MAINTENANCE

- **Cleaning:** To clean the puzzle pieces, gently wipe them with a slightly damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the wood and printed images.
- **Drying:** After cleaning, ensure all pieces are thoroughly air-dried before storing to prevent moisture damage or mold growth.
- **Storage:** Store the puzzle in its original box or a suitable container in a cool, dry place. Keep away from direct sunlight or heat sources to prevent warping or fading of the colors.

TROUBLESHOOTING

- **Missing Pieces:** In the rare event of a missing piece, please contact iPlay, iLearn customer support for assistance.
- **Difficulty Assembling:** If a child is struggling with assembly, encourage them to use the 1:1 scale guidebook. Suggest starting with the outer edge pieces or focusing on smaller sections of the puzzle. Breaking down the task into smaller steps can make it more manageable.
- **Pieces Not Fitting:** Ensure pieces are correctly oriented. While the pieces are designed to fit snugly, forcing them can cause damage.
