PACKAGE CONTENTS

Verify that all items are present in the package:

- SANWA Multi Device Bluetooth Keyboard with Touchpad
- Charging Cable
- Instruction Manual (this document)

PRODUCT FEATURES

- **All-in-One Design:** Integrates a keyboard and touchpad for comprehensive control across multiple devices.
- **Multi-Device Connectivity:** Easily switch between up to 3 paired Bluetooth devices.
- **Sensitive Touchpad:** Supports multi-touch gestures for effortless navigation, including left/right click, drag, cursor movement, page up/down, zoom, and more.
- **20 Shortcut Keys:** Provides quick access to functions such as Home, screen brightness, search, media control (mute, volume, track navigation), and input language switching.
- **Pantograph Keys:** Features a scissor-structure key design for a comfortable typing experience with sensitive response and reduced noise.
- **Rechargeable Battery:** Built-in battery offers up to 30 hours of continuous use on a 2-hour charge, with an auto-sleep function for power saving.
- **Wide System Compatibility:** Compatible with Windows 13/11/10/8.1/8/7/XP/Vista/98/2000/Me, macOS 10.12-10.15, Android 7.0-10, iPad OS13, iOS13 and later versions.

SETUP

1. Charging the Keyboard

Before initial use, fully charge the keyboard. Connect the provided charging cable to the keyboard's charging port and to a USB power source. The charging indicator light will illuminate during charging and turn off when fully charged. A full charge typically takes approximately 2 hours and provides up to 30 hours of continuous use.

2. Bluetooth Pairing

The keyboard can be paired with up to three devices. Follow these steps for each device:

1. Turn on the keyboard using the power switch located on the side.
2. Press the **Fn** key and one of the pairing switch buttons (**01**, **02**, or **03**) simultaneously to select a channel. The corresponding pairing LED will blink.
3. Press the **Fn** key and the **Pairing** button (usually located near the channel keys) to enter pairing mode. The selected channel's LED will blink rapidly.
4. On your device (laptop, tablet, smartphone), enable Bluetooth and search for available devices.
5. Select "SANWA Keyboard" or a similar name from the list of found devices.
6. If prompted, enter the pairing code displayed on your device using the SANWA keyboard and press **Enter**.
7. Once paired, the LED for the selected channel will stop blinking and remain solid for a few seconds before turning off.

3. System Compatibility

The keyboard is compatible with a wide range of operating systems:

- Windows (13/11/10/8.1/8/7/XP/Vista/98/2000/Me)
- macOS (10.12-10.15)
- Android (7.0-10)
- iPad OS (13 and later)
- iOS (13 and later)

OPERATING INSTRUCTIONS

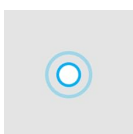

1. Switching Between Devices

To switch between paired devices, simply press the **Fn** key and the corresponding pairing switch button (**01**, **02**, or **03**) for the desired device. The keyboard will connect to the selected device within a few seconds.

2. Touchpad Operation

The integrated touchpad supports various multi-touch gestures for efficient navigation:

- **Single Finger Tap:** Left click.
- **Two Finger Tap:** Right click.
- **Two Finger Scroll:** Scroll vertically or horizontally.
- **Pinch In/Out:** Zoom in or out.
- **Three Finger Swipe Up:** Open Cortana/Task View (Windows) or equivalent.
- **Three Finger Swipe Down:** Open Menu.
- **Three Finger Swipe Left/Right:** Switch between windows/applications.
- **Four Finger Tap:** Display/hide the screen keyboard (Phone/Pad Support).

3. Shortcut Keys

The keyboard features 20 shortcut keys for quick access to common functions. These keys are typically activated by pressing the **Fn** key in combination with the desired function key (F1-F12) or dedicated shortcut keys. Refer to the keycap legends for specific functions, which may include:

- Home key
- Screen brightness adjustment
- Open search page
- Mute, Volume +/-, Last/Next song, Pause/Play (media controls)
- Display/hide the screen keyboard (Phone/Pad Support)
- Input language switch

MAINTENANCE

Cleaning

To clean the keyboard, gently wipe the surface with a soft, damp cloth. Avoid using harsh chemicals or abrasive materials. Ensure the keyboard is powered off before cleaning.

Battery Care

The keyboard has a built-in rechargeable Lithium Polymer battery. To prolong battery life:

- Avoid fully discharging the battery frequently.
- Store the keyboard in a cool, dry place if not used for extended periods.
- The auto-sleep function helps conserve battery power. Press any key to wake the keyboard from sleep mode.

TROUBLESHOOTING

If you encounter issues with your SANWA keyboard, refer to the following common solutions:

- **Keyboard not connecting or pairing:**
 - Ensure the keyboard is charged and powered on.
 - Verify Bluetooth is enabled on your device.
 - Make sure the keyboard is within the effective Bluetooth range (approximately 32.8 feet).
 - Try re-entering pairing mode on the keyboard and re-scanning for devices on your host device.
 - Remove any previous pairings of the keyboard from your device's Bluetooth settings and attempt to pair again.
- **Keyboard not holding a charge:**
 - Ensure the charging cable is securely connected to both the keyboard and the power source.
 - Try using a different USB charging port or power adapter.
 - If the issue persists, the battery may require service.
- **Touchpad scrolling is erratic or unresponsive:**
 - Ensure your fingers are clean and dry when using the touchpad.
 - Check your device's operating system settings for touchpad sensitivity and scrolling behavior.
 - Some operating systems may have 'Natural Scrolling' enabled by default, which can be adjusted in system settings if preferred.
- **Keyboard enters sleep mode too quickly:**
 - The auto-sleep function is designed to conserve battery. Press any key to wake the keyboard.
 - There is no user-adjustable setting to disable or modify the sleep timer.

SPECIFICATIONS

Feature	Specification
Model Number	GSKBBT066W
Product Dimensions	14.72 x 5.08 x 0.69 inches

Item Weight	15.4 ounces
Manufacturer	SANWA SUPPLY
Batteries	1 Lithium Polymer battery (included)
Connectivity Technology	Bluetooth
Keyboard Description	Wireless
Recommended Uses	Office
Special Features	Rechargeable, Trackpad
Color	White
Keyboard Backlighting	Single Color
