

ADVWIN 1100

ADVWIN Model 1100 Black Bedside Table Instruction Manual

Model: 1100

1. INTRODUCTION

This manual provides comprehensive instructions for the assembly, safe use, and proper maintenance of your ADVWIN Model 1100 Black Bedside Table. Please read this manual carefully before assembly and retain it for future reference.

The ADVWIN Model 1100 is a versatile furniture piece designed to function as a bedside table, nightstand, or general storage cabinet, suitable for various rooms including bedrooms, living rooms, and offices. It features three drawers for organized storage.

2. SAFETY INFORMATION

- Always assemble the product on a soft, clean surface to prevent scratches.
- Keep all small parts and packaging materials away from children and pets to avoid choking hazards.
- Do not overtighten screws during assembly, as this may damage the material.
- Ensure all connections are secure before using the table.
- Do not stand or sit on the table.
- If an anti-tip kit is included, it is strongly recommended to install it to prevent accidental tipping, especially in households with children.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- 1 x ADVWIN Model 1100 Bedside Table (unassembled components)

- 1 x Assembly Guide
- 1 x Hardware Pack (screws, dowels, drawer slides, handles, etc.)

4. ASSEMBLY INSTRUCTIONS (SETUP)

Assembly is required for this product. Please follow the step-by-step instructions provided in the included Assembly Guide. It is recommended to have a clear, spacious area for assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a soft, clean surface to prevent scratches.
2. **Identify Parts:** Refer to the parts list in the Assembly Guide to identify each component. Note that some parts may be mislabeled in diagrams; cross-reference with the physical components.
3. **Assemble Frame:** Follow the diagrams to connect the main frame panels using the provided hardware. Ensure all connections are snug but do not overtighten.
4. **Install Drawer Slides:** Attach the drawer slides to the inner sides of the cabinet and the outer sides of the drawer boxes. Pay close attention to the orientation of the slides as depicted in the diagrams to ensure smooth operation. Incorrect orientation can lead to drawers not closing properly.
5. **Assemble Drawers:** Construct the three drawers according to the instructions, then attach the handles.
6. **Insert Drawers:** Carefully slide the assembled drawers into the cabinet. The smooth drawer rails are designed for easy pull-in/out motion.
7. **Final Check:** Once assembled, gently shake the table to ensure stability. Tighten any loose connections if necessary.

5. USAGE (OPERATING)

The ADVWIN Model 1100 Black Bedside Table is designed for versatile use in various residential settings.

- **Bedside Table:** Place it next to your bed to keep essentials like lamps, alarm clocks, books, and mobile devices within easy reach.
- **Sofa Side Table:** Use it beside a sofa or armchair in the living room to hold drinks, snacks, or remote controls.
- **Office Storage:** Utilize it in an office or study as a compact storage cabinet for documents, stationery, or small office supplies.
- **General Storage:** The three drawers provide ample space for organizing various items, helping to keep your space tidy.

6. MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your ADVWIN Bedside Table.

- **Cleaning:** Wipe the surface with a dry, soft cloth. For minor spills, use a slightly damp cloth and immediately dry the area. The table features a waterproof surface for easy cleaning.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the finish.
- **Protect from Heat and Moisture:** Avoid placing hot items directly on the surface. Use coasters for drinks to prevent water rings.
- **Drawer Maintenance:** Periodically check the drawer slides for any debris and ensure they operate smoothly.

EASY TO USE AND CLEAN

7. TROUBLESHOOTING

| Problem | Possible Cause | Solution |
|---|--|---|
| Drawers do not slide smoothly or get stuck. | Drawer slides are misaligned or installed incorrectly. Debris in the slides. | Remove the drawer and check the alignment of the slides on both the drawer and the cabinet. Ensure they are installed according to the manual's diagrams. Clean any debris from the tracks. |
| Table is wobbly or unstable. | Screws are not fully tightened. Uneven floor surface. | Carefully re-tighten all assembly screws. Ensure the table is placed on a flat, even surface. Use furniture pads if necessary to level. |
| Missing parts or damaged components. | Packaging error or shipping damage. | Do not proceed with assembly. Contact ADVWIN customer support immediately with your purchase details and a description of the issue. |
