EASYCARE 80602

EASYCARE 80602 Spatec Spa Water Treatment User Manual

Model: 80602 | Brand: EASYCARE

PRODUCT OVERVIEW

The EASYCARE Spatec liquid formula is a multipurpose spa and hot tub chemical designed to maintain sparkling spa water. It helps create pristine water quality and comfort for bathers by providing soft water that is not harsh on the eyes. Spatec effectively clears water, prevents algae growth, and can reduce chlorine and bromine usage. Spatec makes it easy to keep your spa water consistently treated, clean, and ready for enjoyment. It promotes a more natural and relaxing spa water experience that is gentle and soft on skin and eyes. Bathers can use the spa immediately after treatment. Spatec is compatible with all types of spa sanitizers.

KEY BENEFITS

- Ensures pristine water quality and bather comfort.
- Keeps spa water consistently cleaner with less effort.
- Maintains ultra-clear spa water.
- Kills and prevents all types of algae growth.
- Reduces the use of bromine and chlorine usage by up to 50%, saving on costs.
- Contains no silver or copper staining metals.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling. Always follow these instructions carefully.

Initial Application:

Initially add Spatec at a rate of **2 1/2 teaspoons (12 ml) per 250 gallons** of spa water.

Weekly Maintenance:

Weekly, add Spatec at the rate of **1 1/2 teaspoons per 250 gallons**. This helps keep spa water refreshingly clean, ultra-clear, free of algae, and always ready for use.

Treatment for Cloudy Water or Visible Algae:

If spa water is cloudy or visible algae is present, add Spatec at a rate of **5 teaspoons (25 ml) per 250 gallons**. Maintain sanitizer at the proper level (follow label instructions for your specific sanitizer) and shock spa water as required.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals:

CAUTION: Harmful if swallowed or absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes, and clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse.

First Aid:

IF SWALLOWED: Call the Poison Control Center or a doctor immediately. Have the person sip a glass of water if able to swallow. Do not induce vomiting unless advised by a poison control center or physician. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin with water.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 5-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing the eye. Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling for treatment.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish, aquatic organisms, and clams. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Pesticide Storage:

Keep container closed when not in use. Spills may be slippery. Mop up product with clean water. Do not blend directly with other pool chemicals.

Pesticide Disposal and Container Handling:

Non-refillable container. Do not reuse or refill this container. Wrap container and put in trash or offer for recycling if available. For information on this product, including concerns, medical emergencies, or pesticide incidents, call the National Pesticide Information Center (NPIC) at 1-800-858-7378.
