The package should contain:

- 1 x Dining Table (Glass Top, Table Frame, Legs)
- 4 x Dining Chairs (Chair Frames, Seat Cushions, Legs)
- 1 x Hardware Pack (Screws, Washers, Allen Wrench, etc.)
- 1 x Assembly Instruction Manual

4. ASSEMBLY INSTRUCTIONS

Detailed and user-friendly assembly instructions are provided within the package. Please follow them step-by-step. Assembly typically requires minimal tools, usually an included Allen wrench.

4.1 General Assembly Tips

- Clear a spacious area for assembly.
- Lay out all parts and hardware, comparing them against the parts list in the included manual.
- Do not fully tighten all screws until the entire unit is assembled, then tighten them securely.
- Consider having a second person assist with table assembly due to the glass top.

4.2 Chair Assembly

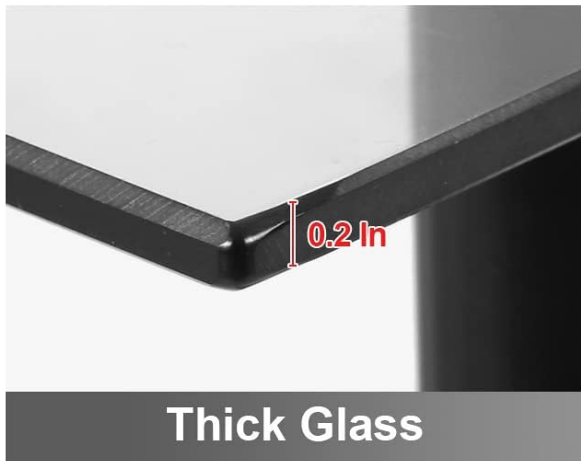

Each chair consists of a backrest, seat frame, and legs. Attach the seat cushion to the chair frame, then secure the legs. Ensure the non-slip mats are properly attached to the bottom of each leg for stability and floor protection.
