Giantex Hanging Egg Chair with Stand Instruction Manual

1. PRODUCT OVERVIEW

Thank you for choosing the Giantex Hanging Egg Chair with Stand. This chair is designed to provide a comfortable and relaxing seating experience for both indoor and outdoor environments. Its durable construction and thoughtful design ensure stability and ease of use. Please read this manual thoroughly before assembly and use to ensure proper setup and safe operation.

Product Features:

- **Comfortable Seating:** Features thick, foam-padded cushions for enhanced comfort.
- **Foldable Basket Design:** The chair basket can be folded for convenient storage, saving space when not in use.
- **Robust Construction:** Crafted with premium PE rattan and a heavy-duty, rustproof steel frame for durability.
- **Enhanced Safety:** Includes a safety strap, reinforced steel hook, and a stable C-type base with a triangular structure.
- **Versatile Use:** Suitable for various indoor and outdoor settings such as living rooms, patios, balconies, and gardens.

2. SAFETY INFORMATION

Your safety is paramount. Please adhere to the following warnings and guidelines to prevent injury or damage to the product.

- **WARNING:** Maximum weight capacity is **330 lbs (150 kg)**. Do not exceed this limit.
- Securely anchor the hammock to stable supports.
- Do not use the chair without its designated stand.
- Keep away from children and pets when unsupervised.
- Do not use in windy conditions to prevent tipping or excessive swaying.
- Inspect the chair and stand for any damage or wear before each use. Discontinue use if any damage is found.
- Ensure all connections and fasteners are tight before use.
- Avoid standing on the chair or using it as a step stool.

3. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. If any parts are missing or

damaged, please contact customer support.

- 1 x Swing Hanging Chair Basket
- 1 x C-shaped Hammock Stand
- 2 x Cushions (Back and Seat)
- 1 x Instruction Manual
- Assembly Hardware (bolts, washers, nuts, spring, chain, safety strap)

4. SETUP AND ASSEMBLY

Follow these steps carefully to assemble your Giantex Hanging Egg Chair. It is recommended to have two people for assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble the Stand Base:** Connect the base components of the C-shaped stand according to the diagrams provided in the separate assembly instructions. Ensure all bolts are securely tightened.
3. **Attach the Vertical Pole:** Secure the vertical C-shaped pole to the assembled base. Ensure it is firmly attached and stable.
4. **Prepare the Chair Basket:** If the chair basket is folded, carefully unfold it.
5. **Hang the Chair Basket:** Attach the spring and chain to the top of the C-shaped pole. Then, carefully lift the chair basket and attach it to the chain using the reinforced steel carabiner. Ensure the connection is secure.
6. **Install Safety Strap:** Secure the bi-directional limiting safety rope/strap around the chair basket and the stand pole to prevent excessive swaying, as shown in the safety image.
7. **Place Cushions:** Position the back and seat cushions inside the chair basket for comfort.
8. **Final Check:** Before first use, double-check all connections, bolts, and safety features to ensure they are properly installed and tightened.

Image 4.1: The chair basket can be folded for compact storage when not in use, simplifying setup and takedown.

5. OPERATING INSTRUCTIONS

Using your Giantex Hanging Egg Chair is simple and designed for relaxation.

- **Seating:** Gently approach the chair and sit down slowly. Avoid jumping into the chair or applying sudden force.
- **Swinging:** The chair is designed for gentle swinging. Avoid aggressive or excessive swaying, which could compromise stability or cause the chair to tip. The safety strap helps limit excessive movement.
- **Adjusting Height:** The hanging chain allows for minor height adjustments. Ensure the chair is at a comfortable and safe height, allowing your feet to touch the ground if desired, or to swing freely.
- **Folding for Storage:** When not in use, especially for extended periods or during adverse weather, the chair basket can be folded to save space. Remove the cushions, detach the basket from the stand, and carefully fold it as shown in the assembly section.

6. MAINTENANCE

Regular maintenance will prolong the life and appearance of your hanging egg chair.

- **Cleaning Rattan and Frame:** Wipe the PE rattan and steel frame with a soft cloth dampened with mild soap and water. Rinse thoroughly and dry completely to prevent water spots or rust.
- **Cushion Care:** The cushions are made with hydrophobic fabric to resist spills. For general cleaning, spot clean with a mild detergent and water. Allow to air dry completely. For deeper cleaning, refer to the care label on the cushions. Store cushions indoors during inclement weather or when not in use to protect them from prolonged exposure to elements.
- **Hardware Inspection:** Periodically check all bolts, nuts, chains, and the carabiner for tightness and signs of wear or corrosion. Tighten any loose fasteners.
- **Storage:** During off-season or prolonged periods of non-use, store the chair and stand in a dry, protected area. Consider using a weather-resistant cover if storing outdoors.

330lbs

Image 6.1: Details of the weather-resistant PE rattan, rustproof steel frame, and anti-slip foot pads, highlighting the durable materials.

Give Comfortable Sitting Experience

Image 6.2: The cushions are designed to be plump and thick, ensuring they do not collapse after prolonged sitting, and are made with sufficient material for elasticity.

7. TROUBLESHOOTING

If you encounter any issues with your hanging egg chair, refer to the following common solutions.

- **Chair feels unstable:**
 - Ensure the stand is placed on a flat, level surface.
 - Check all assembly bolts and connections on the stand and chair for tightness.
 - Verify the safety strap is correctly installed and secured.
- **Cushions appear flat or uncomfortable:**
 - Fluff the cushions regularly to restore their loft.
 - Ensure the cushions are correctly positioned within the chair basket.
- **Squeaking noises during use:**
 - Apply a small amount of silicone-based lubricant to the spring or chain connections if they are causing friction.
 - Check for any loose bolts on the stand or chair frame and tighten them.

- **Difficulty folding the basket:**

- Ensure no obstructions are preventing the folding mechanism.
- Follow the folding instructions carefully, applying gentle, even pressure.

8. SPECIFICATIONS

Brand	Giantex
Model Number	B09HBZFCZ8
Color	Grey
Material	Polyester, Rattan (PE Rattan)
Product Dimensions (L x W x H)	43" x 42" x 81" (Overall)
