- Celebrat A22 Wireless Sports Magnetic Earphones
- USB Charging Cable
- User Manual
- Ear tips (various sizes, typically S/M/L)

Setup Guide

1. Charging the Earphones

Before initial use, fully charge the earphones. Connect the provided USB charging cable to the charging port on the earphone's control unit and to a standard USB power source (e.g., computer USB port, wall adapter). The LED indicator will typically show red during charging and turn blue or off when fully charged.

- **Battery Capacity:** 140 mAh
- **Charging Time:** Approximately 2.5 hours

2. Powering On/Off

- **Power On:** Press and hold the Multi-function button (usually the center button on the control unit) for approximately 3-5 seconds until the LED indicator flashes blue and a voice prompt confirms "Power On".
- **Power Off:** Press and hold the Multi-function button for approximately 3-5 seconds until the LED indicator flashes red and a voice prompt confirms "Power Off".

3. Pairing with a Bluetooth Device

1. Ensure the earphones are powered off.
2. Press and hold the Multi-function button for approximately 5-7 seconds until the LED indicator flashes red and blue alternately. This indicates the earphones are in pairing mode.
3. On your Bluetooth-enabled device (smartphone, tablet, etc.), go to the Bluetooth settings and enable Bluetooth.
4. Search for available devices. You should see "Celebrat A22" or a similar name appear in the list.
5. Select "Celebrat A22" to connect. Once successfully paired, the LED indicator will flash blue slowly, and a voice prompt will confirm "Connected".
6. If prompted for a password, enter "0000".

The earphones will automatically attempt to reconnect to the last paired device when powered on, if the device's Bluetooth is active and within range.

Operating Instructions

Wearing the Earphones

The Celebrat A22 features a neck-hang design for comfortable and secure wear, especially during sports activities. Place the neckband around your neck and insert the earbuds into your ears. Adjust for a snug fit.

NECK HANG DESIGN

Light neck hanging for two ears to reduce
the burden small ear shell
fit the ear canal, stable and comfortable
not easy to fall, running more comfortable

Control Functions

The inline control unit allows for easy management of music playback and calls.

Image: Close-up of the inline control panel on the Celebrat A22 earphones, showing volume, play/pause, and track

navigation buttons.

- **Multi-function Button (Center):**
  - Press once: Play/Pause music, Answer/End call.
  - Press and hold (3-5s): Power On/Off.
  - Press and hold (5-7s from off): Enter Pairing Mode.
  - Double press: Redial last number.
- **Volume Up / Next Track Button (+):**
  - Press once: Increase volume.
  - Press and hold: Skip to the next track.
- **Volume Down / Previous Track Button (-):**
  - Press once: Decrease volume.
  - Press and hold: Go to the previous track.

Memory Card Support

The Celebrat A22 earphones support direct playback from a memory card. Insert a compatible memory card into the designated slot on the control unit to play audio files without needing a Bluetooth connection to another device.

Maintenance and Care

- **Cleaning:** Use a soft, dry cloth to clean the earphones. Do not use abrasive cleaners or solvents. Regularly clean the ear tips to prevent wax buildup.
- **Storage:** When not in use, store the earphones in a cool, dry place, away from direct sunlight and extreme temperatures. The magnetic earbuds can be clasped together for tangle-free storage.
- **Battery Care:** To prolong battery life, avoid fully discharging the earphones frequently. Charge them regularly, even if not in constant use.
- **Water Resistance:** These earphones are designed for sports and may offer some sweat resistance, but they are not waterproof. Avoid submerging them in water or exposing them to heavy rain.

Troubleshooting

- **Earphones do not power on:** Ensure the earphones are fully charged.
- **Cannot pair with device:**
  - Ensure the earphones are in pairing mode (LED flashing red and blue).
  - Make sure Bluetooth is enabled on your device.
  - Move the earphones closer to your device (within 10 meters).
  - Try restarting both the earphones and your device.
- **No sound or low volume:**
  - Check the volume levels on both the earphones and your connected device.
  - Ensure the earphones are properly paired and connected.
  - If playing from a memory card, ensure the card is inserted correctly and contains compatible audio files.
- **Poor call quality:**

- Ensure the microphone is not obstructed.
- Move to an area with less background noise.
- Check Bluetooth connection stability.

- **Short battery life:**
  - Ensure the earphones are fully charged before use.
  - Battery performance can degrade over time with usage.
  - Operating at high volumes can reduce battery life.

Product Specifications
