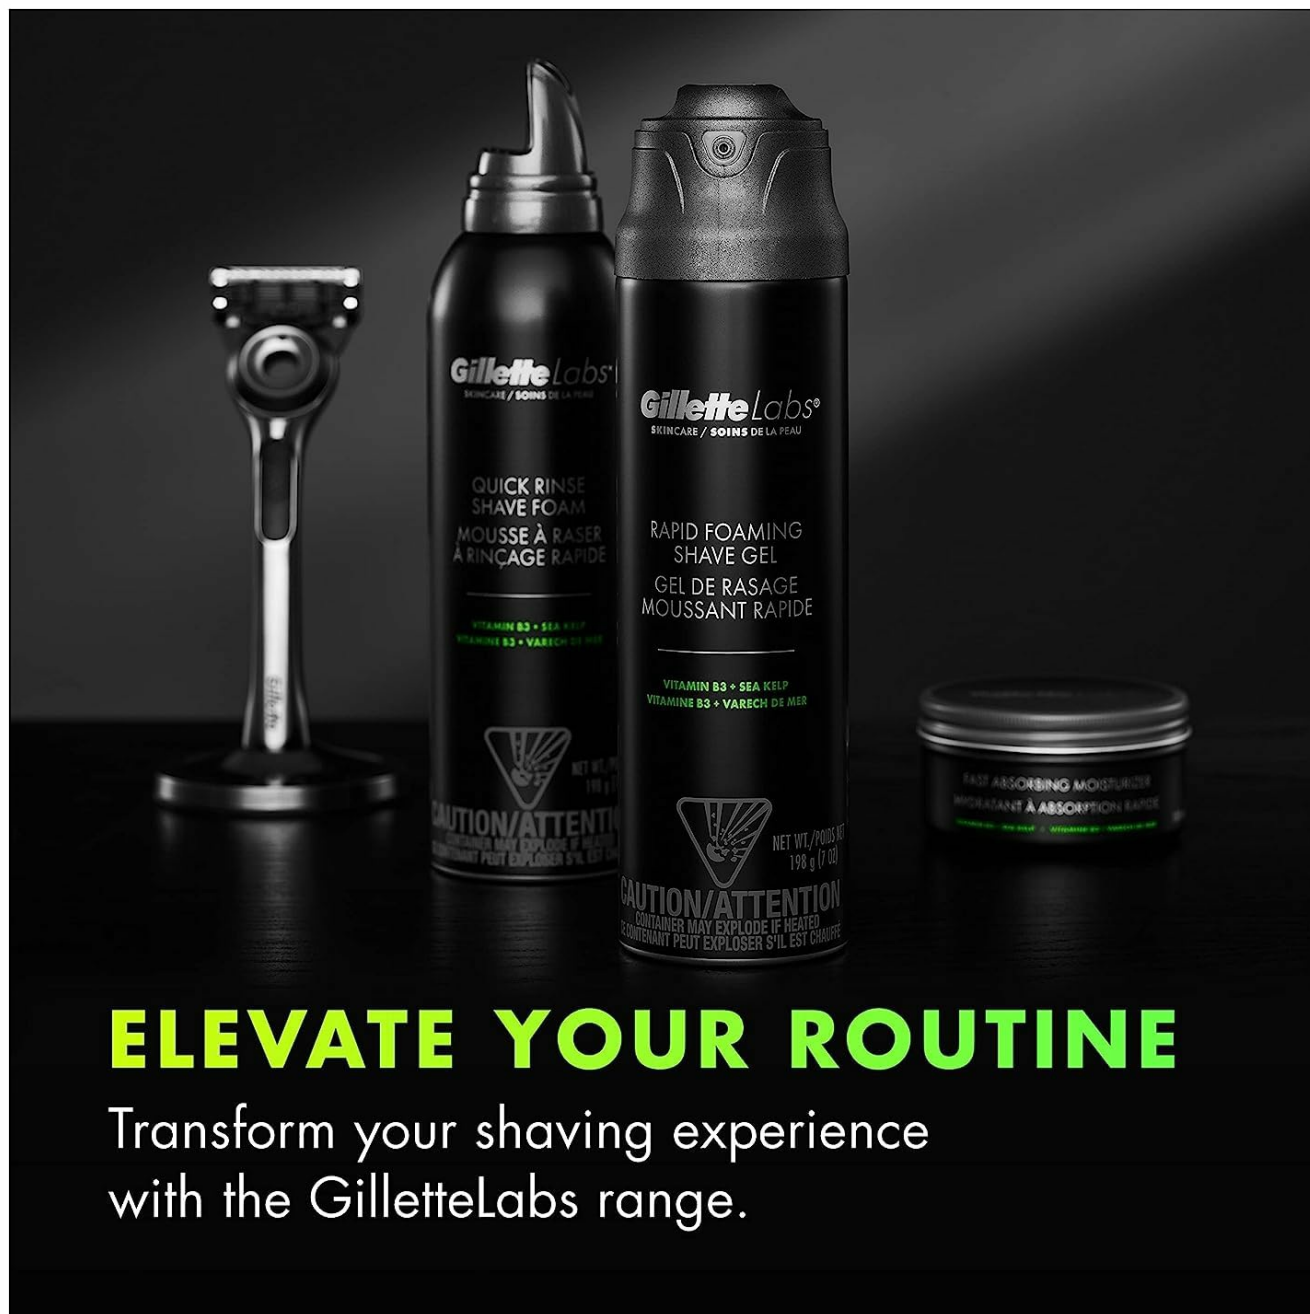

Image 5: An assortment of Gillette Labs shaving products, including the rapid foaming shave gel, quick rinse shave foam, and rapid absorbing moisturizer, alongside a Gillette Labs razor, suggesting an elevated shaving routine.

2. SAFETY INFORMATION

Please read and adhere to the following safety guidelines before using the product:

- Contents are under pressure. Do not place in hot water or near radiators, stoves, or other sources of heat.
- Do not puncture or incinerate the container.
- Do not store at temperatures over 48°C (120°F).
- Keep out of reach of children.

3. INGREDIENTS

The shaving gel contains the following ingredients:

Water/Eau, Palmitic Acid, Triethanolamine, Isopentane, Glyceryl Oleate, Stearic Acid, Glycerin, Fragrance/Parfum, Isobutane, Sorbitol,

Hydroxyethylcellulose, PEG-45M, Menthol, Bisabolol, PVM/MA Copolymer, Sodium PEG-7 Olive Oil Carboxylate, Glyceryl Acrylate/Acrylic Acid Copolymer, Panthenol, Niacinamide, Zingiber Officinale (Ginger) Root Extract, Laminaria Saccharina Extract.

4. USAGE INSTRUCTIONS

4.1. Preparation

Ensure your skin is clean and damp before application. For best results, shave after a warm shower.

4.2. Application

1. Shake the can well before use.
2. Dispense a small amount of gel onto your fingertips.
3. Apply the gel evenly to the area to be shaved. The gel will rapidly foam into a rich lather.

