LAVIEVERT Jigsaw Puzzle Board with Sorting Trays - Instruction Manual

Model: Jigsaw Puzzle Board

Brand: LAVIEVERT

INTRODUCTION

Thank you for choosing the LAVIEVERT Jigsaw Puzzle Board. This portable and lightweight puzzle board is designed to enhance your puzzling experience by providing a dedicated, non-slip surface for assembling jigsaw puzzles up to 1000 pieces. It includes six sorting trays to help organize your puzzle pieces efficiently. This manual provides instructions for setup, operation, maintenance, and storage to ensure optimal use of your puzzle board.

COMPONENTS

Your LAVIEVERT Jigsaw Puzzle Board package includes the following items:

- 1 x Jigsaw Puzzle Board (Felt-covered, suitable for up to 1000 pieces)
- 6 x Sorting Trays (for organizing puzzle pieces)

SETUP

1. **Unpack the Board:** Carefully remove the puzzle board and sorting trays from their packaging.
2. **Prepare the Surface:** Place the main puzzle board on a flat, stable surface such as a table, bed, or couch. Ensure the felt side is facing upwards.
3. **Assemble Sorting Trays:** The sorting trays are designed to be easily assembled by snapping the buttons at the corners to form a shallow tray.
4. **Distribute Pieces:** Begin your puzzle by spreading the pieces onto the main board and into the sorting trays. Use the trays to sort pieces by color, shape, or pattern for easier assembly.

OPERATING INSTRUCTIONS

The LAVIEVERT Jigsaw Puzzle Board is designed for ease of use and efficient puzzle assembly.

- **Non-Slip Surface:** The felt covering on the main board and trays effectively prevents puzzle pieces from sliding, even if the board is slightly tilted. This ensures your progress is maintained.
- **Sorting Efficiency:** Utilize the six sorting trays to categorize your puzzle pieces. Sorting by color, edge pieces, or specific patterns can significantly speed up the assembly process and reduce visual fatigue.
- **Portable Use:** The lightweight design allows you to easily move the puzzle board from one location to another without disturbing your unfinished puzzle.

STORAGE

When you need to pause your puzzle or store it away, the LAVIEVERT board offers convenient solutions:

- **Protect Unfinished Puzzles:** Place the sorting trays on top of the main puzzle board to act as a cover. This helps prevent puzzle pieces from getting lost or disturbed by pets.
- **Easy Storage:** The lightweight and flat design of the board allows for easy storage under a couch, bed, or against a wall when not in use.

MAINTENANCE

To ensure the longevity and optimal performance of your LAVIEVERT Jigsaw Puzzle Board, follow these maintenance guidelines:

- **Cleaning:** Gently wipe the felt surface with a soft, dry cloth to remove dust or debris. For minor spills, dab with a slightly damp cloth and allow to air dry completely. Avoid using harsh chemicals or abrasive cleaners.
- **Avoid Moisture:** Keep the puzzle board and trays away from excessive moisture or humidity to prevent warping or damage to the felt material.
- **Handle with Care:** While durable, avoid dropping the board or placing heavy objects on it when stored, as this could cause structural damage.

TROUBLESHOOTING

If you encounter any issues with your puzzle board, consider the following:

- **Puzzle Pieces Sliding:** Ensure the felt surface is clean and free of any slick residues. The felt is designed to be non-slip, but excessive dust or oils can reduce its effectiveness.
- **Trays Not Snapping Securely:** Check that the buttons on the sorting trays are properly aligned and fully pressed to ensure a secure snap.
- **Board Warping:** This is rare with proper care. Ensure the board is stored flat and away from extreme temperature changes or prolonged exposure to moisture.
