BAOYOUNI (22.83-37.4) W X 19.29 D X 70.47 H Inches White

BAOYOUNI 2-Tier Laundry Room Shelf Instruction Manual

Model: (22.83-37.4) W X 19.29 D X 70.47 H Inches White

1. INTRODUCTION

Thank you for choosing the BAOYOUNI 2-Tier Laundry Room Shelf. This versatile storage unit is designed to maximize space in your laundry room or bathroom by utilizing the area above your washing machine, dryer, or toilet. Its adjustable width and multi-functional design provide efficient storage for various household items. Please read this manual carefully before assembly and use to ensure proper installation and safe operation.

2. PRODUCT OVERVIEW

The BAOYOUNI 2-Tier Laundry Room Shelf is a practical and space-saving solution for organizing your laundry and bathroom essentials. It features two shelves and a clothes hanging rod, offering ample storage capacity.

Key Features:

- **Space-Saving Design:** Utilizes vertical space above appliances or toilets.
- **Adjustable Width:** Can be adjusted from 22.83 to 37.4 inches (58-95 cm) to fit various spaces.
- **Multi-functional Storage:** Includes two tiers for organizing items and a clothes hanging rod.
- **Durable Construction:** Made from stainless steel composite pipe, ABS, and PP for stability.
- **Additional Accessories:** Comes with a plastic transparent spacer for shelves and 6 hooks for hanging small items.

3. COMPONENTS AND PARTS LIST

Before assembly, please ensure all parts are present and undamaged. Refer to the included instruction diagram for specific part identification. A Philips head screwdriver is included for assembly.

- Stainless Steel Composite Pipes (various lengths for vertical and horizontal supports)
- ABS Connectors (various types for joining pipes)
- PP Shelf Panels / Bars
- Plastic Transparent Spacers (24x35cm / 9.45" x13.78")
- Clothes Hanging Rod
- Hooks (6 pieces)
- Adjustable Feet/Base Supports
- Assembly Screws and Fasteners
- Philips Head Screwdriver

4. SETUP AND ASSEMBLY

Assembly is required for this product. Please follow the step-by-step instructions provided in the included instruction manual. It is recommended to assemble the unit in the desired location or a nearby open space.

1. **Unpack and Verify:** Carefully unpack all components and verify against the parts list.
2. **Assemble Base Frame:** Connect the base pipes using the appropriate connectors. Ensure the reinforced base design is correctly oriented.
3. **Install Vertical Supports:** Attach the vertical pipes to the base frame.
4. **Attach Shelf Supports:** Secure the shelf support connectors to the vertical pipes at the desired heights for your shelves.
5. **Install Shelves:** Place the shelf panels onto the shelf supports. Insert the plastic transparent spacers onto the shelf bars to create a solid surface for smaller items.

6. **Install Hanging Rod:** Attach the clothes hanging rod to the top section of the frame.
7. **Adjust Width:** If necessary, adjust the width of the shelf by sliding the adjustable sections of the horizontal pipes. Ensure all connections are securely tightened after adjustment.
8. **Attach Hooks:** Place the 6 hooks on the side bars or hanging rod as needed.
9. **Positioning:** Carefully position the assembled shelf over your washing machine, dryer, or toilet. Ensure it is stable and level.

