Lazmin112 V12

Lazmin112 V12 Professional Bluetooth Headset User Manual

Model: V12

1. INTRODUCTION

Thank you for choosing the Lazmin112 V12 Professional Bluetooth Headset. This manual provides essential information for setting up, operating, and maintaining your headset to ensure optimal performance and longevity. Please read this manual carefully before use.

Package Contents:

- 1 x V12 Bluetooth Headset
- 2 x Replacement Ear Tips
- 1 x Charging Cable
- 1 x User Manual

2. SAFETY INFORMATION

To ensure safe and proper use of your headset, please observe the following precautions:

- Do not expose the headset to extreme temperatures, humidity, or corrosive environments.
- Avoid dropping or subjecting the headset to strong impacts.
- Do not attempt to disassemble or modify the headset. This will void the warranty.
- Keep the headset away from children and pets.
- Use only the provided charging cable or a certified equivalent.
- Prolonged exposure to loud sounds may cause hearing damage. Adjust volume to a comfortable level.

3. PRODUCT OVERVIEW

The Lazmin112 V12 is a professional single-ear Bluetooth headset designed for comfort and clear communication. It features an ergonomic ear-hook design and intuitive controls.

4. SETUP

4.1 Charging the Headset

Before first use, fully charge your V12 headset. Connect the provided charging cable to the headset's charging port and a USB power source (e.g., computer, wall adapter). The LED indicator will show charging status. A full charge takes approximately 1 hour.

- **Charging Time:** Approximately 1 hour
- **Battery Capacity:** 300 mAh

4.2 Pairing with a Bluetooth Device

To connect your V12 headset to your smartphone or other Bluetooth-enabled device:

1. Ensure the headset is turned off.
2. Press and hold the multi-function button on the headset until the LED lights flash red and blue alternately. This indicates the headset is in pairing mode.
3. On your device, enable Bluetooth and search for available devices.
4. Select "V12" from the list of found devices.
5. Once connected, the LED indicator on the headset will typically flash blue slowly or turn off, depending on the model.

6. The headset supports Bluetooth 5.2 and has a connection distance of approximately 10 meters (33 feet).

5. OPERATING INSTRUCTIONS

5.1 Power On/Off

- **Power On:** Press and hold the multi-function button for approximately 3 seconds until you hear a power-on prompt and the LED flashes blue.
- **Power Off:** Press and hold the multi-function button for approximately 5 seconds until you hear a power-off prompt and the LED turns off.

5.2 Call Management

- **Answer/End Call:** Short press the multi-function button.
- **Reject Call:** Press and hold the multi-function button for approximately 2 seconds.
- **Redial Last Number:** Double-press the multi-function button.

5.2 Bluetooth CVC digital noise reduction technology + high-definition silicon microphone filter external noise, clear as face-to-face talks.

5.3 Music Playback

- **Play/Pause:** Short press the multi-function button.
- **Next Track:** Press and hold the "+" volume button.
- **Previous Track:** Press and hold the "-" volume button.

5.4 Volume Control

- **Increase Volume:** Short press the "+" volume button.
- **Decrease Volume:** Short press the "-" volume button.

5.5 Battery Display

The V12 headset features an intelligent LED digital display to show the real-time battery level, allowing you to monitor power intuitively.

6. MAINTENANCE

Proper care will extend the life of your Lazmin112 V12 headset:

- **Cleaning:** Wipe the headset with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- **Storage:** Store the headset in a cool, dry place away from direct sunlight and extreme temperatures.
- **Ear Tips:** Regularly clean or replace ear tips for hygiene and optimal sound quality.
- **Charging:** Avoid overcharging. Disconnect the charger once the headset is fully charged.

7. TROUBLESHOOTING

If you encounter issues with your V12 headset, refer to the following common problems and solutions:

Problem	Solution
Headset does not power on.	Ensure the headset is fully charged. Connect it to a power source and try again.
Cannot pair with device.	<ul style="list-style-type: none">◦ Ensure the headset is in pairing mode (red and blue LEDs flashing).◦ Make sure Bluetooth is enabled on your device.◦ Move the headset closer to your device (within 10 meters).◦ Turn off and on both the headset and your device's Bluetooth.◦ Clear previous Bluetooth connections on your device if necessary.
No sound or poor sound quality.	<ul style="list-style-type: none">◦ Check the volume levels on both the headset and your connected device.◦ Ensure the headset is properly connected to your device.◦ Try re-pairing the headset.◦ Ensure there are no obstructions between the headset and your device.
Headset disconnects frequently.	<ul style="list-style-type: none">◦ Ensure the headset is within the 10-meter Bluetooth range of your device.◦ Avoid strong electromagnetic interference.◦ Ensure the headset is sufficiently charged.
