HOMCOM 835-468V80

HOMCOM Farmhouse Sideboard Buffet Cabinet

Model: 835-468V80

Brand: HOMCOM

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your new HOMCOM Farmhouse Sideboard Buffet Cabinet. Please read all instructions carefully before assembly and use to ensure safe and proper functionality of the product. Keep this manual for future reference.

SAFETY INFORMATION

WARNING: To prevent tipping, this furniture must be permanently attached to the wall.

- Always secure the cabinet to the wall using the provided anti-tipping hardware to prevent accidental tipping, especially in households with children or pets.
- Be aware of the weight capacity of the cabinet and its shelves. Do not exceed the maximum load limits specified in the 'Specifications' section.
- Distribute weight evenly on shelves and in the drawer to maintain stability.
- Keep small parts and packaging materials away from children during assembly.
- Ensure all screws and fasteners are tightened securely before use. Periodically check and re-tighten as necessary.

ANTI-TIPPING

Features an anti-tipping design and can be fixed to the wall to prevent it from tipping over

SETUP AND ASSEMBLY

Assembly of this cabinet is required. It is recommended to have two people for assembly. Ensure you have ample space and a clean, soft surface to prevent scratching the furniture during assembly.

Before You Begin:

1. **Unpack All Components:** Carefully remove all parts from the packaging and lay them out on a soft, clean surface.
2. **Verify Parts:** Compare all components and hardware against the parts list (typically included in a separate sheet with the product). Contact customer support immediately if any parts are missing or damaged.
3. **Gather Tools:** Ensure you have the necessary tools for assembly (e.g., screwdriver, hammer, Allen wrench if not provided).

Assembly Steps:

Follow the step-by-step diagrams and instructions provided in the separate assembly guide that came with your product. General steps include:

- Assemble the main frame of the cabinet.
- Install the drawer slides and assemble the drawer.
- Attach the back panel.
- Install the adjustable shelves.
- Attach the barn doors and their hardware.
- Install the anti-tipping device to the cabinet and secure it to a wall stud.

Image: Diagram showing the overall dimensions of the cabinet: 31.5 inches wide, 15.75 inches deep, and 31.5 inches high.

OPERATING AND FEATURES

Your HOMCOM Farmhouse Sideboard Buffet Cabinet is designed for versatile storage and display in various rooms.

Key Features:

- **Top Drawer:** A spacious drawer provides convenient storage for smaller items, keeping them organized and out of sight.

- **Barn Doors:** The two front barn-style doors slide smoothly to reveal the main storage compartment.
- **Adjustable Shelf:** The interior features a 3-level adjustable shelf, allowing you to customize the storage space to accommodate items of various heights.
- **Magnetic Door Catch:** Ensures the barn doors remain securely closed when not in use.

Usage:

- **Living Room:** Ideal for storing media accessories, books, or decorative items.
- **Entryway:** Use as a console table for keys, mail, and other essentials.
- **Dining Room/Kitchen:** Functions as a buffet table, coffee bar cabinet, or storage for kitchenware and pantry items.

AMPLE STORAGE

Ideal to store your food, snacks, utensils and kitchenware

DETAILS

Image: Detailed view highlighting the magnetic door catch mechanism and the decorative crossback design on the barn doors.

CARE AND MAINTENANCE

Proper care will extend the life and appearance of your cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or warping of the engineered wood.
- **Heat and Moisture:** Avoid placing hot items directly on the surface. Use coasters or protective pads. Keep the cabinet away from direct sunlight and excessive moisture to prevent fading or damage.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Re-tighten as needed to maintain stability.
- **Moving:** When moving the cabinet, always lift it rather than dragging it to prevent damage to the legs and frame.

TROUBLESHOOTING

If you encounter any issues with your cabinet, refer to the following common solutions:

Problem	Possible Cause	Solution
Cabinet is wobbly or unstable.	Loose fasteners; uneven floor.	Ensure all screws are tightened. Use furniture levelers or shims under the legs if the floor is uneven. Verify anti-tipping device is securely installed.
Drawer sticks or does not slide smoothly.	Misaligned drawer slides; debris in tracks.	Check that drawer slides are correctly aligned and securely attached. Clean tracks of any dust or debris. Apply a small amount of silicone lubricant if necessary.
Barn doors do not slide smoothly or close properly.	Misaligned tracks or rollers; obstruction.	Inspect the door tracks and rollers for any obstructions or misalignment. Ensure all door hardware is securely fastened.
Magnetic door catch not holding.	Misaligned catch; weak magnet.	Adjust the position of the magnetic catch and strike plate to ensure proper alignment.

SPECIFICATIONS

Attribute	Detail
Model Name	Sideboard
Model Number	835-468V80
Brand	HOMCOM
Color	Grey
Product Dimensions (D x W x H)	15.75" x 31.5" x 31.5" (31.5"D x 15.75"W x 31.5"H)
