## HOMCOM 835-476V81WT

# HOMCOM 64-inch Kitchen Pantry Cabinet

Model: 835-476V81WT | Brand: HOMCOM

## INTRODUCTION

Thank you for choosing the HOMCOM 64-inch Kitchen Pantry Cabinet. This freestanding storage cabinet is designed to provide ample storage space and enhance the organization of your kitchen, dining room, or living area. Featuring four doors and three adjustable shelves, it offers versatile storage solutions for various items. Please read this manual thoroughly before assembly and use to ensure proper installation and safe operation.

## SAFETY INFORMATION

### Important Safety Warnings:

- Always secure the cabinet to the wall using the provided anti-tipping strap. This is crucial to prevent the cabinet from falling over, especially in households with children or pets.
- Exercise caution during assembly to avoid injury from heavy parts or tools. It is recommended to assemble with at least two people.
- Ensure all screws and fasteners are tightened securely before using the cabinet. Periodically check and re-tighten as necessary.
- Do not exceed the maximum weight capacity of 88 lbs (overall) and 11 lbs (per shelf). Overloading can compromise stability and lead to damage or injury.
- Keep small parts and packaging materials away from children to prevent choking hazards.

## PRODUCT FEATURES

- **Ample Storage:** The 5-tier shelving system provides extensive room for dishes, pots, pans, dry goods, and containers, keeping items organized and dust-free behind four doors.
- **Adjustable Shelves:** Three adjustable shelves allow customization to accommodate items of varying heights, such as pitchers, pasta containers, or blenders.
- **Elegant Design:** Features recessed door panels and antique black handles, adding a touch of class to any kitchen, living room, or dining room decor.
- **Anti-Tipping Strap:** Includes a safety strap to secure the cabinet to the wall, preventing accidental tipping.

Figure 2: Adjustable shelves provide flexibility for storing items of different heights.

## SETUP AND ASSEMBLY

Assembly of the HOMCOM Kitchen Pantry Cabinet is required. Please follow the detailed instructions provided in the separate assembly guide included with your product. It is recommended to lay out all parts and hardware before beginning assembly. A screwdriver is generally sufficient for assembly; avoid using power drills unless specifically instructed, as they can cause damage if not used carefully.

### Key Assembly Points:

- Ensure metal dowel pins are screwed in straight to align correctly with locking cams.
- Follow the step-by-step instructions precisely to avoid errors.
- After assembly, adjust the hinges to ensure the four doors align properly and close flush. Refer to the hinge adjustment diagram below.

## OPERATING INSTRUCTIONS

This pantry cabinet is designed for straightforward use. Simply open the doors to access the interior shelves. Adjust the shelf heights as needed to accommodate your items. The four doors help keep contents concealed and protected from dust.

## MAINTENANCE

To maintain the appearance and longevity of your HOMCOM pantry cabinet:

- Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- For spills, clean immediately to prevent staining or moisture damage to the engineered wood.
- Periodically check all hardware connections and tighten any loose screws to ensure stability.
- Keep the cabinet away from direct sunlight and excessive moisture to prevent warping or discoloration.

## TROUBLESHOOTING

---

### Issue: Doors do not align or have a large gap.

- **Solution:** The cabinet features adjustable hinges. Refer to Figure 4 (Adjustable Hinge) in the Setup and Assembly section. Use a screwdriver to make small adjustments to the hinge screws (a, b, c) to achieve proper door alignment (up and down, front and back, left and right). Adjust one hinge at a time and check the door alignment after each adjustment.

### Issue: Cabinet feels unstable.

- **Solution:** Ensure the anti-tipping strap is securely installed and fastened to the wall. Verify that all assembly screws are tightened. If the floor is uneven, consider placing shims under the cabinet legs for stability.

## SPECIFICATIONS

---

Attribute	Detail
Brand	HOMCOM
Model Name	Kitchen Pantry
Item Model Number	835-476V81WT
Color	Antique White
