PINOLINO Jeff Wooden Toy Grill Instruction Manual

Model: 228406

1. Introduction

Thank you for choosing the PINOLINO Jeff Wooden Toy Grill. This comprehensive grill set is designed to provide hours of imaginative play for children aged 3 years and older. It includes a grill with a grill grate and 22 accessories, featuring colorful and clear-lacquered MDF and pine wood construction. The grill is equipped with two wheels for mobility and rotating knobs that produce a clicking sound for a realistic grilling experience.

This manual provides important information regarding the assembly, operation, maintenance, and safety of your new toy grill. Please read it carefully before assembly and retain it for future reference.

2. Safety Instructions

Please observe the following safety guidelines to ensure safe play:

- **Age Recommendation:** This toy is suitable for children aged 3 years and older. It contains small parts that may pose a choking hazard for younger children.
- **Adult Supervision:** Always ensure children are supervised during play, especially during initial assembly and use.
- **Assembly:** Adult assembly is required. Ensure all parts are securely fastened before allowing children to play with the grill.
- **Material Safety:** The toy is made from MDF and pine wood, finished with child-safe paints and lacquers.
- **Stability:** Ensure the grill is placed on a stable, flat surface during play to prevent tipping.
- **Inspection:** Regularly inspect the toy for any signs of damage, loose parts, or wear. Discontinue use if any

hazards are identified.

3. Assembly Instructions

Assembly of the PINOLINO Jeff Wooden Toy Grill is required. Please follow these general steps. Refer to the included assembly diagram (not provided in this manual) for detailed, step-by-step instructions and part identification.

1. **Unpack Components:** Carefully unpack all parts from the packaging. Verify that all 25 pieces (1 grill, 1 grill grate, 22 accessories) and hardware are present.
2. **Assemble Frame:** Attach the wooden legs to the main grill body. Ensure the axles for the wheels are correctly positioned.
3. **Attach Wheels:** Secure the two wheels to the axles at the base of the legs.
4. **Install Shelves:** Mount the lower storage shelf and any upper shelves or side tables as indicated in the diagram.
5. **Attach Grill Components:** Place the grill grate and any other fixed grill elements into their designated positions.
6. **Secure Knobs:** Ensure the rotating knobs are firmly attached and produce their characteristic clicking sound when turned.
7. **Final Check:** Before use, double-check all screws and connections to ensure they are tight and secure.

4. Operating the Toy Grill

The PINOLINO Jeff Wooden Toy Grill is designed for imaginative role-play. Here's how to use its features:

- **Grilling Food:** Place the wooden steaks, sausages, fish, and vegetable skewers onto the grill grate. The partially red charcoal design under the grate adds to the realistic play.
- **Adjusting Heat:** Turn the rotating knobs on the front panel. Each knob produces a satisfying clicking sound, simulating the adjustment of a real grill's temperature.
- **Serving:** Use the included accessories, such as the wooden sauces, to 'serve' the grilled food to friends or family.
- **Mobility:** The two wheels allow the grill to be easily moved to different play areas, enhancing versatility.

5. Maintenance and Care

Proper care will extend the life of your PINOLINO Jeff Wooden Toy Grill:

- **Cleaning:** Wipe the surfaces with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Drying:** Ensure the toy is completely dry after cleaning to prevent wood swelling or warping.
- **Storage:** Store the toy in a dry place, away from direct sunlight and extreme temperatures, to preserve the wood and paint.
- **Inspection:** Periodically check all screws and connections and tighten them if necessary.

6. Troubleshooting

If you encounter any issues with your toy grill, consider the following:

- **Missing Parts:** If any parts are missing upon unpacking, please contact PINOLINO customer support immediately.
- **Loose Connections:** If parts become wobbly during play, check and tighten all screws and fasteners.
- **Knobs Not Clicking:** Ensure the knobs are correctly installed. If the clicking mechanism stops working, inspect for any obstructions or damage.
- **Damage:** If the wood or paint becomes damaged, discontinue use if it poses a safety risk (e.g., splinters, sharp edges).
