To prolong the life and maintain the performance of your ASICS GEL-VENTURE 8 shoes:

- **Cleaning:** Remove loose dirt with a soft brush. For deeper cleaning, use a mild soap and water solution with a cloth. Avoid harsh chemicals.
- **Drying:** Air dry shoes at room temperature. Do not use direct heat sources like radiators or dryers, as this can damage materials.
- **Storage:** Store in a cool, dry place away from direct sunlight.
- **Insoles:** Removable insoles can be aired out or hand-washed separately to maintain freshness.

## 6. TROUBLESHOOTING

---

If you experience discomfort or issues with your shoes:

- **Discomfort/Pressure Points:** Re-adjust lacing to ensure even pressure distribution. Consider trying different sock thicknesses.
