WHAT'S INCLUDED

Your LEGO Classic Blue Baseplate package contains the following:

- One (1) LEGO Classic Blue Baseplate (Model 11025)
- Paper-based packaging (recyclable)

SETUP

To begin building, simply place the LEGO Classic Blue Baseplate on a flat, stable surface. Ensure the surface is clean to prevent debris from interfering with brick connection.

OPERATING INSTRUCTIONS

The baseplate serves as a versatile foundation for your LEGO creations. Its 1,024 aligned studs provide a firm and durable grip for LEGO building bricks.

- **Building Stability:** Attach LEGO bricks firmly to the studs. The baseplate's grip allows for building in various orientations, including upside down, without creations collapsing.
- **Creative Scenarios:** Use the blue color to represent water, sky, or any other imaginative setting for your builds.
- **Display and Transport:** The sturdy nature of the baseplate makes it suitable for displaying finished models and for safely transporting them.

MAINTENANCE

To ensure the longevity and cleanliness of your LEGO Classic Blue Baseplate:

- **Cleaning:** Wipe the baseplate with a soft, damp cloth. For deeper cleaning, use mild soap and water. Avoid harsh chemicals or abrasive materials.
- **Storage:** Store the baseplate flat to prevent warping. Keep it away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

If you encounter issues with your baseplate:

- **Bricks not holding:** Ensure both the baseplate studs and the LEGO bricks are clean and free of dust or debris. Check for any damage to the studs or bricks.
- **Baseplate warping:** This can occur if the baseplate is stored improperly or exposed to extreme heat. Store flat and away from heat sources.
