

eero Max 7

eero Max 7 Mesh WiFi Router User Manual

Model: Max 7

INTRODUCTION

This manual provides essential information for setting up, operating, maintaining, and troubleshooting your eero Max 7 mesh WiFi router. The eero Max 7 is designed to deliver high-speed, reliable Wi-Fi 7 connectivity for your home or office, supporting internet plans up to 10 Gbps and connecting over 250 devices.

For optimal performance and security, please read this manual thoroughly before using your device.

PACKAGE CONTENTS

Verify that all items are present in your eero Max 7 package:

- One eero Max 7 router
- One 45W USB-C power adapter
- One CAT6a Ethernet cable

Note: For multi-pack configurations, the quantity of eero Max 7 routers and power adapters will vary accordingly.

SETUP GUIDE

Setting up your eero Max 7 is a straightforward process guided by the eero application. Ensure you have a supported iOS or Android device and an active internet service.

1. **Download the eero App:** Search for "eero" in your device's app store and download the official eero application.
2. **Connect Your eero:**
 - Unplug your existing modem and router (if applicable).
 - Connect one end of the provided Ethernet cable to one of the 10 GbE ports on your eero Max 7.
 - Connect the other end of the Ethernet cable to your modem.
 - Plug the 45W USB-C power adapter into your eero Max 7 and then into a power outlet.
 - Wait for the eero's LED indicator to turn solid blue, indicating it's ready for setup.

3. **Follow In-App Instructions:** Open the eero app and follow the on-screen prompts to create your eero account, name your network, and set up your first eero device. The app will guide you through connecting additional eero units if you have a multi-pack system.

Sets up in minutes and gets better with automatic updates.

Image: The eero app guides you through setup, making the process quick and intuitive.

OPERATING YOUR EERO MAX 7

The eero Max 7 leverages Wi-Fi 7 technology and eero's patented TrueMesh software to provide a robust and efficient wireless network.

Key Features and Performance

- **High-Speed Connectivity:** Enjoy wired speeds up to 9.4 Gbps and wireless speeds up to 4.3 Gbps, ideal for demanding applications.
- **Wi-Fi 7 Technology:** Benefit from increased capacity, reduced latency, and improved network efficiency compared to previous Wi-Fi standards.
- **TrueMesh Software:** eero's proprietary software, including TrueRoam and TrueChannel, ensures you are

always connected to the optimal and most reliable Wi-Fi signal.

- **Extensive Coverage:** A single eero Max 7 unit provides up to 2,500 sq. ft. of mesh Wi-Fi coverage and can connect over 250 devices simultaneously.

Get ready for Wi-Fi 7 technology and 10 GbE.

Image: Experience the benefits of Wi-Fi 7 technology and 10 GbE with eero Max 7.

Ports and Connectivity

The eero Max 7 is equipped with multiple high-speed Ethernet ports for flexible network configurations:

- Two auto-sensing 10 Gigabit Ethernet (GbE) ports
- Two auto-sensing 2.5 Gigabit Ethernet (GbE) ports

These ports can be used for WAN (internet connection) and/or LAN (local network devices) connectivity, allowing for high-speed wired connections to devices like gaming consoles, PCs, or network-attached storage (NAS).

Two 10 GbE ports, two 2.5 GbE ports.

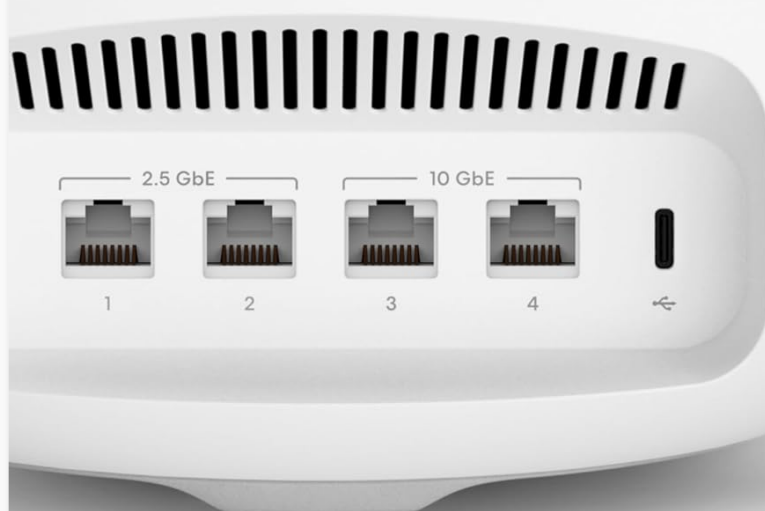

Image: The eero Max 7 features two 10 GbE ports and two 2.5 GbE ports for versatile connectivity.

Smart Home Integration

The eero Max 7 functions as a smart home hub, supporting various smart home protocols:

- **Thread:** Built-in support for Thread devices.
- **Matter:** Acts as a controller for Matter devices.
- **Zigbee:** Functions as a controller for Zigbee devices.
- **Works with Alexa:** Integrate with Alexa devices to manage Wi-Fi access for family profiles.

Support for 250+ devices and coverage up to 2,500 sq. ft.

Image: The eero Max 7 supports over 250 devices and provides coverage up to 2,500 sq. ft.

MAINTENANCE

The eero Max 7 is designed for minimal maintenance, primarily relying on automatic software updates to enhance performance and security.

- **Automatic Updates:** Your eero system automatically downloads and installs software updates. Ensure your eero devices remain powered on and connected to the internet to receive these updates.
- **Placement:** Place your eero Max 7 in an open area, away from large metal objects or other electronics that might cause interference. Ensure adequate ventilation around the device to prevent overheating.
- **Cleaning:** Periodically wipe the exterior of the device with a soft, dry cloth to remove dust. Do not use liquid cleaners or abrasive materials.

