SAFETY INFORMATION

For your safety and to prevent damage to the product, please observe the following precautions:

- Do not exceed the maximum user weight limit of 264 lbs (120 kg).
- Keep small children and pets away from the chair during operation to avoid pinching injuries.
- Ensure the power cord is not damaged or placed under the chair where it could be pinched.
- Do not use the chair in damp environments or near water.
- Unplug the chair from the power outlet when not in use or before cleaning.
- If you experience any discomfort or pain during use, discontinue immediately.

PRODUCT FEATURES

The Synca Wellness CirC+ Massage Chair is designed to provide a comprehensive and relaxing massage experience with advanced features:

- **Zero Gravity Feature:** Experience a feeling of weightlessness, which helps improve blood circulation and relieve tension by reclining the chair to a position where your legs are elevated above your heart.

Image: A user reclined in the Zero Gravity position, demonstrating the chair's ability to elevate the legs for enhanced relaxation.

- **Effective Full-Body Massage:** Enjoy hand massage-like sessions with a 44-inch Long Rail SL Track that extends from your neck to your thighs. The Full-Size Quad Roller Massage system offers an unparalleled relaxation experience.

Image: An illustration of the quad massage rollers, highlighting their movement along the SL track for comprehensive coverage.

- **Wireless Remote & Movement Detection:** Adjust your sessions effortlessly using the wireless remote control. The massage chair sensor enables automatic adjustments in response to your body's movements, optimizing your massage experience.
- **Heated Massage Experience:** Indulge in targeted heat therapy for your lumbar and legs. The heated massage hands help to alleviate pain points, melt tension, and rejuvenate your body.

- **Compact Design:** Designed to fit seamlessly into various living spaces, this chair is compact yet powerful.

Image: The massage chair reclines while maintaining a minimal distance from the wall, illustrating its space-saving design.

SETUP

The Synca Wellness CirC+ Massage Chair requires no assembly. It comes fully assembled and ready for use.

- **Placement:** Position the chair on a hard, level surface. Ensure there is at least 6 inches of clearance from any wall to allow for the recline function.
- **Power Connection:** Plug the power cord securely into a grounded electrical outlet.

OPERATING INSTRUCTIONS

Familiarize yourself with the wireless remote control to navigate the various massage functions.

- **Power On/Off:** Press the power button on the remote to turn the chair on or off.
- **Zero Gravity Mode:** Activate the Zero Gravity feature via the remote for a deeply relaxing, weightless sensation. This position helps to decompress the spine and improve circulation.
- **Pre-Programmed Courses:** Choose from 11 pre-programmed courses including 'Therapy' (deeper massage), 'Relax', and 'Sleep' (gentler, rocking motion).
- **Manual Control:** For a customized experience, use manual mode to target specific areas such as back stretch, neck and shoulder, waist and lumbar, or buttocks/sciatic. Adjust massage techniques like deep circular kneading, rolling traction, tapping, and rub and tap.
- **Heat Function:** Activate the heat function for soothing warmth in the lumbar and leg areas.
- **Bluetooth Connectivity:** Connect your Bluetooth-enabled device to the chair's speakers to enjoy music or relaxing sounds during your massage.

MAINTENANCE

To ensure the longevity and optimal performance of your massage chair, follow these simple maintenance guidelines:

- **Cleaning:** Wipe clean the chair's surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** When not in use for extended periods, store the chair in a cool, dry place away from direct sunlight.
- **Inspection:** Periodically check the power cord and connections for any signs of wear or damage.

TROUBLESHOOTING

If you encounter any issues with your massage chair, please refer to the following common troubleshooting steps:

- **Chair not powering on:** Ensure the power cord is securely plugged into a working electrical outlet. Check the power switch on the chair.
- **Remote not responding:** Check the batteries in the wireless remote control and replace if necessary. Ensure there are no obstructions between the remote and the chair.
- **Unusual noises:** If you hear any unusual noises, turn off the chair immediately and contact customer support.
