DAHONPA P-923

DAHONPA Panzer-IV Tank Army Building Block (1328 PCS) Instruction Manual

Model: P-923

1. INTRODUCTION AND OVERVIEW

Thank you for choosing the DAHONPA Panzer-IV Tank Army Building Block set. This 1328-piece construction model allows you to recreate a detailed replica of the German Panzerkampfwagen IV Tank from World War II. Designed for enthusiasts of military history and building blocks, this set offers an engaging and rewarding assembly experience. The finished model features a 360-degree rotating turret and functional tracks, providing an authentic representation of the historical vehicle.

2. WHAT'S IN THE BOX

Your DAHONPA Panzer-IV Tank building block set includes:

- 1328 Building Blocks/Pieces
- Detailed Instruction Manual (this document)

Please verify all components are present before beginning assembly. If any pieces are missing, please refer to the 'Warranty and Support' section for assistance.

3. ASSEMBLY INSTRUCTIONS

Assembly of the DAHONPA Panzer-IV Tank requires patience and attention to detail. Follow the step-by-step visual guide provided in the included printed manual. The process involves connecting various building blocks to form the tank's chassis, turret, and other intricate components.

3.1 General Assembly Tips

- Organize your pieces by color and type to streamline the building process.
- Follow the instructions sequentially to ensure correct construction.
- Apply gentle, firm pressure when connecting blocks to ensure a secure fit.

3.2 Key Features During Assembly

PRODUCT DETAILS

Dive into the details

Figure 3.1: Detailed internal structure including the engine and cockpit, designed to accommodate two action figures.

Figure 3.2: The tank cabin interior, providing space for figures.

Figure 3.3: The tank turret, designed for 360-degree rotation.

3.3 Track Assembly

The tank's tracks are assembled by snapping individual track links together. This modular design allows for flexible and functional movement once completed. Ensure each link is securely connected to form a continuous loop around the drive wheels.

Figure 3.4: The rolling tank treads, demonstrating the functional track system.

3.4 Visual Assembly Guide

For a dynamic overview of the assembly process and the finished model's features, please watch the official product video below. This video provides an exploded view of the components and demonstrates the tank's functionality.

4. OPERATING INSTRUCTIONS

Once assembled, your DAHONPA Panzer-IV Tank model offers interactive features:

- **Turret Rotation:** The tank's turret can be rotated 360 degrees manually. Gently turn the turret to position the main gun as desired.
- **Track Movement:** The individual track links allow the tank to roll smoothly across flat surfaces. Push the tank gently to observe the functional tracks in motion.

5. MAINTENANCE

To ensure the longevity and appearance of your DAHONPA Panzer-IV Tank model:

- **Cleaning:** Use a soft, dry cloth to gently wipe away dust. Avoid using harsh chemicals or abrasive materials, as these can damage the plastic blocks.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic.
- **Handling:** Handle the model with care, especially when moving it, to prevent accidental detachment of pieces.

6. TROUBLESHOOTING

6.1 Missing Pieces

In the rare event that you find some missing pieces in your item, please contact the seller directly. Provide details on which specific pieces are missing, and the seller will arrange for the missing components to be sent

to you promptly.

7. SPECIFICATIONS

Figure 7.1: Product dimensions and piece count.

Specification	Detail
Brand	DAHONPA
Model Name	Panzer-IV Tank
Model Number	P-923
Number of Pieces	1328
Material Type	Plastic
Color	Black, Grey
Item Dimensions (L x W x H)	14 x 5.7 x 5.3 inches (35.6 x 14.5 x 13.5 cm)

Item Weight	5.29 ounces
Manufacturer Minimum Age	144 months (12 years)
Assembly Required	Yes
Batteries Required	No
Educational Objective	Team Building Skills

8. SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small Parts.

This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended during assembly and play, especially for younger users within the recommended age range (12+ years).

9. WARRANTY AND SUPPORT

DAHONPA is committed to providing high-quality products. If you encounter any issues with your Panzer-IV Tank building block set, such as missing or defective parts, please contact the seller directly through the platform where you made your purchase. Provide your order details and a clear description of the issue for prompt assistance.
