USAGE INSTRUCTIONS

First Aid Antiseptic Use:

1. Clean the affected area.
2. Apply a small amount of product on the affected area 1 to 3 times a day.
3. May be covered with a sterile bandage. If bandaged, let dry first.

Other Potential Uses (Non-Medical):

Hydrogen peroxide is known for various household applications beyond first aid. These include:

- **Cleaning Surfaces:** Can be used to disinfect countertops and other surfaces.
- **Laundry Stain Removal:** Effective for eliminating odors and stains, especially on white fabrics. Apply directly to the stain, let it sit, then wash as usual.
- **Aquarium Cleaning:** Can be used to clean algae from aquarium surfaces. Ensure proper dilution and safety measures are followed to protect aquatic life.

STORAGE AND MAINTENANCE

- Keep tightly closed and at controlled room temperature.
- Do not shake bottle.
- Hold away from face when opening.
- Store in its original dark-colored container to prevent degradation from light.

TROUBLESHOOTING

If you experience any adverse reactions or if the condition for which you are using the product persists or worsens, discontinue use and consult a healthcare professional immediately. For accidental ingestion, contact a Poison Control Center right away.
