DORTALA DO-HW60292BK-CA

DORTALA Wall-Mounted Floating Desk

MODEL: DO-HW60292BK-CA

Introduction

The DORTALA Wall-Mounted Floating Desk is designed to provide a space-saving and functional work surface or storage solution for various rooms. This manual provides essential instructions for the assembly, installation, operation, and maintenance of your desk to ensure safe and effective use.

Setup and Installation

Carefully unpack all components and verify against the parts list provided in your product packaging. Ensure all hardware is present before beginning assembly.

Tools Required:

- Screw Driver
- Drill (for wall mounting)
- Level
- Measuring Tape

Assembly Steps:

1. Follow the detailed assembly instructions included with your product hardware.
2. Ensure all connections are secure but do not overtighten screws until the desk is fully assembled.

Wall Mounting Instructions:

Proper wall mounting is crucial for the stability and safety of your floating desk. It is recommended that two people perform the installation.

1. **Choose Location:** Select a suitable wall type, such as a concrete wall or brick wall, that can securely support the desk's weight (42 lbs) plus its maximum load capacity (44 lbs). Avoid mounting on drywall without locating studs or using appropriate heavy-duty anchors (not included).
2. **Determine Height:** Decide on the desired floating height for the desk. Use a level and measuring tape to mark the precise positions for the mounting hardware.
3. **Install Brackets:** Drill pilot holes according to the marked positions and securely attach the provided hanging

kits/brackets to the wall using appropriate screws and anchors.

4. **Mount Desk:** Carefully lift the assembled desk and align it with the installed wall brackets. Secure the desk to the brackets as per the specific instructions provided in your hardware kit.
5. **Verify Stability:** Gently test the desk's stability before placing any items on it. Ensure all connections are firm and the desk is level.

Operating Instructions

The DORTALA Wall-Mounted Floating Desk offers a versatile surface and storage for various uses.

Work Surface Usage:

The ample 41.5" x 21" work surface is suitable for placing laptops, monitors, keyboards, and other office or study essentials. Ensure items are placed evenly to distribute weight.

Ample 41.5" x 21" Work Surface

Fit your monitor, laptop, and working essentials with room to spare

Storage Compartments:

Utilize the three open compartments located beneath the main surface for organizing books, magazines, computer accessories, files, and stationery. These compartments help keep your workspace tidy and items within easy reach.

3-Cube Storage

Make daily items organized and within reach

Image: 3-Cube Storage. This image highlights the three open storage compartments, demonstrating how they can be used to organize various items like books, computer accessories, and stationery.

Weight Capacity:

The desk is designed to support a maximum weight of **44 lbs (20 kg)**. Do not exceed this limit to prevent damage to the desk or potential injury.

Maintenance

Regular maintenance will help preserve the appearance and functionality of your DORTALA Wall-Mounted Floating Desk.

- **Cleaning:** Wipe the desk surface and compartments with a soft, dry cloth. Avoid using abrasive cleaners, harsh chemicals, or excessive moisture, as these can damage the matte finish.
- **Inspection:** Periodically check all mounting hardware and assembly screws to ensure they remain tight and secure. Retighten if necessary to maintain stability.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause fading or discoloration of the finish.

Troubleshooting

If you encounter any issues with your desk, refer to the following common solutions:

- **Desk feels unstable after mounting:**
 - Ensure all wall mounting screws and anchors are securely fastened and appropriate for your wall type.
 - Verify that all internal assembly screws are tightened.
 - Re-check the levelness of the desk during installation.
- **Scratches or marks on the surface:**
 - For minor marks, gently wipe with a soft, dry cloth.
 - Avoid dragging sharp or heavy objects across the surface.
- **Difficulty during assembly:**
 - Refer to the step-by-step assembly instructions provided with the hardware.
 - Ensure all parts are correctly oriented before tightening screws. Do not force components together.

Specifications

Brand	DORTALA
Model Number	DO-HW60292BK-CA
Product Dimensions (D x W x H)	42.5" x 21" x 20.5"
Color	Black
Material	Engineered Wood (MDF)
Finish Type	Matte
Item Weight	42 Pounds
Maximum Weight Recommendation	44 Pounds
Number of Open Shelves	3
Mounting Type	Wall Mount
Assembly Required	Yes
Tools Recommended For Assembly	Screw Driver
Product Care Instructions	Wipe with Dry Cloth

Warranty and Support

For warranty inquiries, product support, or to report missing/damaged parts, please contact DORTALA customer service. Refer to your purchase documentation or the DORTALA official website for specific warranty terms and contact information.

ASK A QUESTION ABOUT THIS MANUAL