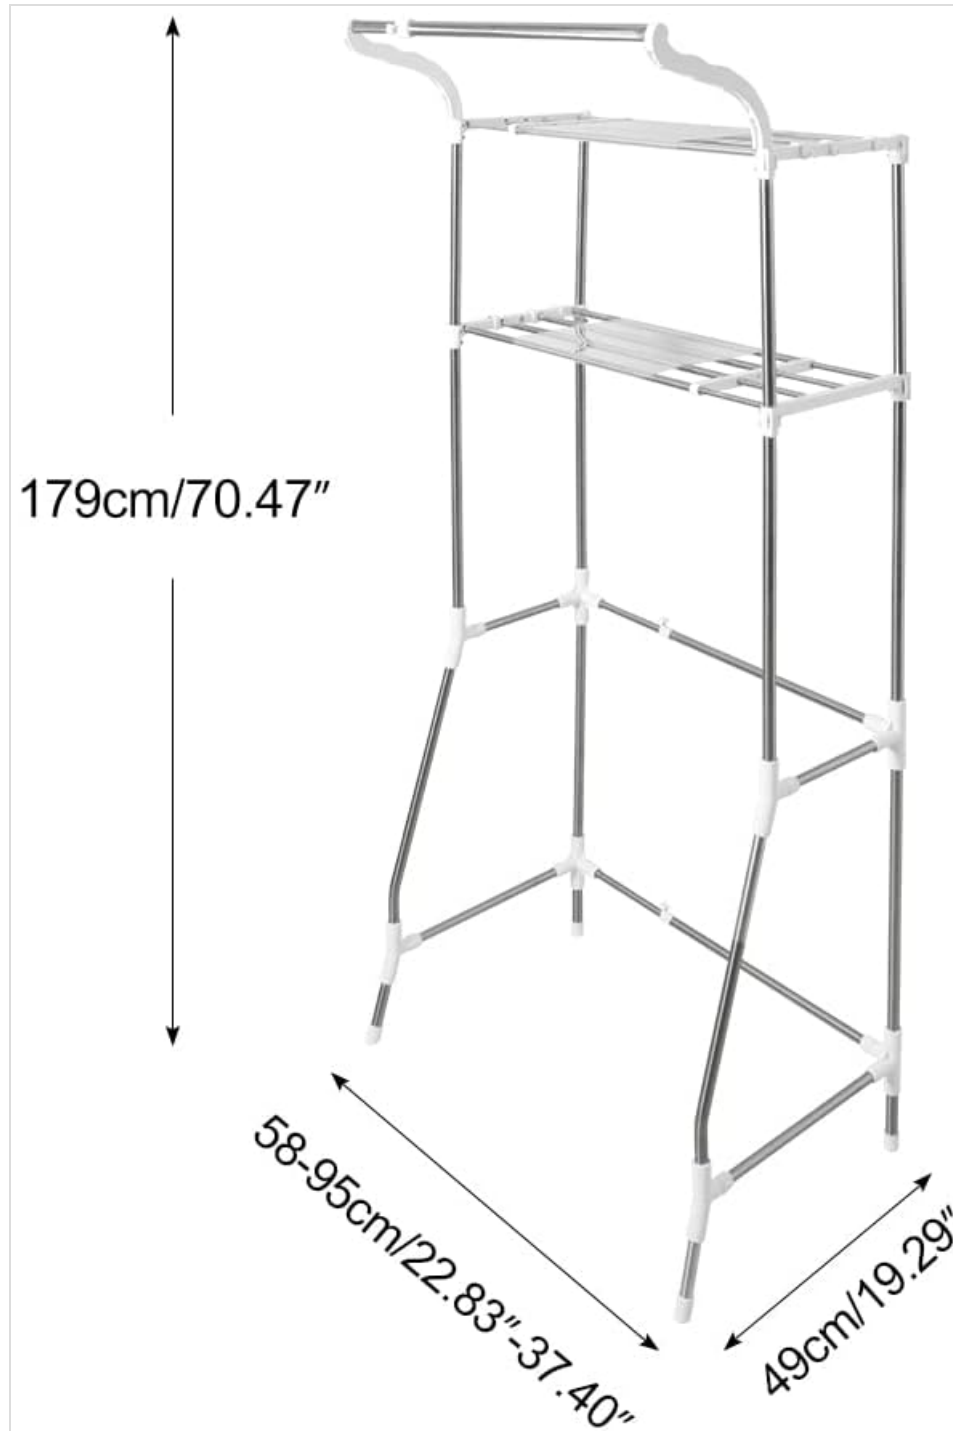

Image: Dimensional diagram illustrating the adjustable width (58-95cm / 22.83-37.4 inches) and fixed height (179cm / 70.47 inches) of the shelf, crucial for proper setup.

Important Safety Information:

- Do not exceed the weight limit of 44.09 pounds (20kg) per shelf.
- Ensure the shelf is properly placed and stable to prevent tipping.
- Always distribute weight evenly on the shelves.

5. OPERATING INSTRUCTIONS

Once assembled and positioned, the BAOYOUNI 2-Tier Laundry Room Shelf is ready for use.

- **Shelf Usage:** Place laundry supplies, detergent bottles, towels, and other items on the two-tier shelves. Utilize the transparent plastic spacers for smaller items to prevent them from falling through the bars.
- **Hanging Rod:** Use the upper horizontal bar to hang clothes, such as shirts, folded pants, or midi/mini skirts.
- **Hooks:** The included 6 hooks can be used to hang brushes, small towels, bath balls, or other lightweight accessories.

6. MAINTENANCE

To ensure the longevity and appearance of your BAOYOUNI Laundry Room Shelf, follow these simple maintenance guidelines:

- **Cleaning:** Wipe with a dry cloth to remove dust and light dirt. For more stubborn marks, use a damp cloth with mild soap and then dry thoroughly.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or harsh chemicals, as they may damage the finish of the stainless steel or plastic components.
- **Regular Checks:** Periodically check all connections and fasteners to ensure they remain tight and secure. Re-tighten if necessary.

7. TROUBLESHOOTING

If you encounter any issues with your BAOYOUNI Laundry Room Shelf, refer to the following common troubleshooting tips:

Problem	Possible Cause	Solution
Shelf feels wobbly or unstable.	Loose connections; uneven weight distribution; not placed against a wall.	Ensure all screws and connectors are fully tightened. Distribute items evenly on shelves. Position the shelf against a wall for added stability.
Items fall through the shelf bars.	Small items placed directly on bars; transparent spacers not used or misplaced.	Always use the provided plastic transparent spacers on the shelves for smaller items. Alternatively, use storage baskets or containers.
Shelf does not fit in the intended space.	Incorrect measurements; width not fully adjusted.	Double-check your space measurements against the product dimensions (22.83-37.4 inches W). Ensure the adjustable width mechanism is fully extended or retracted as needed and securely locked.
Missing or damaged parts upon arrival.	Shipping damage or packaging error.	Contact BAOYOUNI customer support immediately with your purchase details for assistance.

8. SPECIFICATIONS