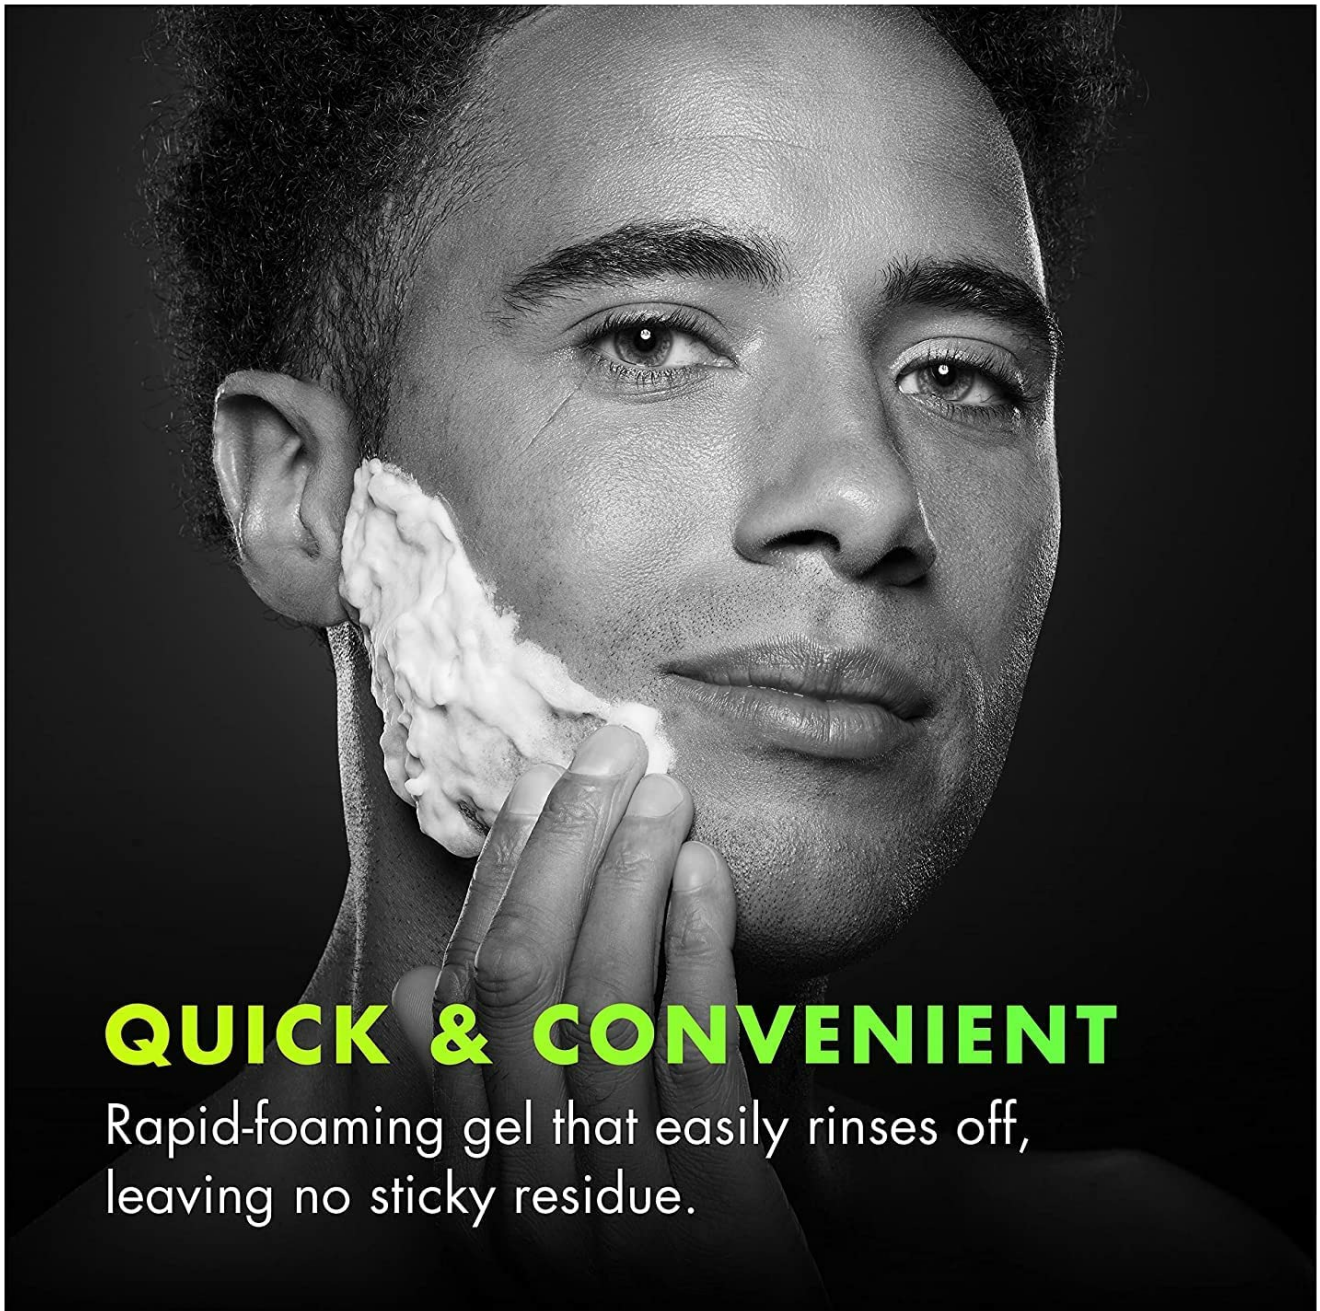

Image 6: A man applying the rapid foaming shaving gel to his face, demonstrating its quick and convenient application.

4.3. Shaving

Proceed with your shave using a suitable razor. The gel provides lubrication for a smooth glide and helps protect against irritation.

SKIN PROTECTION

Helps ensure seamless razor glide and protects your skin while shaving.

Image 7: A man using a razor to shave his face, illustrating how the shaving gel provides skin protection during the shaving process.

Image 8: A man shaving his face with a Gillette razor, demonstrating the product in use for a clean shave.

4.4. Post-Shave

After shaving, rinse your face thoroughly with water to remove any remaining gel.

5. STORAGE AND MAINTENANCE

Store the product in a cool, dry place, away from direct sunlight and heat sources. Do not expose to temperatures exceeding 48°C (120°F). Ensure the cap is securely closed after each use to prevent drying.

6. TROUBLESHOOTING

This product is designed for straightforward use. If you experience any issues such as difficulty dispensing or skin irritation, please review the "Safety Information" and "Ingredients" sections. Ensure the can is not damaged and stored correctly. If irritation persists, discontinue use.
