MIATONE Austin

MIATONE Austin Bluetooth 5.1 Wireless Earbuds User Manual

Model: Austin

INTRODUCTION

Thank you for choosing the MIATONE Austin Bluetooth 5.1 Wireless Earbuds. This manual provides essential information for setting up, operating, and maintaining your earbuds to ensure optimal performance and longevity. Please read it thoroughly before use.

WHAT'S IN THE BOX

- MIATONE Austin Wireless Earbuds (Left and Right)
- Charging Case
- USB-C Charging Cable
- User Manual
- Ear Tips (various sizes)

PRODUCT OVERVIEW

The MIATONE Austin earbuds feature a rubber oil coating for a comfortable, non-slip grip and a low-profile matte finish. The compact charging case provides extended battery life.

12MM TRIBLE DYNAMIC DRIVER

the driver area is 1.77 times
than the normal driver area

CHARGING THE EARBUDS AND CASE

Before first use, fully charge the earbuds and charging case. The charging case uses a USB-C port.

1. Connect the USB-C charging cable to the charging port on the case and to a power source.

2. The indicator lights on the case will show the charging status.
3. A full charge for the case and earbuds takes approximately 1.5 hours.

The earbuds provide up to 9 hours of playtime on a single charge, with the charging case extending total playtime to approximately 40 hours.

PAIRING THE EARBUDS

The MIATONE Austin earbuds feature automatic power-on and pairing for convenience.

1. Initial Pairing:

- Open the charging case. The earbuds will automatically power on and enter pairing mode.

- On your device (smartphone, tablet, etc.), enable Bluetooth.
- Search for "MIATONE Austin" in the list of available Bluetooth devices and select it to connect.
- Once connected, you will hear a confirmation tone.

2. Automatic Reconnection:

- After initial pairing, the earbuds will automatically reconnect to the last paired device when taken out of the charging case.

OPERATING THE EARBUDS

Touch Controls

The MIATONE Austin earbuds feature intuitive touch controls for managing audio playback, calls, and voice assistant functions.

The image features a large, light blue '40' in the background. In the foreground, there are two black earbuds: one is shown from the side with two gold dots, and the other is shown from the top with the 'miatone' logo and a small white dot. Below the earbuds is an open black charging case with the 'miatone' logo on the front. At the bottom, there is a lightning bolt icon followed by the text '9 Hours From a Single Charge'.

Earbud Touch Control Functions

Action	Function
Single Tap	Play/Pause music, Answer/End call
Double Tap (Left Earbud)	Previous Track
Double Tap (Right Earbud)	Next Track
Triple Tap	Activate Voice Assistant
Long Press (Left Earbud)	Volume Down
Long Press (Right Earbud)	Volume Up

Wearing the Earbuds

Insert the earbuds into your ears and gently rotate them to find a comfortable and secure fit. A proper seal is crucial for optimal sound quality and noise isolation.

HEARING PROTECTION

The MIATONE Austin earbuds are designed with a 94dB hearing protection limit to safeguard your hearing during extended listening periods. This feature helps prevent potential damage from excessively loud volumes.

CALL FUNCTIONALITY

Equipped with CVC8.0 technology, the earbuds provide clear call quality by reducing background noise.

Image: Two people conversing while wearing MIATONE Austin earbuds, emphasizing "Smoother Calls" and "Clarity UP" with CVC8.0 technology.

The earbuds also feature a great noise-isolating seal to block out annoying background noise, further enhancing your listening and call experience.

MAINTENANCE AND CARE

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Ear Tips:** Remove ear tips and clean them with water and mild soap if necessary. Ensure they are completely dry before reattaching.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged.
- **Water Resistance:** The earbuds are waterproof. However, avoid prolonged submersion in water and ensure they are dry before placing them back in the charging case or charging.

TROUBLESHOOTING

Common Issues and Solutions

Problem	Solution
Earbuds not pairing/connecting	<ul style="list-style-type: none">◦ Ensure earbuds are charged.◦ Turn off and on Bluetooth on your device.◦ Forget "MIATONE Austin" from your device's Bluetooth list and re-pair.◦ Place earbuds back in the case, close, wait a few seconds, then open again.
Only one earbud working	<ul style="list-style-type: none">◦ Ensure both earbuds are charged.◦ Place both earbuds back in the charging case, close the lid, then open it again to reset their connection.◦ Try re-pairing the earbuds with your device.
No sound or low volume	<ul style="list-style-type: none">◦ Adjust volume on both your device and using the earbud touch controls.◦ Ensure earbuds are properly seated in your ears for a good seal.◦ Check if the earbuds are connected to the correct device.
Charging case not charging	<ul style="list-style-type: none">◦ Ensure the USB-C cable is securely connected to both the case and the power source.◦ Try a different USB-C cable or power adapter.
