## CHARGING

---

To ensure your earbuds are always ready for use, follow these charging instructions:

### Charging the Earbuds

1. Place the earbuds into the charging case. Ensure they are correctly seated in their respective slots.
2. The LED indicator on the charging case will show the charging status of each earbud.
3. A full charge for the earbuds takes approximately 2 hours.

## Carga Rapida

Totalmente cargado en solo 1,5 horas

Puerto de Carga Tipo-C

## PAIRING

Follow these steps to pair your Dascert T09 earbuds with your device:

1. **Initial Pairing:**

- Open the charging case. The earbuds will automatically enter pairing mode.
  - On your device (smartphone, tablet, etc.), enable Bluetooth.
  - Search for "T09" in the list of available Bluetooth devices and select it to connect.
  - Once connected, you will hear a confirmation tone, and the earbuds will be ready for use.
2. **Automatic Reconnection:** After the initial pairing, the earbuds will automatically connect to the last paired device when removed from the charging case.
  3. **Single Earbud Mode:** You can use either the left or right earbud independently. Simply take one earbud out of the case, and it will connect.

Activate Voice Assistant (Siri/Google Assistant)	Press and hold for 2 seconds	Press and hold for 2 seconds

Image: Illustration showing how to activate voice assistant (Siri/Google Assistant) using the earbuds.

## WEARING THE EARBUDS

For optimal sound quality and a secure fit, especially during physical activity, follow these guidelines:

1. **Choose the Right Ear Tips:** Select the ear tips (S, M, L) that provide the best seal and comfort for your ears. A good seal is crucial for bass response and noise isolation.
2. **Position the Earbuds:** Insert the earbud into your ear canal and rotate it gently until it feels snug.
3. **Adjust the Ear Hooks:** Position the flexible ear hook over your ear to secure the earbud in place. Adjust it for maximum comfort and stability.

## WATERPROOF RATING (IP7)

The Dascert T09 earbuds are rated IP7 waterproof, meaning they are protected against the effects of temporary immersion in water (up to 1 meter for 30 minutes). This makes them suitable for:

- Sweaty workouts
- Running in light rain
- Protection against splashes

**Note:** The charging case is not waterproof. Do not expose the charging case to water or moisture.

Product Weight	330 g

## TROUBLESHOOTING

---

If you encounter any issues with your Dascert T09 earbuds, please refer to the following common solutions:

### Earbuds Not Pairing

- Ensure Bluetooth is enabled on your device.
- Make sure the earbuds are charged and removed from the charging case.
- Try turning off Bluetooth on your device and then turning it back on.
- Forget "T09" from your device's Bluetooth list and attempt to pair again.
- Restart your device.

### No Sound from One Earbud

- Place both earbuds back into the charging case, close the lid, wait a few seconds, then take them out again.
- Ensure both earbuds are charged.
- Check your device's audio settings to ensure balance is centered.

### Earbuds Not Charging

- Ensure the charging cable is securely connected to both the case and the power source.
- Check if the charging contacts on the earbuds and inside the case are clean and free of debris.
- Verify that the charging case itself has sufficient battery charge.
- Try using a different USB-C cable or power adapter.

## Uncomfortable Fit or Falling Out

- Experiment with the different sizes of ear tips (S, M, L) provided to find the best fit for your ear canal.
- Adjust the flexible ear hooks to ensure they sit securely and comfortably over your ears.
- Ensure the earbuds are inserted correctly into your ear canal and rotated for a snug fit.

## Poor Call Quality

- Ensure the microphone is not obstructed.
- Move closer to your connected device to avoid signal interference.
- Check for any environmental noise that might be affecting the call.

## SAFETY INFORMATION

---

Please read and follow these safety guidelines to prevent damage to your device or injury to yourself:

- Do not disassemble, repair, or modify the earbuds or charging case.
- Keep the device away from extreme temperatures, direct sunlight, and open flames.
- Do not immerse the charging case in water or expose it to excessive moisture.
- Avoid using the earbuds at high volume levels for extended periods to prevent hearing damage.
- Keep out of reach of children and pets.
- Dispose of the product responsibly according to local regulations.

## WARRANTY AND SUPPORT

---

Dascert products come with a standard manufacturer's warranty. For specific warranty details, please refer to the documentation included with your purchase or contact Dascert customer support.

If you require further assistance or have questions not covered in this manual, please contact our customer support team via the official Dascert website or your retailer's support channels.