TROUBLESHOOTING

If you encounter issues with your eero Max 7, consider the following common troubleshooting steps:

- **No Internet Connection:**

- Check that your modem is working correctly and has an active internet connection.
- Ensure all Ethernet cables are securely connected between your eero and modem.
- Restart your modem and then your eero Max 7 by unplugging them from power for 30 seconds and then plugging them back in.

- **Slow Speeds:**

- Verify your internet service provider's speed.
- Check the placement of your eero devices to ensure optimal coverage and minimize interference.
- Run a speed test using the eero app to diagnose network performance.

- **Device Not Connecting:**

- Ensure the device is within range of an eero unit.
- Restart the problematic device.
- Check the Wi-Fi password in the eero app.

For further assistance, please contact eero support at support@eero.com or call +1-877-659-2347.

SPECIFICATIONS

Feature	Detail
Wi-Fi Standards	Wi-Fi 7 (IEEE802.11a/b/g/n/ac/ax/be)
Number of Radios	3; tri-band
MIMO	2x2/4x4/4x4 MU/SU-MIMO
Spatial Streams	10
Channel Width	20, 40, 80, 160, 240, 320 MHz
Ethernet Ports	Two auto-sensing 10 GbE, Two auto-sensing 2.5 GbE
Processor	Quad-core A73 processor
Memory	2GB RAM
Storage	4GB flash storage
Size (H x W x D)	7.24 x 8.73 x 3.54 in. (183.90 x 221.89 x 89.90 mm)
Operating Temperature	32°F–104°F (0°C–40°C)
Electrical Requirement	100-240V AC, 50/60 Hz
Smart Home Hub	Yes (Thread, Matter, Zigbee controller)
Bluetooth	Bluetooth Low Energy 5.0

WARRANTY AND SUPPORT

Your eero Max 7 router is backed by a **3-year limited warranty**. This warranty covers defects in materials and workmanship under normal use.

For detailed warranty information, privacy policy, terms of service, and subscription terms, please visit eero.com/legal.

eero provides guaranteed software security updates for this device until at least five years after it is last available for purchase as a new unit on their websites.

If you require technical support or have any questions, please contact the eero support team:

- **Email:** support@eero.com
- **Phone:** +1-877-659-2347

Homepages

eero

FEATURES

Whole home with coverage

eero Max 7 leverages Wi-Fi 7 technology to help deliver fast speeds, minimize congestion and interference, and support over 200 connected devices

Lightning fast speeds

With lightning fast wireless speeds up to 4.3 Gbps, you can confidently make conference calls, stream in 4K, and enjoy network support for AR and VR games

Streams in 4K

eero Max 7 is the ideal partner for streaming premium quality content, keeping your video in 4K

Max coverage

Each eero Max 7 provides up to 3,500 sq. ft. of wifi, providing eero's best coverage from each router through your home

Simple, app-controlled setup

The eero mobile app guides you through setup and device placement, so your devices automatically connect to create a seamless mesh network

Connect & Kill

With a 20pin smart home hub, connects compatible devices on your network with Alexa and provides support for Matter and Thread - no wires or need to buy separate smart home hubs for each device desired being measured

Security that keeps you protected

Every eero comes with world-class encryption, security protocols, and ongoing security updates to help ensure your network stays safe and secure

Gets better over time

The eero mobile app guides you through setup and device placement, so your devices automatically connect to create a seamless mesh network

eeero's fastest, most advanced system.

eeero Max 7

A whole new level of fast.

Wi-Fi 7

eero Max 7 is built with the future in mind. It has two 10 gigabit Ethernet ports so it can get the most out of internet plans up to 10 Gbps, and with eero's patented TrueMesh and Wi-Fi 7 technology on board, it delivers twice the speed of previous generations of wifi.

Tech specs

- Supports wired speeds up to 9.4 Gbps and wireless speeds up to 4.3 Gbps
- Coverage up to 3,500 sq. ft.
- Wi-Fi standard: Wi-Fi 7
- Connectivity: Tri-band 2.4 GHz, 5 GHz, and 6 GHz
- Top Ethernet ports: 2x 10 Gbps, 2x 1 Gbps
- Supports 200+ connected devices
- Control compatible devices with the built-in smart home hub

Technical specifications

Maximum wired speeds up to 9.4 Gbps and wireless speeds up to 4.3 Gbps

Maximum coverage up to 3,500 sq. ft. of wireless coverage

Maximum connectivity: Tri-band 2.4 GHz, 5 GHz, and 6 GHz

Maximum Ethernet ports: 2x 10 Gbps, 2x 1 Gbps

Maximum supported devices: 200+

Maximum supported smart home hubs: 1

Warning

Fire or Explosion Hazard

Failure to follow safety warnings exactly could result in serious injury, death, or property damage.

Do not store or use gasoline or other flammable vapors and liquids in the vicinity of this or any other appliance.

WHAT TO DO IF YOU SMELL GAS

• Do not try to light any appliance.

• Do not touch any electrical switch; do not use any phone in your building.

• Leave the building immediately.

• Immediately call your gas supplier from a neighbour's phone. Follow the gas supplier's instructions.

• If you cannot reach your gas supplier, call the fire department.

• Installation and service must be performed by a qualified installer, service agency or gas supplier.

Installer: Please complete the details on the back cover and have the manual with the fireplace.

Plombier/Installateur: Veuillez compléter les détails sur la couverture arrière et avoir le manuel avec la cheminée.
