## MAINTENANCE AND CARE

The Keter Claire Sofa Set is designed for low maintenance and high durability. Following these simple care instructions will help prolong its lifespan and appearance:

### Cleaning:

- Wipe down the plastic surfaces with a damp cloth and mild soap solution.
- Rinse thoroughly with clean water to remove any soap residue.
- Avoid using abrasive cleaners, harsh chemicals, or stiff brushes, as these can damage the surface.
- For cushions, spot clean with a mild detergent and water. Allow to air dry completely before storing.

### Storage:

- While the set is weather-resistant, storing it indoors or covering it with a protective cover during extreme weather conditions (heavy snow, prolonged rain, strong winds) will extend its life.
- Store cushions in a dry, protected area when not in use, especially during off-season.
