## SMARTDEVIL Adjustable Laptop Stand

# SmartDevil Adjustable Laptop Stand Instruction Manual

Model: Adjustable Laptop Stand

[Instructions](#)   [Maintenance](#)   [Overview](#)   [Setup](#)   [Operating](#)   [Specifications](#)   [Warranty & Support](#)

## 1. PRODUCT OVERVIEW

The SmartDevil Adjustable Laptop Stand is designed to enhance ergonomic comfort and productivity by elevating your laptop to an optimal viewing height and angle. Its robust aluminum alloy construction ensures stability and durability, while the 360-degree rotating base offers flexible positioning. This stand is suitable for laptops ranging from 10 to 17 inches.

### Key Features:

- **Ergonomic Design:** Adjustable height from 1.18 inches to 21 inches to reduce neck and back strain for both sitting and standing use.
- **360° Rotating Base:** Allows for easy adjustment of the laptop's angle, ideal for collaborative work or screen sharing.
- **Portable & Foldable:** Designed for easy transport and storage without requiring complex assembly or disassembly.
- **Stability & Durability:** Constructed from high-quality aluminum alloy, supporting up to 19.8 pounds. Features silicone anti-slip pads and a heat dissipation design.
- **Wide Compatibility:** Accommodates laptops from 10 to 17 inches.

## 2. SETUP INSTRUCTIONS

The SmartDevil Adjustable Laptop Stand comes pre-assembled and requires no tools for setup. Follow these steps to prepare your stand for use:

1. **Unpack the Stand:** Carefully remove the laptop stand from its packaging. Ensure all protective materials are removed.
2. **Place on a Stable Surface:** Position the stand on a flat, stable desk or table.
3. **Unfold the Stand:** Gently unfold the stand to its upright position. The hinges are designed to hold their position once adjusted.
4. **Adjust Height and Angle:**
  - To adjust the height, carefully lift or lower the laptop platform. The stand's friction hinges will hold the desired height.
  - To adjust the viewing angle of the laptop platform, tilt it forward or backward.
  - To rotate the entire stand, gently turn the base. The 360-degree swivel allows for easy orientation changes.
5. **Place Your Laptop:** Carefully place your laptop onto the stand's platform. Ensure it rests securely against the silicone anti-slip pads.

## ERGONOMIC DESIGN

Whether sitting or standing can be adjusted to fit your Height and angle to prevent your neck or back pain

### 3. OPERATING INSTRUCTIONS

---

The SmartDevil Adjustable Laptop Stand is designed for straightforward operation. Once set up, you can easily adjust it to suit your needs.

#### Adjusting Height and Angle:

- **Height Adjustment:** To change the height, hold the laptop platform with one hand and gently push or pull the support arm to the desired vertical position. The stand's robust hinges will maintain the chosen height.
- **Angle Adjustment:** To modify the tilt angle of your laptop, hold the laptop platform and adjust its angle. The platform can be tilted to provide an optimal viewing experience.
- **360° Rotation:** The base of the stand features a 360-degree swivel mechanism. Simply rotate the entire stand to share your screen with others or to change your viewing direction without moving the base.

# 360° ROTATION

Easily adjust to any angle you need

### Folding for Portability:

To fold the stand for storage or transport, gently push the laptop platform down until the support arm is fully collapsed. The stand will then be compact and ready to be carried in a bag.

## 4. MAINTENANCE

---

Proper maintenance ensures the longevity and optimal performance of your SmartDevil Adjustable Laptop Stand.

- **Cleaning:** Wipe the stand with a soft, damp cloth to remove dust and smudges. Avoid using abrasive cleaners or solvents, as these can damage the finish.
- **Inspection:** Periodically check all moving parts and joints to ensure they are functioning smoothly. The stand's hinges are designed to be maintenance-free.
- **Storage:** When not in use, fold the stand to its compact form and store it in a dry, clean place to prevent dust accumulation and potential damage.
- **Weight Limit:** Do not exceed the maximum weight capacity of 19.8 pounds (9 kg) to prevent damage to the stand or your device.

## 5. TROUBLESHOOTING

---

If you encounter any issues with your SmartDevil Adjustable Laptop Stand, refer to the following common solutions:

Problem	Possible Cause	Solution
Stand feels unstable or wobbly.	Uneven surface; laptop exceeding weight limit; loose joints.	Ensure the stand is on a flat, stable surface. Verify your laptop's weight is within the 19.8 lbs limit. Check for any visible loose screws (though typically not user-serviceable).
Difficulty adjusting height or angle.	Hinges are stiff; improper technique.	Apply gentle, firm pressure when adjusting. The hinges are designed to be stiff to maintain position. Do not force adjustments beyond their natural range of motion.
Laptop slides off the platform.	Silicone pads are dirty or worn; laptop not placed correctly.	Clean the silicone anti-slip pads with a damp cloth. Ensure the laptop is centered and resting against the front lip of the stand.

## 6. PRODUCT SPECIFICATIONS

---

Feature	Detail
Brand	SMARTDEVIL
Model	Adjustable Laptop Stand
Material	High-quality Aluminum Alloy
Color	Gray
Adjustable Height Range	1.18 inches to 21 inches
Rotation	360-degree rotating base
