3. SETUP

3.1 Unfolding the Piano

The Carina ZE0088 is designed for easy portability. To unfold, locate the lock release button on the underside of the keyboard. Press the button and gently unfold the two halves of the piano until it lies flat and locks into place.

Image: The Carina ZE0088 electronic piano shown both folded for transport and fully extended for playing, highlighting its compact design.

3.2 Attaching the Music Stand

Insert the included music stand into the designated slot on the top panel of the piano. Ensure it is securely seated.

Image: A hand demonstrating the simple process of attaching the music stand to the Carina ZE0088 electronic piano.

3.3 Powering On and Charging

Connect the AC adapter to the piano's power input and a wall outlet to charge the internal battery or power the unit directly. The piano can also operate wirelessly using its built-in large-capacity battery.

3.4 Connecting Accessories

- **Sustain Pedal:** Connect the sustain pedal to the 'SUS' jack on the piano's rear panel.
- **Headphones:** Plug the included earphones into the 'PHONES' jack for private practice.

4. OPERATING INSTRUCTIONS

4.1 Basic Playback

Press the power button to turn on the piano. The default sound is Piano 1. Adjust the volume using the dedicated volume controls.

4.2 Light-Up Key Function

The piano features light-up keys to assist with learning. Refer to the Japanese instruction manual for specific modes and functions related to the light-up keys.

Image: A close-up view of the Carina ZE0088 electronic piano's keys, showing several keys illuminated in red, indicating the light-up key function.

4.3 Sound Selection (128 Tones)

The piano includes 128 different tones. Use the 'Tone' button and the data entry knob/buttons to select your desired instrument sound. The high-quality speakers reproduce acoustic piano sounds sampled in FLAC format.

4.4 Rhythm Selection (128 Rhythm Patterns)

Choose from 128 rhythm patterns to accompany your playing. Use the 'Rhythm' button and the data entry knob/buttons to select a rhythm.

4.5 Demo Songs (21 Songs)

The piano has 21 built-in demo songs. Press the 'Demo' button to cycle through and play the demonstration pieces.

4.6 Other Functions

- **Touch Sensitivity:** The 12-level touch sensitivity allows for expressive playing, mimicking the feel of an acoustic piano.
- **Sustain:** Use the sustain pedal to prolong notes.
- **Vibrato:** Add vibrato effect to notes.
- **Chords:** The piano supports chord functions.
- **Recording**/**Playback:** Record your performances and play them back.

5. MIDI CONNECTIVITY

The Carina ZE0088 is MIDI compatible, allowing for expanded functionality:

- **iOS Devices:** Connect the piano to iOS devices such as iPads or iPhones to use popular piano applications like GarageBand or Perfect Piano. *Note: A separate USB adapter (e.g., Apple Lightning to USB Camera Adapter) is required for connecting to iOS devices.*
- **PC Connection:** Use the included USB cable to connect the piano to a PC for music editing and other MIDI-related software functions.

6. MAINTENANCE

- **Cleaning:** Use the provided piano cloth to gently wipe the keys and body of the piano. Avoid using harsh chemicals or abrasive materials.
- **Storage:** When not in use, fold the piano and store it in the soft storage case. Use the piano cover to protect it from dust.
- **Battery Care:** To prolong battery life, avoid completely draining the battery frequently. Charge the piano regularly, even if not in constant use.

7. TROUBLESHOOTING

If you encounter any issues with your Carina ZE0088 electronic piano, please refer to the following common solutions:

- **No Sound:** Ensure the volume is turned up, headphones are properly connected (or disconnected if using speakers), and the piano is powered on. Check all cable connections.
- **Keys Not Responding:** Verify the piano is powered on and not in a specific mode that disables key input. If using light-up keys, ensure the mode is correctly selected.
- **MIDI Connection Issues:** Ensure the USB cable is securely connected. For iOS devices, confirm the USB adapter is compatible and correctly installed. Restart both the piano and the connected device.

For more detailed troubleshooting or persistent issues, please consult the full Japanese instruction manual or contact Carina customer support.

8. SPECIFICATIONS

Feature	Specification

Feature	Specification
Brand	Carina
Model Number	ZE0088
Number of Keys	88
Item Weight	4.1 kg
Product Dimensions (Unfolded)	124 cm (Width) x 21.8 cm (Depth) x 6 cm (Height)
